

Nursing: Prerequisites for Associate Degree in Nursing (ADN)

This program map indicates the major coursework and recommended general educational courses by term that are needed to fulfill prerequisites in two years if enrolled full-time (approximately 15 units per term). Program completion within this timeframe is dependent on your schedule availability and when courses are offered. Transfer requirements vary based on institution. Please see a Counselor to develop your educational plan and determine appropriate work/life/school balance.

This Map Includes prerequisites and general education courses required for admissions to the Chaffey Associate Degree in Nursing (ADN) program.
 **Choose general education from the CSUGE pattern if you plan to transfer to a Bachelor of Science (BSN) program in the future.

START HERE

| SEMESTER 1 | 1 | UNITS |
|--------------------------------|---|-----------------|
| BIOL-30 Medical Terminology | | 3 |
| CHEM-10 Introductory Chemistry | | 4 |
| *ENGL-1A Composition | | 3 |
| **Foreign Language I | | 4 |
| | | TOTAL UNITS: 14 |

MY CHECKLIST

- ATTEND A NURSING INFORMATION SESSION**
- Schedule: <https://www.chaffey.edu/healthsciences/nursing>
- COMPLETE AN EDUCATIONAL PLAN WITH A COUNSELOR**
- Discuss your specific Nursing path.
- VISIT THE SUCCESS CENTERS**
- Sign up for tutoring or attend a workshop each semester.

- EXPLORE CAREER PATHS**
- Attend a workshop at the Career Center.
- REVIEW MAJOR PREPARATION**
- Update your ed plan with a counselor.

TAKE SUMMER CLASSES TO GET AHEAD

- SEE A COUNSELOR**
- Prepare to apply for the ADN program.
- EXPLORE INTERNSHIPS AND SERVICE LEARNING**

- APPLY TO THE ADN PROGRAM IN MARCH OR SEPTEMBER**
- Fill out an ADN Multi Criteria Evaluation Request Form 6 weeks prior to application period.
- VISIT THE CAREER CENTER**
- Go to the Career Center for job search strategies, resume assistance, and interview preparation.

*English and Mathematics placement relies on high school performance data. Direct placement into transfer-level English (ENGL 1A) and Mathematics (for quantitative reasoning) provides the most efficient path to a degree or certificate.
