

AP 4250 Probation

Notification of Probation

Each student is entitled to be notified of their academic difficulty and the availability of college support services to respond to the academic difficulty before the student is dismissed. Notification will consist, at a minimum, of the following:

- At the end of the semester in which the student's cumulative grade point average falls below 2.0 and after a cumulative of 12 units attempted as shown by the official academic record, a notice shall be sent to the student informing the student that they are on academic probation.
- A student who has a cumulative of 12 units attempted as shown by the official academic record shall be placed on progress probation when the percentage of "W," "I," "NC," and/or "NP" grades reaches or exceeds 50 percent of all units in which the student has enrolled. Students placed on either academic or progress probation may be subject to a block from registration.
- At the end of the third semester of which the student is on academic and/or progress probation, a notice shall be sent to the student informing the student that they are subject to dismissal.

"A cumulative 12 units attempted" is defined as all units of credit for which the student is enrolled in at Chaffey College.

Probationary Letter

The letter notifying the student of probation will cover, at a minimum, the significance of being on probation and description of the services available.

A student who is on academic probation and earns a semester grade point average of 2.0 or better shall not be dismissed as long as this minimum semester grade point average is maintained.
