ADN Enrollment Criteria for 1st semester students Worksheet: **Effective Fall 2019**

In accordance with legislation and Education Code, admission criteria to the ADN program follows a multi-criteria screening and ranking, approved by the California Chancellors Office. Applicants must meet all eligibility requirements (GPA of at least 2.8 in the prerequisite science courses, GPA of 3.0 for combined general education courses, and a TEAS score of 62% or higher) before being considered for the program. Students are ranked using the following multi-criteria screening:
