

BP 2725 Governing Board Member Compensation

Upon a resolution by the Governing Board, members may receive compensation for their services, not to exceed the limits specified by Education Code 72024(a).

Members of the Governing Board who attend all Governing Board Meetings shall receive \$400 per month and the student member receives a biannual stipend, if such privilege is granted in accordance with board policy BP 2015 Student Trustee. A member of the Governing Board who does not attend all meetings held by the Governing Board in any month shall receive, as compensation, an amount not greater than the pro rata share of the number of meetings actually attended.

Upon a resolution by the Governing Board, members may be paid for any meeting when absent if the Governing Board by resolution duly adopted and included in its minutes finds that at the time of the meeting the member is performing services outside the meeting for the community college district, the member was ill or on jury duty, or the absence was due to a hardship deemed acceptable by the Governing Board.

The Governing Board may, on an annual basis, increase the compensation of board members by up to five percent. However, any increase is subject to rejection in a referendum by a majority of the voters in the District.
