**IT IS IMPORTANT TO FOLLOW ALL APPLICATION INSTRUCTIONS on the website.**

- The application must be current, signed and submitted electronically. See the RadTec website for instructions.
- Incomplete applications will not be accepted.
- The RadTec Transcript Evaluation form must be included with the application.
- The **point system** on the reverse side is provided to aid students in planning their courses prior to applying to the RadTec program and **is subject to change by the department without notification.**

Points will only be counted from courses completed from a regionally accredited institution in the United States. Foreign coursework will not be considered.

Applications will be ranked according to points earned for coursework completed through the Fall term preceding the application period. Ties in points are broken on the basis of degree applicable GPA. The minimum degree applicable GPA to apply to the program is 2.80.

ADDITIONAL POINTS:

- Consideration for one additional point may be awarded for **paid prior acute care hospital** experience with sufficient verification. The point for work experience is not guaranteed until verified by the application committee. See website: **500 hours of direct patient care** experience must be completed within the last 5 years. Direct patient care is the care of a patient providing personal “hands-on” contact with patients in an **acute care hospital**. The acute care hospital must have an emergency room, ICU and surgical departments.
- Consideration for additional one point will be given to applicants with a current California Limited Permit in Radiologic Technology. A copy of the current permit(s) must be submitted with application. The point for work experience is not guaranteed until verified by the coordinators.
- Consideration for one additional point will be given to veterans who have been honorably discharged and meet the RT program admissions criteria. Military service documentation must be submitted with the application. Acceptable documentation includes a Certificate of Release or Discharge from Active Duty (DD Form 214C) or a Proof of Service Letter from the Department of Veterans Affairs.
- Students will have 1 attempt to apply for additional points. Incomplete submissions will not be considered. Refer to the RT Information Packet for instructions.

The top 50 applicants will be **required** to attend a RadTec Information Session. The top 28 and 22 alternate applicants will be required to obtain a certificate of successfully passing a background check from an approved vendor(s). Refer to the RadTec website for details and for the most current information.
