PRESIDENT'S WELCOME

Welcome to Chaffey College!

Whether you are pursuing a degree, certificate or planning to transfer to a four-year college, thank you for trusting Chaffey College to help you reach your goals. You will find an abundance of in-person, hybrid and online courses to fit your needs, along with plenty of staff to support you.

Spring semester has been busy with activity among athletics, visual and performing arts, Black History Month and the Hip Hop Studies Summit. It is wonderful to see so many students back on campus. In fact, this spring we have more than 19,000 students enrolled at Chaffey, a 13 percent increase over spring 2022.

This March marked the 140th anniversary of Chaffey College and we celebrated at our Chino, Fontana and Rancho Cucamonga campuses. More than 900 community members turned out for our Rancho Cucamonga celebration alone, enjoying free food, dancing, games and prizes. I consider it incredibly rewarding connecting with the communities that we serve, and one day we hope to see some of these residents taking classes here at Chaffey.

This May we anticipate more than 2,600 students receiving certificates and degrees at our 106th Commencement ceremony, according to preliminary figures. We are looking forward to celebrating the success of our graduates!

We have many projects underway that will enhance and improve your college experience here at Chaffey. We are in the design phase for a new library and renovation of the Michael Alexander Campus Center (MACC) at the Rancho Cucamonga campus. The swimming pool renovation project is slated for completion next year, along with the new Chino campus instructional building. And we are moving toward building new campuses in Ontario and Fontana. These are exciting times at Chaffey!

Enjoy your fall semester, Panthers!

Henry D. Shannon, Ph.D.
Superintendent/President

GETTING STARTED

WHO IS ELIGIBLE TO ATTEND?

- All high school graduates.
- Anyone who has a Certificate of Proficiency or G.E.D.
- Anyone 18 years of age or older who can benefit from a course of study.
- High school students who meet specific requirements – see section on High School Dual Enrollment in this schedule for more information.
- International students who meet specific admission requirements – these students must contact the International Student Office or check the program's website for guidance on beginning the application process. See section on International Students in this schedule for more information.

WHO MUST APPLY?

- **New students**
  (those who have never attended Chaffey College)
- **Returning students**
  (those who have not attended for two or more regular semesters)

WHO MUST SUBMIT TRANSCRIPTS?

Official transcripts from colleges or universities previously attended must be submitted to the Admissions and Records Office for the following:

- Students who plan to complete a degree or certificate at Chaffey College, and/or transfer to a four-year college or university
- Veterans receiving educational benefits
- Students needing to show completion of course prerequisites
- Students who have earned an associate's degree or higher who want exemption from placement

Official high school transcripts must be submitted for the following students:

- Students who plan to apply for the radiologic technology, registered nursing, and vocational nursing programs
- Private and home school high school students enrolling for the first time through High School Dual Enrollment
- Students seeking language other than English certification for Intersegmental General Education for transfer to the University of California (IGETC)
- Students who plan to use high school courses to clear course prerequisites
- Students seeking to use high school math courses to meet AA / AS degree mathematics competency requirement

Students with limitations

Students with learning, physical, psychological, or other health limitations are encouraged to contact Disability Programs and Services online, at (909) 652-6379, or dps.staff@chaffey.edu for assistance.

STEPS TO ENROLL

STEP 1
APPLY FOR ADMISSION

Please allow 2 weeks to complete the Chaffey College Matriculation Process (steps 1-5). You must complete these steps to receive the best possible registration date.

1. **Go to www.chaffey.edu**
2. **Click on the "Prospective Students" link at the top of the page.**
3. **Click on "Apply to Chaffey College".**
4. **Create an Account.**
5. **Complete the Application.**
   Be sure to click the submit button.

   Check your email for an immediate confirmation receipt (if you do not receive it, go back and finish the application). Allow three (3) business days to receive your registration letter by email.

   The registration letter includes:
   - Your Chaffey ID number
   - MyChaffey Portal log-in instructions
   - Links to the Schedule of Classes
   - Additional critical registration information

6. **International students must complete a secondary application through the International Student Center. Visit the International Student Center webpage online, call (909) 652-6195, or email international@chaffey.edu for more information.**

How to earn a prioritized registration date

The Student Success Act was passed to help California Community College students successfully complete their educational goals in a timely manner. Following these steps can help new and returning students reach these goals:

1. Submit your application to Chaffey
2. Complete online Chaffey College orientation
3. Complete the placement process
4. Create a Counselor approved Student Education Plan

Super Saturdays

Complete ALL steps to register in **ONE** day

Visit the Counseling webpage for workshop dates online. All workshops will be online via Zoom. For more information, contact the Counseling Department at counseling@chaffey.edu.

REGISTRATION STATUS

You may check your registration date and the Registration Steps you have completed through the MyChaffey Portal.

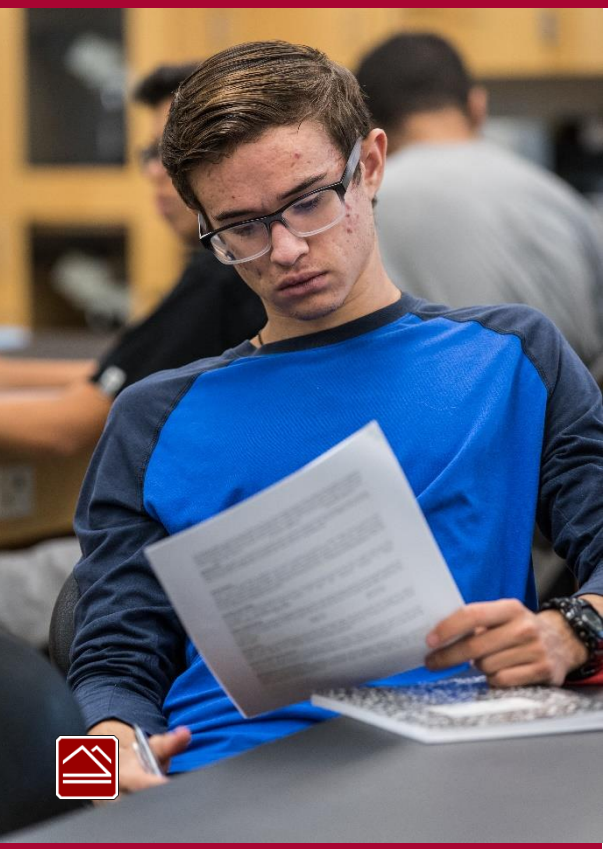
Once you have entered the Portal, click on the MyChaffeyView link in the launchpad.

MyChaffey

http://my.chaffey.edu/

MyChaffey online services are typically available year-round, 24 hours a day, 7 days a week.

STEPS TO ENROLL



FINANCIAL AID OFFICE ASSISTANCE

QLess
The Financial Aid Office is available to serve you online through QLess. Complete an online form at one of the links below and receive updates via text and an email with a link to meet a staff member through Zoom online.

Rancho · Chino · Fontana

Financial Aid staff are available to assist over Zoom Mondays and Thursdays 7:00am-7:00pm, Tuesdays and Wednesdays 7:30am-4:30pm, and Fridays 7:30am-4:00pm.

To contact Financial Aid after business hours, email financialaid@chaffey.edu with your name and Chaffey ID.

STEP 2
APPLY FOR FINANCIAL AID

1. Complete the Free Application for Federal Student Aid (FAFSA) online at www.fafsa.gov using the Chaffey College Federal School Code **001163**. Dreamers, AB 540 and DACA students: complete the CA Dream Act Application online at https://dream.csac.ca.gov. First-time, full-time students who are California residents or AB 540 may be eligible to receive the Chaffey College Panther Promise. Panther Promise provides the first two years of **FREE TUITION** to all first-time, full-time (enrolled in 12 units) college students. For eligibility requirements and to apply, visit the Panther Promise webpage.
2. You must have a current Admissions application on file with the Admissions and Records Department. Applications are submitted online. Make sure your correct Social Security Number is listed on the application.
3. Once the Financial Aid Office receives your information from the U.S. Department of Education or the California Student Aid Commission, you will receive an email from the Financial Aid Office indicating if awards are available, or if additional documentation is needed to complete your file. Your Financial Aid status is available via the Financial Aid – Student Self-Service Portal.

   To view a list of required documents/Actions and any additional documentation you are required to complete, follow these steps:

   - Log onto the MyChaffey Portal
   - Click on Financial Aid Self Service link under the Financial Aid sub menu
   - Review your checklist for required documents and/or My Awards
4. Your Financial Aid will be reviewed for eligibility and you will be notified by email of your award(s). If you are eligible for the California College Promise Grant (CCPG - formerly BOGFW), this will automatically be applied after your FAFSA or Dream Act application is received. Once eligibility has been determined, and you have been awarded a Federal Pell Grant, or any other type of aid, it will be automatically accepted in the award letter. For more information on the CCPG and types of Grants, please refer to the Financial Aid section in this Schedule of Classes.

Do you need assistance with your financial aid application? Attend a financial aid FAFSA/Dream Act application workshop. Workshop times and locations are available on our website.

STEPS TO ENROLL

STEP 3
COMPLETE COLLEGE ORIENTATION AND PLACEMENT

Orientation is a presentation about Chaffey College and the programs and services available to enrolled students. All new and returning students must complete the Chaffey College Orientation in order to receive the best possible registration date. Orientation prepares you to be a successful student at Chaffey College. It includes information about the college, the multiple measures placement, the education plan, and important information about policies and procedures.

New and returning students are required to complete the Chaffey College Orientation after submitting the application. The English and math placement process is combined with Orientation. Once Orientation is completed, students will be immediately directed into placement. The Chaffey College Orientation is available online through the Counseling department.

To access online orientation and placement:

- Log onto the MyChaffey Portal.
- Click on the “New Student Registration Steps” tab.
- Click on the “New Student Enrollment Process” tab.
- The orientation is listed under Step 3.

Visit here for a video tutorial on how to complete the New Student Orientation and Placement process online.

REMEMBER...

you must complete the Chaffey College Orientation and complete an educational plan for the best possible registration date.

REGISTRATION STATUS

Visit the MyChaffey Portal to check your registration date and review the Registration steps you have completed. Click on “My Registration Priority Checklist.”

STEPS TO ENROLL

After you have completed Steps 1-4 check the MyChaffey Portal for your registration date.

REGISTRATION STATUS

Visit the MyChaffey Portal to check your registration date and check the Registration Steps you have completed. See the "My Registration Priority Checklist." Your registration date will be available approximately two weeks prior to the start of registration.

STEP 4
CREATE AN EDUCATION PLAN

The next step in the enrollment process is very important; it includes creating an educational plan. It assists you in taking the appropriate classes to meet your education goal.

Together with a Counselor you will discuss the courses needed to achieve your goal.

TO COMPLETE AN EDUCATION PLAN

Schedule an appointment through Cranium Cafe

- Read and agree to the Informed Consent Statement
- Click on the Chaffey Login Portal button
- Enter your Chaffey ID and password
- Schedule an appointment that works best for your availability
- Complete the Intake Form
- Click on "Schedule Appointment"

If you have transcripts from another college, please submit official transcripts to the Admissions and Records Office. A request for transcript evaluation is needed. The form is available online. Once you have received a confirmation email that your transcript evaluation has been completed, schedule an online appointment. Follow the instructions above for how to make an online counseling appointment with Counseling through Cranium Café by following the instructions above. See Official Evaluation of Credit Completed at Other Schools in this Schedule for more information.

Students are required to complete an Education Plan in order to receive the best possible registration date. Please complete Steps 1, 2, and 3 before scheduling an appointment with a counselor.

For more information, visit the Counseling Department online or contact counseling@chaffey.edu. Watch this tutorial to learn how to schedule an online counseling appointment.

STEPS TO ENROLL

STEP 5
REGISTER FOR CLASSES

To Register:
Once you have completed Steps 1 through 5 you will receive a date and time to register.

Your registration date and time will be available on the MyChaffey Portal approximately two weeks prior to the start of the registration period.

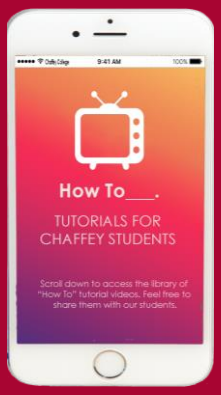
You are encouraged to register as soon as possible on or after the assigned registration time. The longer you wait the more difficult it is to get the classes you need.

Maximum Unit Load
You may enroll in a maximum of 18 units in fall and spring semesters, and 7 units in the summer session. Counselor signature approval is required to exceed the maximum unit load allowed.

Multiple Enrollments
You may not enroll in more than one section of any course that is not repeatable at the same time.

Time Conflicts
You may not enroll in sections that have time conflicts with other sections, or courses that meet at the same time.

High School Dual Enrollment
High School students may register online. Submission of a completed Dual Enrollment Agreement is required in order to receive a registration appointment. For more information about enrollment and registration processes, visit the High School Dual Enrollment webpage online.



How To: Video Tutorials for Students

Visit this link for a variety of video tutorials covering course registration, paying for classes, accessing your Panther email, navigating MyChaffey, counseling services, and more.

WAIT LIST INFORMATION

- You may place yourself on a wait list for a class that is closed, provided the option to wait list is available and the wait list is not already full.
- If a seat becomes available, you will automatically be registered based on your rank on the wait list, as a long as you do not have a restriction or conflict preventing registration.
- You will be contacted through your personal email if you are automatically registered.

WAIT LIST RESTRICTIONS AND DISCLAIMERS

You may wait list for only one section of a specific course.

- Time conflicts are not checked systematically for overlapping sections when a student is wait listed.
- Professors have the discretion to approve registration by issuing Add Authorizations to students on the first day of instruction.
- You may not enroll in and wait list in different sections of the same course at the same time. Enrollment in a course will drop you from the wait listed section.
- The wait list will remain active until instruction begins. If you have not been registered from the wait list prior to the first day of instruction, you can contact the instructor to request Add Authorization.

ADD AUTHORIZATION AND LATE REGISTRATION

Once the semester begins, all students are required to have an Add Authorization for all open and closed classes. The Add Authorization is issued by the instructor and must be used before it expires on the last day to add. The Admissions and Records Office cannot extend the deadline to add classes.

The last day to add classes is as follows:

Full-Term	**August 25**
Fast Track I	**August 18**
Early 14-Week	**August 18**
14-Week	**September 11**
Fast Track II	**October 20**

For more information, check your registration receipt, the Schedule of Classes, or contact the Admissions and Records Office at admissions@chaffey.edu.

Note: If you have an Add Authorization and are required to submit a Repeat Petition, you must register in person in the Admissions and Records Office. The Add Authorization will be verified and, if the Repeat Petition is approved, you will be registered into the class.

Add Authorizations for Distance Education (Online) Classes: To add an online class after registration closes, or after the class start date has passed, email the class instructor promptly. The email should include the following information: your full name, Chaffey ID number, position on waitlist (if applicable), and the name and section number of the course.

Faculty email addresses can be located on the Chaffey College Employee Directory webpage.

Once you have received an Add Authorization from an instructor, be sure to register as soon as possible via the "Self-Service (Registration)" link in the MyChaffey Portal. If you experience issues with registration, review this video tutorial on registering for classes after a class has started, or contact Admissions and Records.

STEPS TO ENROLL

STEP 6 – PAY ENROLLMENT FEES

All fees are approved by the Governing Board and are subject to change without advance notice. For a current list of all enrollment fees, visit the Cashier's Office webpage.

FEES ARE DUE AT THE TIME OF REGISTRATION.

METHODS OF PAYMENT

1. **Pay Online**
   Online payments can be made through the MyChaffey Portal. Visa, MasterCard, Discover, and American Express are accepted. Split payments cannot be processed online.

2. **Pay Using NBS Tuition Payment Plan:**
   https://mycollegepaymentplan.com/chaffey/.

3. **Pay by U.S. Mail**
   We accept personal checks or money orders payable to Chaffey College. Please write your student ID number in the memo section of your check. Chaffey College is not liable for mail lost or delayed by the postal service. Mail payments to:

   Chaffey College
   Cashier's Office
   5885 Haven Avenue
   Rancho Cucamonga, CA 91737

4. **Bank Wire**
   Log onto the MyChaffey Portal, click on the "Make a Payment" link under the Shortcuts panel, and select Bank Wire. The exact payment amount must be initiated. Once the bank wire payment is submitted, submit confirmation via email to cashier.staff@chaffey.edu to avoid being dropped from classes.

5. **Third Party/Sponsor Paid**
   All vouchers and paperwork must be submitted via email to cashier.staff@chaffey.edu prior to the student's payment deadline.

Enrollment Fee
CA Resident..... $46 per unit
Non-CA Resident U.S. Citizen
and Non-U.S. Citizen ..... $460 per unit
($414 per unit, plus $46 per unit enrollment fee, with no Capital Outlay charge)

College Services Fee (optional)..... $8.00

Health Services Fee*
Non-California College Promise Grant (CCPG) $21.00
California College Promise Grant (CCPG)** (A) $10.50
California College Promise Grant (CCPG)** (B) $21.00
California College Promise Grant (CCPG)** (C) $21.00
This fee funds the Student Health Services Program. Certain laboratory tests and medications may require an additional fee.

Materials Fee..... Variable
Most classes require a materials usage fee. The charge is noted under the appropriate class at the end of the description. Material fees must be paid at registration, and are not subject to waiver.

Parking Fee (Fall & Spring)
Required on the Chino (College Park location only), Fontana, and Rancho Cucamonga campuses. In the event that parking fees and permits are not required for the term, students will be notified through their Chaffey College issued Panther email.
Auto Parking Permit..... $55.00
Auto Parking Permit (CCPG eligible) $30.00
Motorcycle Parking Permit..... $20.00

NSF/Chargeback/Stop Payment Fee..... $25.00
(Only cash, money order, or cashier's check accepted to clear these fees)

Student Representation Fee* (optional)..... $2.00

Technology Fee (optional) $8.00

Transportation Fee..... $8.00/$9.00
To be eligible for ridership services from Omnitrans, students must possess their own current, valid Chaffey ID card, must remain registered in classes for the duration of the current academic term, and must have paid the transportation fee for the current academic term. Students who withdraw from classes during a term are no longer eligible for services at the point of withdrawal.

* Pursuant to section 76355 of the Education Code, students who can provide documentation of active membership in a religious organization that relies exclusively on prayer for healing may request to have the Health Fee waived. Applications for waiver are available in the Student Health Services office.

** California College Promise Grant (CCPG - formerly BOG Fee Waiver)

*** The $2 Student Representation Fee (AB 1504) is used by the Associated Students of Chaffey College and the Student Senate of California Community Colleges to advocate and lobby for legislative issues that affect and benefit community colleges and community college students both at the state and federal level.

For information related to the waiver of enrollment fees, contact the Financial Aid Office at financialaid@chaffey.edu or (909) 652-6199.

VERIFICATION OF PAYMENT
Once payment is made, we recommend you print out a registration receipt for your records.

NBS Tuition Payment Plan:
https://mycollegepaymentplan.com/chaffey/.

FACTS Payment Methods:
- Automatic bank payment (ACH)
- Credit card/debit card

Cost to Participate:
- $20 enrollment fee per semester (ACH & credit card)
- $2 enrollment fee for an immediate full payment
- $30 returned payment fee if a payment is returned

A new payment plan must be set up for each semester.

Simple Steps to Enroll in the Payment Plan:
- Go to the MyChaffey Portal.
- Select the "Student Quick Links" drop-down.
- Select the "NBS Payment Plan" link.
  NOTE: All down payments and enrollment fees are processed immediately. NBS scheduled payments are processed on the 5th of each month. You must have a minimum balance of $100 to budget through the payment plan.

*If an invalid account number is supplied or any monthly payment is returned by the supplied bank *prior to the start of the term*, the payment plan with NBS will be terminated and the student's classes may be dropped.

*If an invalid account number is supplied or any monthly payment is returned by the supplied bank *once the term begins*, the payment plan with NBS will be terminated and there will be a hold placed on the student's record until the balance is cleared in full.

* If there are any changes made to the student's Chaffey College account including but not limited to adding and/or dropping classes, obtaining the California College Promise Grant (CCPG), or updating residency status, the student must adjust their payment balance by logging into the MyChaffey Portal and clicking on the NBS payment plan link. If the student has any questions regarding their agreement, they may email the Chaffey College Cashier's Office at cashier.staff@chaffey.edu.

Payment is due at the time of registration. As the student, you are responsible for dropping classes by the stated deadlines. If you register for a class and later change your mind, it is your responsibility to drop the class. You may be responsible for some or all of the fees for dropped courses as per the Refund Policy. If you are a Financial Aid recipient, your award will not cover all of your fees. You are responsible to submit payment for any balance due. An outstanding balance will result in a Hold placed on your account.

Methods of payment include Visa, MasterCard, American Express, Discover, Check or Money Order payable to Chaffey College (include Chaffey ID number).

FINANCIAL HOLDS
Students with financial holds for past due fees will NOT be able to access the following services (title 5, section 59410):

- Grades
- Diplomas
- Registration Privileges
- Chaffey Student ID

Financial Aid Students
The California College Promise Grant (CCPG) (formerly BOGFW) does not cover all fees for registration. Students who receive the CCPG must pay the remaining fees by the first day of instruction. If payment is not received, a financial hold will be placed on the student's account. For questions regarding your financial aid award, contact the Financial Aid Office online through Qless during business hours.

Returned Payments
Returned payments due to insufficient funds, invalid account number entry or stopping payment on a check or credit card transaction does NOT constitute withdrawal from classes and will result in a $25 charge and a financial block on the student's account.

Fee Collection by the Franchise Tax Board
Failure to pay any outstanding balance will result in the student's name being submitted to the Franchise Tax Board for collection of any balance owed to Chaffey College.

Unofficial Withdrawal from Classes
A student will be charged fees for classes he/she is enrolled in, even if the student does not attend any class meetings. It is the student's responsibility to ensure all classes are dropped by the refund deadline to avoid being charged.

It is not the instructor's responsibility to drop students who stop attending classes.

REFUND POLICY FOR CREDIT AMOUNTS LESS THAN $20

Refunds for credit amounts less than $20 are not automatic and must be initiated by the student:

- A refund request for a credit amount less than $20 must be received by the Cashier's Office by the last day of the term.
- To request a refund, the student must send an email to cashier.staff@chaffey.edu.
- For security reasons, the following information is required:
  - Student's full name
  - Chaffey ID Number
  - Refund credit amount
- When all the required information is received, the Cashier's Office will begin the refund process. Refunds will be processed within 45 business days.

Automatic Refund Process

Refunds will still be processed automatically for the following:

- Credit amounts of $20 or more
- Classes canceled by the college
- California College Promise Grant (CCPG) reimbursements
  (No refund request required).

Automatic refunds will be processed after the last day to add full term classes. Processing may take up to 45 business days to complete. Students will receive a refund in the form of original payment, excluding cash. Cash payments will be refunded as a check. Students who were enrolled in the NBS payment plan and are due a refund will receive a check in the mail. To ensure prompt delivery, students must verify the correct address information is on the MyChaffey Portal.

Eligibility Requirement for Refunds

A student is eligible for a refund if classes are dropped by the published refund deadline. Refund deadlines vary and are easily located by visiting the Course Refund Policy webpage.

To be eligible for a refund, classes must be dropped within the first two weeks of instruction for full-term classes, and before the 10% point of any short-term class. The following fees are subject to refund if classes are dropped before the deadline: enrollment, health, materials, college services, transportation, student representation, technology, and non-resident tuition.

Refund for Parking Permits

To receive a parking refund, the parking permit must be returned to the Admissions and Records Office on or before the appropriate refund deadline date.

Refund for Canceled Classes

If the district cancels a class, all fees will be refunded automatically. A refund request is not required.

Financial Aid California College Promise Grant (CCPG) Account Re-Bill/Reimbursement

Students who paid for classes prior to receiving a California College Promise Grant (formerly BOGFW) will receive a refund once the CCPG is processed. The CCPG must be processed and posted to the student's account by the last day of the current term. For information related to the waiver of enrollment fees, contact the Financial Aid Office at financialaid@chaffey.edu. For questions regarding refunds, contact the Cashier's Office at cashier.staff@chaffey.edu.

Do you need access to a computer?
Computer stations are available in the Admission and Records Office at any of our three campus locations.

COLLEGE SERVICES FEE
The College Services Fee is budgeted by the Chaffey College Student Government (CCSG) to provide a range of opportunities, activities, and services to support and engage the students at Chaffey College. CCSG allocates the funds to benefit the students and foster the spirit of excellence and commitment to learning in all areas of the institution. This includes supporting: book grants, scholarships, lectures, cultural events, festivals, field trips, retreats, conferences, student clubs, the class gift and much, much more. Students who wish to be exempt from paying the College Services fee may submit a Student Opt Out Request form prior to the refund deadline for the applicable term.

HEALTH SERVICES FEE
Pursuant to section 76355 of the Education Code, students who can provide documentation of active membership in a religious organization that relies exclusively on prayer for healing may request to have the Health Services Fee waived. Applications for waiver are available in the Student Health Services office. CCPG eligible students will be responsible for all or a portion of the Health Services Fee as listed on the Tuition and Fees webpage.

STUDENT REPRESENTATION FEE:
The $2 Student Representation fee is used by the Chaffey College Student Government and the Student Senate of California Community Colleges to advocate and lobby for legislative issues that affect and benefit community colleges and community college students both at the state and federal level. Students who wish to be exempt from paying the Student Representation fee may submit a Student Opt Out Request form prior to the refund deadline for the applicable term.

TECHNOLOGY FEE:
The Chaffey College technology fee directly supports the cost of providing student access to college technology. This fee is optional and will be used, for example, to help ensure student computer labs are equipped with current hardware and software and to provide high-speed wireless access and connectivity to the internet. The technology fee is $8.00 per semester in the fall and spring and $5.00 in the summer and will only be used for student-related technology. Students who wish to be exempt from paying the Technology fee may submit a Student Opt Out Request form prior to the refund deadline for the applicable term.

TRANSPORTATION FEE:
All students enrolled in credit courses during the spring, summer, and fall semesters are subject to the fee. The transportation fee allows students to ride all of Omnitrans' fixed route bus services at no charge during the semester by using their Student ID card.

High school partnership students and students enrolled in zero-unit classes may opt to pay the transportation fee separately to take advantage of ridership services by submitting a Transportation Fee Opt-In form.

Ridership is valid as long as active enrollment is maintained. Privileges will end immediately if classes are dropped.

FALL 2023

PAYMENT CHART

All payments must be made within 3 calendar days (including holidays and weekends) from the date of registration. Partial payments are not accepted; balance due in full. Failure to pay will result in all classes dropped. Once the term has started, to prevent being blocked from further registration activity we strongly recommend immediate payment upon registration.

IF YOU REGISTER FOR A CLASS ON THE FOLLOWING DATE:	FULL PAYMENT IS DUE BY:
Monday, April 24, 2023	Thursday, April 27, 2023
Tuesday, April 25, 2023	Friday, April 28, 2023
Wednesday, April 26, 2023	Saturday, April 29, 2023

DURING THE LAST 3 DAYS OF REGISTRATION ALL FEES ARE DUE PRIOR TO THE START OF THE TERM.

Thursday, August 10, 2023 - Saturday, August 12, 2023	**Sunday, August 13, 2023**

METHODS OF PAYMENT

Visa, MasterCard, American Express, Discover, or mail in a check or money order payable to Chaffey College (include Chaffey ID number).

STEPS TO ENROLL

STEP 7
ATTEND FIRST CLASS MEETING

It is important that every student attend the first class meeting. Students who do not attend may lose their seats to other students who are in attendance, even if enrolled in the class.

Attendance

It is your responsibility to make sure that you are officially enrolled in the class. You are expected to attend every class meeting. If you cannot attend a class meeting, consult with the instructor of the class. **You may not continue to attend a class in which you are not enrolled.**

Dropping Classes

You can drop classes via the "Self-Service (Registration)" link in the MyChaffey Portal. Drop deadlines vary for each class and are available on your registration receipt. It is your responsibility to make sure classes are dropped. **Failure to attend a class does not constitute an official drop.**

Students who drop classes prior to the date census rosters are due will receive no entry on their academic records. Course drops processed after the census deadline and on or before 61% of the course will receive a "W" grade on the permanent record. Drops cannot be processed by a student or an instructor after 61% of the course has elapsed. Failure to drop a course may result in an "F" or "FW" grade on the student's record. Students are responsible for payment of fees; see Step 7 for more information on the refund policy.

OBTAIN YOUR TEXTBOOKS

CHAFFEY COLLEGE CAMPUS STORE

- http://books.chaffey.edu
- campusstore@chaffey.edu
- (909) 652-6560

THE CHAFFEY COLLEGE CAMPUS STORE

The Campus Store is dedicated to supporting the mission of the College, academic programs, and student life by providing a wide range of services including new, used, rental, and digital textbooks, supplies, art kits, food items, apparel, electronics, uniforms, and much more. Campus Store proceeds stay with the college and benefit Chaffey students.

Visit the Campus Store online for current and extended hours of operation, textbook availability and price comparisons, textbook buyback information, and more.

Grants and Scholarships

Chaffey College offers many grants and scholarships to help with purchasing materials from the Chaffey College Campus Store. Please be sure to check your Chaffey College issued Panther email for more information on book grants, scholarships and other CCSG events.

Textbook Reserves

Some textbooks are available on reserve for short-term checkout at campus libraries. Check online at the Library's website or contact one of the Chaffey College Library locations for more information.

OBTAIN YOUR PARKING PERMIT

FREQUENTLY ASKED QUESTIONS

Where can I purchase a parking permit?
When parking permits are required, they will be made available for purchase online via www.chaffey.edu.

How can I get a parking permit refund?
The parking permit must be returned to the Admissions & Records Office on or before the appropriate refund deadline date.

Can I park wherever I want with my parking permit?
No. Parking permits allow students to park in student spaces. Students are not permitted to park in any stall marked Staff, Visitor, or Reserved. No parking is allowed in any area that does not have a clearly marked parking stall.

Can I park in metered stalls with my parking permit?
Only if you pay the required meter fee. Any person parked in a metered stall must pay the correct fee, even with a valid parking decal. Metered stalls cost $0.25 for every 15 minutes with a limit of one hour.

What if I only have one or two classes a week and I don't want to purchase a parking permit?
You can purchase a daily parking permit from dispensing machines located in parking lots throughout the campus. One hour permits are $1.00 and full day permits are $4.00.

I ride a motorcycle. Do I have to buy a parking permit?
Yes. Motorcycle permits cost $20.

What if I drive a different car or just forget my permit?
You may obtain a temporary one day permit at the Campus Police Office with proper identification.

Why is parking so difficult on the Rancho Campus?
The first few weeks of a new semester are always the busiest. Try using alternate transportation such as carpooling or taking the bus. You can also try parking lots at the east or south end of the campus. Having a parking permit does not guarantee a parking space close to your destination and it is your responsibility to find legal parking.

For more information on parking regulations, please refer to the "Parking and Traffic Rules and Regulations" brochure available at the Campus Police office or online, or contact Campus Police at (909) 652-6632.

Are parking permits required?

Parking permits are typically required on the Rancho and Fontana Campuses, as well as the Chino Campus located on College Park. Permits are not required at the Chino Education Center on Central Avenue or the Chino Information Technology Center on Seventh Street.

In the event that parking fees and permits are not required for the term, students will be notified through their Chaffey College issued Panther email.

What hours are parking permits required?

Permits are required Monday through Friday 7:00am-11:00pm and Saturday 7:00am-3:00pm. Permits are not required on Sundays.

How much do parking permits cost?

Cost for a parking decal is $30 or $55 for the fall and spring semesters and $25 for the summer term.

ENSURE YOUR SUCCESS

STUDENT SUCCESS CENTERS

Chaffey's virtual and in-person student Success Centers provide free tutoring, workshops, conversation groups, and focused learning activities. Functioning as an "extension of the classroom," the Success Centers strategically design curriculum for every stage of the learning process.

For hours and more information, visit the Success Center webpage.

RANCHO SUCCESS CENTERS
STEM: Room MATH-121 · (909) 652-6452
English, Languages, Humanities, Business & Technology:
Room BEB-101 · (909) 652-6907 or (909) 652-6820

FONTANA SUCCESS CENTER
Room FNFC-122 · (909) 652-7430

CHINO SUCCESS CENTER
Room CHMB-145 · (909) 652-8150

SUPPLEMENTAL INSTRUCTION

Supplemental Instruction (SI) is a series of weekly study sessions facilitated by a trained student leader. Attendance is voluntary and open to anyone enrolled in the selected courses. The study sessions help students improve understanding of course material, develop study strategies, and prepare for tests. For more information, visit the Supplemental Instruction webpage or call (909) 652-6468.

DISABILITY PROGRAMS AND SERVICES

The Disability Programs and Services (DPS) office provides a variety of services to support student success in the classroom. Services vary based on the nature and severity of the disability. For more information, visit Disability Programs and Services online or call (909) 652-6738. Some example services include:

Counseling for Students with Disabilities

Classroom Services
- Peer note taking
- Tape recorder loan
- Sign language interpreters
- Assistance with test taking

Adapted Technology Services
- Assistive Technology Lab
- Text and print enlarging
- Computer-assisted reading and writing
- Text recording and e-text
- Text brailing

Mobility Services
- Courtesy trams
- Campus orientation

LIBRARY

The Chaffey College Library has branches at the Chino, Fontana, and Rancho sites. Visit the Library online or call (909) 652-6800 for current hours.

The Chaffey College Library provides access to over two dozen databases that include magazines, newspapers, journals, and encyclopedias in full-text format. These are available 24/7 via the Library homepage to current students, staff, and faculty at Chaffey College.

A valid Chaffey ID card in good condition is required for check-out of items, including reserve materials. Please consult our website or contact us for more information regarding our services and resources.

CÓMO EMPEZAR EN CHAFFEY COLLEGE

¿Quién es apto para asistir a Chaffey College?
Todos los graduados de la escuela secundaria, cualquier persona que tenga un certificado de aptitud o prueba de desarrollo educativo general (General Educational Development Test, GED), y cualquier persona que tenga al menos 18 años de edad pueden beneficiarse de un curso de estudio en Chaffey College.

¿Cómo solicito la admisión?
Complete una solicitud visitando www.chaffey.edu y seleccionando el enlace "Prospective Students" (Futuros estudiantes) en la parte superior de la página. Después, seleccione "Apply to Chaffey College" (Aplicar a Chaffey College) para crear una cuenta y comenzar su solicitud. La solicitud es gratuita.

¿Cuánto cuestan las clases?
Los costes de matrícula se cobran por unidad. Una clase típica es de 3 o 4 unidades.

- Residentes de California: $46 por unidad.
- Ciudadanos de EE. UU. y no residentes en California: $388 por unidad.

También hay una cuota de Servicios Médicos que cuesta $21 en otoño y primavera, y $18 en verano. Las cuotas de estacionamiento son de $55 en otoño y primavera y de $25 en verano, y son obligatorias en los campus de Chino (solo en College Park), Fontana y Rancho Cucamonga. En caso de que las cuotas y los permisos de estacionamiento no sean requeridos para el período, los estudiantes serán notificados a través de su correo electrónico Panther emitido por Chaffey College. Además, hay costes asociados a la compra de libros y materiales, que varían según la clase. Para obtener una lista actualizada de todas las cuotas de la matrícula, visite la página web de la Oficina de Caja.

¿Puedo obtener ayuda para cubrir los costes de las clases y otros gastos?
La oficina de ayuda financiera administra una serie de programas diseñados para ayudar a los estudiantes con recursos limitados a hacer frente a sus gastos educativos, incluida la "Beca Promesa Universitaria de California" (California College Promise Grant, CCPG; antes conocida como BOGFW) que exime de los gastos de matrícula, subsidios, becas y estudio de trabajo federal. Para ser considerado para cualquiera de estos programas, es necesario completar la Solicitud Gratuita de Ayuda Federal para Estudiantes (Free Application for Federal Student Aid, FAFSA), o la Solicitud Dream Act de California (California Dream Act Application, CADAA). Asegúrese de incluir el código institucional de Chaffey, **001163**, en su FAFSA.

¿Cómo puedo saber qué ofrece la escuela para planificar mi educación?
Asista a una orientación. La orientación incluye información sobre el colegio y sus programas y servicios, la colocación de medidas múltiples, el plan de educación e información importante sobre políticas y procedimientos. La orientación está disponible en línea a través del Departamento de Consejería, o llamando al (909) 652-6200 para inscribirse en una sesión. Debe completar la orientación y un plan educativo para recibir la mejor fecha de inscripción posible.

¿Cómo puedo inscribirme en las clases que quiero?
Puede inscribirse en las clases en la fecha de inscripción asignada o después de ella utilizando la inscripción en línea en https://my.chaffey.edu/. También puede inscribirse en persona en cualquiera de los campus de Chaffey College.

¿Qué debo hacer después de inscribirme?
1. Pagar las cuotas de matrícula. Al inscribirse, los pagos en línea se pueden hacer a través del portal MyChaffey. También se aceptan pagos en persona o por correo. Los métodos de pago aceptados incluyen tarjeta de crédito (VISA, MasterCard, Discover y American Express), efectivo, cheque o giro postal.
2. Conseguir sus libros de texto. Los libros de texto pueden comprarse o solicitarse a préstamo en las librerías del campus, o a través de la Tienda del campus en línea.
3. Asistir a las clases. Es importante que todos los estudiantes asistan a la primera reunión de clase. Los estudiantes que no asistan pueden perder su plaza en favor de otros estudiantes que sí asistan, aunque estén matriculados en la clase.

¿Qué otros servicios están a disposición de los estudiantes?
Hay muchos servicios disponibles para los estudiantes de Chaffey College. Algunos que están disponibles incluyen:

Asesoramiento académico
Los estudiantes disponen de asesores durante todo el año para ayudarlos a alcanzar sus objetivos académicos. Los asesores pueden diseñar un plan educativo para los estudiantes que los ayude a elegir el programa de estudios y las clases adecuadas para alcanzar sus objetivos. Para hacer una cita con un consejero, visite el Departamento de consejería en línea o llame al (909) 652-6200.

Programas y Servicios de Igualdad de Oportunidades (Equal Opportunity Programs and Services, EOPS)
EOPS es un programa financiado por el estado que les ofrece servicios de apoyo a estudiantes económicamente desfavorecidos que no han tenido éxito en la escuela secundaria o en la universidad. Los estudiantes que reúnen los requisitos disfrutan de una serie de servicios, como vales para libros, asesoramiento académico, pases de autobús y matrícula prioritaria. Visite EOPS en línea o llame al (909) 652-6349 para obtener más información.

Servicios médicos estudiantiles
Los servicios de salud estudiantiles están diseñados para ayudar a los estudiantes a lograr y mantener una salud física, mental y emocional óptima mediante la prestación de atención médica de calidad a un costo razonable. Cada semestre, la cuota de servicios de salud les permite a todos los estudiantes matriculados en la actualidad tener acceso a un médico, una enfermera con formación avanzada o un consejero matrimonial y familiar sin coste alguno. Todos los estudiantes tienen a su disposición diversos servicios, algunos de los cuales pueden ser de pago. Además de los servicios en persona que se prestan de lunes a viernes en la clínica de salud del campus de Rancho, se ofrece telemedicina médica y de salud mental las 24 horas del día, los 7 días de la semana. Para obtener más información, visite Servicios médicos estudiantiles en línea o llame al (909) 652-6331.

¿Cuáles son mis derechos ante la ley?
AB 540 Exención de Matrícula para No Residentes: un estudiante que califica para la exención de matrícula de no residente no tendrá que pagar la cuota de matrícula de no residente. Hay criterios específicos que deben cumplirse para una exención. Una lista de criterios y documentación requerida junto con una solicitud se puede encontrar en línea a través de la Página Web de Admisiones, o se puede obtener a través de la oficina de Admisiones y Registros.

POLÍTICA DE PREVENCIÓN DEL ACOSO SEXUAL

Es la política del distrito del Colegio Comunitaria de Chaffey proporcionarles a todos los estudiantes y empleados un ambiente educativo, de empleo y de negocios libre de toda forma de acoso, explotación, intimidación o avances sexuales no deseados, solicitudes de favores sexuales y otras conductas o comunicaciones verbales, visuales o físicas de naturaleza sexual como se definen y de otra manera prohibidas por la Ley de Empleo y Vivienda Justa de California, el Código de Educación de California y las normas, los reglamentos, los estatutos y las leyes estatales y federales que prohíben el acoso sexual y las represalias.

El distrito se opone firmemente al acoso sexual y prohíbe expresamente el acoso sexual de sus estudiantes y empleados por parte de profesores, gerentes, personal, estudiantes o miembros del público en general. El colegio tomará cualquier acción apropiada para prevenir, corregir y, cuando sea necesario, disciplinar el comportamiento inapropiado.

El acoso sexual deberá reportarse de inmediato al oficial de cumplimiento del distrito, Susan Hardie, directora ejecutiva, Recursos Humanos y Coordinadora del Título IX, Chaffey College, 5885 Haven Avenue, Rancho Cucamonga, CA 91737, teléfono (909) 652-6531, correo electrónico susan.hardie@chaffey.edu o a cualquier decano, director o gerente para su reporte inmediato al oficial de cumplimiento del distrito, o su designado. Se harán todos los esfuerzos para asegurar que se mantenga la confidencialidad.

DECLARACIÓN DE IGUALDAD DE OPORTUNIDADES/NO DISCRIMINACIÓN Y PROHIBICIÓN DE ACOSO

El distrito del Colegio Comunitaria de Chaffey se compromete a proporcionar igualdad de oportunidades educativas y de empleo. El distrito afirma su compromiso con las políticas que incluyen un trato justo y equitativo de los estudiantes y empleados, prohíbe la discriminación en su admisión, el acceso, el tratamiento en los programas, las actividades de la universidad, la solicitud y el tratamiento en el empleo de la universidad sobre la base de raza, religión, color, sexo (incluidos el género, la identidad de género, la expresión de género, el embarazo, y la lactancia materna), orientación sexual, origen nacional, ascendencia, estado civil, edad, afección médica, características genéticas o información, militar y condición de veterano, discapacidad física o mental o la percepción de que una persona tiene una o más de estas características percibidas, o sobre la base de la asociación con una persona o grupo con una o más de estas características reales o percibidas.

De acuerdo con las regulaciones del Título IX, el distrito ofrece igualdad de oportunidades académicas, ocupacionales y extracurriculares sin importar el sexo/género del individuo. La oficial de cumplimiento del Título IX, Susan Hardie, directora ejecutiva de recursos humanos, puede contactarse al (909) 652-6531 o por correo electrónico a susan.hardie@chaffey.edu, o en 5885 Haven Avenue, Rancho Cucamonga 91737. El distrito, autorizado bajo la ley federal a matricular estudiantes no inmigrantes y extranjeros, y, de acuerdo con las regulaciones del título 5, afirma que la falta de conocimiento del idioma inglés no será una barrera para la admisión y participación en los programas del distrito.

Las personas que buscan información o resolución de presuntos actos de discriminación ilegal, represalias o acoso se dirigen a ponerse en contacto con el oficial de cumplimiento del distrito, Susan Hardie, directora ejecutiva, recursos humanos y coordinadora del título IX, Chaffey College, 5885 Haven Avenue, Rancho Cucamonga, CA 91737-3002; teléfono (909) 652-6531 o correo electrónico susan.hardie@chaffey.edu.

ADDITIONAL INFORMATION

SPECIAL STUDENT CLASSIFICATIONS

HIGH SCHOOL DUAL ENROLLMENT

High school students may enroll at Chaffey College through Dual Enrollment to pursue advanced scholastic or vocational education [Education Code 48800(a)]. All high school, private, and home-schooled students attending Chaffey for the first time must complete an online application, the Dual Enrollment Agreement, and Waiver of Liability Form (if applicable). Private and home-schooled students must provide official high school transcripts showing their most recent grade level. Continued enrollment in subsequent semesters will only require the Dual Enrollment Agreement and Waiver of Liability, if applicable.

Students who attend a local district high school should submit the electronic Dual Enrollment Form. This form will be automatically routed directly to the high school and returned to Chaffey Admissions and Records once approved. Students eligible to submit the electronic form do not need to submit the additional Waiver of Liability Form. NOTE: If a high school is not listed in the drop-down menu on the form then the student will need to submit a PDF Agreement and Waiver of Liability Form.

Students who attend a private school or are home-schooled must submit the PDF version of the Dual Enrollment Agreement and the Waiver of Liability Form, available online. The student will be responsible for obtaining the required signatures from the principal/designee of the high school to approve the requested course. Home-schooled students must also submit a valid Home School Affidavit from the California Department of Education.

High school students are eligible to enroll in any approved courses except those that are remedial in nature (courses numbered 500-599) or KINACT (PE activity) courses. Students may enroll in KINLEC lecture courses with permission from the high school. Select seniors may be eligible to enroll in KINTM team courses if recruited by a Chaffey coach. An official letter from the coach will be required at time of registration.

Students may take up to 11 units in fall and spring semesters, and 6 units in summer, from the list of approved courses on the Dual Enrollment Agreement for that term.

Enrollment, health, and college service fees are waived for Dual Enrollment students. Other costs (e.g., materials fees, transportation, technology, and student representation fees, books, and parking) must be paid by the student. Students enrolling in 12 or more units in a semester will lose special-admit status and will be responsible for payment of all assessed fees. Students residing out of state will be responsible for payment of all assessed fees, including nonresident and capital outlay fees.

CTE Career Transitions

High school/ROP students who attend Career Technical Education (CTE) courses articulated with Chaffey College may be able to earn advanced placement or college credit. For additional information contact your counselor or career technician or email act.staff@chaffey.edu.

For more information about Dual Enrollment, visit the Dual Enrollment webpage. For information on placement, orientation, and counseling, visit the Counseling Department webpage.

PUENTE PROJECT

An outgrowth of the Puente Project founded in 1981 at Chabot College in Hayward, the Puente Project is designed to provide individual assistance to students interested in transferring to four-year colleges and universities. Puente students are provided with intensive English instruction, focused personal counseling, introductory tours of UC and Cal State campuses, and helpful personal mentoring. Every element is an essential part of the Puente experience.

Prospective students must be eligible for English 1A at the time of application, and must write an essay describing their academic and career goals, and how participation in Puente would assist their success. Applications and essays are evaluated by the Puente program faculty, who select 30 students each year for participation in the program.

More information and application forms are available in the Counseling Department at the Fontana Campus and online at the Puente Project webpage.

VETERANS

Active Duty Service Members Prior to Enrollment

You are required to speak with your Educational Services Officer (ESO) or counselor within your military service prior to enrolling at our institution. The ESO and related staff can assist in providing information and options regarding furthering your education. After meeting with your ESO or related counselor, Chaffey College is happy to further discuss educational pathways, enrollment options, and related information.

VA Education Benefits

All veterans and eligible dependents who wish to receive VA Education Benefits while attending Chaffey College are required to meet with the Veteran Certifying Official to begin the process. Official transcripts of all previous college coursework must be submitted to the college for evaluation. Completing new student orientation and the placement process is required. For more information on veterans' benefits, please visit the Veteran Services webpage. Veterans interested in using the Post 911 GI Bill®, please contact the Department of Veterans Affairs at (888) 442-4551 or visit the GI Bill® website at www.gibill.va.gov for more information. Veterans are welcome to visit our Veterans' Resource Center in AD-125.

The Veterans Administration (VA) specifies a minimum load for educational benefits (these apply to full-term classes only; see Veterans Certifying Official for information regarding short-term classes). Please note: the unit ranges noted below are for non-Chapter 33 benefits:

Status	Fall & Spring	Summer
Full-time	12 or more units	Unit Requirements
Three-fourth time	9-11.5 units	Contact the
One-half time	6-8.5 units	Veterans Resource
Less than half-time	Less than 6 units	Center

Before the semester begins, students are allowed 3 calendar days (including weekends and holidays) from the date of registration to submit full payment. If payment is not received within the 3 calendar days, students will be dropped for non-payment. For payment deadlines, please refer to the Payment Chart in this Schedule of Classes. **Students with veteran benefits including active duty or dependent eligible for VA Chapter Benefits 31 and 33 will have their fees deferred while being certified by the VA and the Veteran Services office and no late fees shall be incurred.** The veteran, active duty or dependent eligible for chapter benefits 31 and 33 will need to provide a Certificate of Eligibility, a Statement of Benefits, or VA Authorization Notification form either before or during the first semester of benefits. Please see 38 USC 3679(e) for complete details.

Veterans and active duty service members are eligible for priority registration. Students requesting priority registration must submit a DD214 Member-4 copy showing type of discharge or an active military ID as proof of service. Students are not required to use Veterans Education benefits to receive priority registration. You may submit your military documentation to the Veterans Resource Center at the Rancho Cucamonga campus or the Admissions and Records Office at the Chino and Fontana campuses. For more information, please visit the Veteran Services webpage.

ACADEMIC MATTERS

AUDITING COURSES

Auditing may be permitted on a space available basis, solely at the discretion of the instructor. Once audit enrollment is completed, no student will be permitted to change his/her enrollment to receive credit. Conversely, a student is not permitted to change his/her enrollment from credit to audit. No course credit or grade is received for an audited class, nor does the college maintain any attendance or transcript records. Priority in class enrollment shall be given to students desiring to take the course for credit; therefore, enrollment for audit purposes will not be permitted until the class has met at least once. The instructor's approval is required to audit a class. If a student is enrolled only in the class(es) being audited, that student can obtain a photo ID card and will have access to labs and Success Centers at all locations, but will not have access to the library book check-outs or online library resources. High school students are not eligible to audit courses. The cost to audit a course is $15.00 per unit. For additional information, contact Admissions and Records at (909) 652-6600 or admissions@chaffey.edu.

CHANGE OF ADDRESS/PHONE NUMBER

It is the student's responsibility to maintain a current email address, physical address, and telephone number(s) in the MyChaffey Portal. Changes can be made online in the portal via the Address Change link or in person in the Admissions and Records Office at any Chaffey campus. For additional information, please contact the Admissions and Records Office at (909) 652-6600 or admissions@chaffey.edu.

CREDIT BY EXAMINATION

A student may challenge certain courses for Credit by Examination. Applications are available in the Admissions and Records Office. Grading is on a pass/fail basis only, there is a $25 per test fee that must be paid in advance, and the student must certify that they have not previously attempted examination for credit in the course. Additional criteria must also be met; those criteria can be found in the college catalog, which can be accessed by visiting www.chaffey.edu.

ENROLLMENT VERIFICATION REQUESTS

Enrollment Verification forms can be presented to health insurance agencies, housing authorities, consumer product companies, banks, etc. to provide evidence of official enrollment at Chaffey College.

A student may request enrollment verification from the Admissions and Records Office at any Chaffey campus location. Enrollment verifications are processed while the student waits.

Requests that require completion of additional forms may take up to 24 hours to process. Requests made in Chino and Fontana will require additional processing time. Please check with the Chino and Fontana Admissions & Records Office before making your request. Students may request up to two enrollment verifications at no charge. Subsequent verifications are $5.00 each.

GRADING

Letter Grading: Plus and Minus Symbols

Effective Fall Semester 2002, plus and minus symbols will have the following point values attached:

A+	4.0 points	C+	2.3 points
A	4.0 points	C	2.0 points
A-	3.7 points	D+	1.3 points
B+	3.3 points	D	1.0 points
B	3.0 points	D-	0.7 points
B-	2.7 points	F	0 points

Pass/No Pass Grading: Courses that are Pass/No Pass Only or provide students the option of selecting Pass/No Pass in lieu of a letter grade are so designated in the schedule description. Courses without such information are letter grade only. Pass/No Pass must be elected before the last day to add for the session.

Petitions for Grade Changes

Students have two (2) years following the semester in which a questioned grade was recorded to request a change of grade. A petition is required to change a failing grade to W, EW, or to remove grades. To dispute an assigned grade, contact the instructor or appropriate department coordinator. Grades are no longer subject to change after the two-year limit.

Access to Grades

Students may access grade information for the term just completed by visiting the MyChaffey Portal. Please allow 10 business days after the last day of instruction for processing.

DEGREES AND CERTIFICATES

The deadline to apply for fall degrees and certificates is November 17.

To participate in the May 2024 commencement ceremony, you must receive your degree or certificate in summer 2023, fall 2023, or spring 2024.

Apply for graduation online by logging onto MyChaffey Portal. For graduation verification and application assistance contact the Counseling Department at (909) 652-6200 or counseling@chaffey.edu.

Degree candidates must complete 60 degree-applicable semester units with a minimum 2.0 degree applicable cumulative grade point average (GPA), and must meet all graduation requirements as stated in the Chaffey College Catalog. Students with a cumulative 3.5 GPA or above in degree applicable units will graduate with honors. The GPA for honors at commencement is computed after the fall semester grades are recorded on the transcript.

NON-TRADITIONAL CREDIT

Students may be eligible to receive college credit by passing a written examination or demonstrating proficiency via another approved method that shows mastery of a course's objectives. Approved testing methods include Credit for Prior Learning, College Level Examination Program (CLEP), College Entrance Examination Board Advanced Placement (AP) and International Baccalaureate (IB) tests. Unit credit is recognized for AP tests in which a score of 3, 4, or 5 is awarded; more information is available in the Counseling Office. Refer to the college catalog for more nontraditional credit information.

TRANSCRIPTS

Chaffey College has appointed Parchment as the designated agent for processing and sending official transcripts on behalf of Chaffey College. The PDF transcript that is produced using this service contains the identical information as the printed transcript and can be certified as unaltered by uploading the file to the company's website that is provided during the delivery process. Parchment has been granted the authority to deliver all such electronic transcript requests on behalf of Chaffey College and respond to any inquiries regarding the transactions. Students will be given an option to select the PDF transcript or the standard printed transcript during the ordering process.

To order a transcript, visit Chaffey's Parchment order form online.

Unofficial Transcripts

For a printout of unofficial transcripts, go to the MyChaffey Portal, click the "Self-Service (Registration)" link under the Shortcuts panel, then click the menu icon to the left of the Chaffey College logo, then click on Academics and select Unofficial Transcript from the drop-down menu.

Unit Evaluation

A unit evaluation determines the total number of degree applicable units that Chaffey College will accept. It is **not** a course-by-course evaluation and **does not** clear prerequisites. Students who submit transcripts prior to enrolling at Chaffey will need to submit a Unit Evaluation Request Form once enrollment has been completed. The only students who require an immediate unit evaluation are veterans and those who are applying to the ADN and RT programs. If you are a veteran or are applying to the ADN or RT program and need a unit evaluation, please contact the Admissions and Records Office at (909) 652-6600 or admissions@chaffey.edu for details. The evaluation will be completed in approximately 10 business days from the date the Unit Evaluation Request form is received in the Admissions and Records Office. Health Science evaluations will be expedited only during the application period for the program.

Students who are not part of the above-mentioned groups may request a unit evaluation beginning the fourth week of the fall or spring semester. For summer, Unit Evaluation Requests will be accepted throughout the duration of the term. The process may take 4-6 weeks, depending on workload. Contact the Admissions and Records Office at (909) 652-6600 or admissions@chaffey.edu for more details.

Official Evaluation of Credit Completed at Other Schools

Students who have completed coursework at other institutions and wish to obtain a degree or certificate from Chaffey College or transfer to a CSU or UC, may request an official evaluation through the Counseling Department. To have your general education coursework from another college evaluated:

1. Submit official transcripts from other schools to Admissions and Records electronically, by mail, or in person;
2. Allow a minimum of 10 business days for the transcripts to be received and processed at Chaffey College;
3. Complete the Request for Transcript Evaluation form.
4. The evaluation is a two-step process. You will receive two separate emails once each part is completed.
5. After receiving a confirmation email that your transcripts have been evaluated, log into Cranium Café to book an online appointment with a counselor.

Transcript Evaluation Services for Foreign Transcripts

Chaffey College accepts the following Transcript Evaluation Services for foreign transcripts:

- Academic and Professional International Evaluations, Inc.
- Academic Credentials Evaluation Institute
- American Education Research Corporation (AERC)
- Educational Credential Evaluators, Inc.
- Educational Records Evaluation Service
- Institute for International Credentials Evaluation at CSU Fresno
- International Education Research Foundation, Inc. (IERF)
- SpanTran: The Evaluation Company
- World Education Services, Inc. (WES)

Note: Credits from an evaluation service are counted as earned credits only. Grade point averages from foreign institutions are not included on the Chaffey academic transcript. For specific information, contact the Admissions and Records Office.

LIMITATIONS ON ENROLLMENT

Prerequisites and Enforcement

When a course has a prerequisite, it means that a student must possess a certain body of knowledge to be successful in the course. The preexisting knowledge may be a skill, an ability, a placement preparation score, or successful completion of a course. Completion of a prerequisite course requires a grade of C or better, CR (credit) or P (pass). A grade of "C-" is not acceptable for completion of a prerequisite/corequisite course.

When a course has a corequisite, it means that the student is required to take a course at the same time as another course. Knowing the information presented in the corequisite is considered necessary for the student to be successful in the course.

Chaffey's registration process allows for automated prerequisite/corequisite checking. Students attempting to enroll in the computer-checked courses will be blocked from registration if they do not meet the specified prerequisites. Students are responsible for meeting prerequisites as stated in the schedule of classes and college catalog. See a counselor for assistance in determining eligibility for a specific class.

Any student who has completed prerequisite and/or corequisite courses at another college or in high school must submit official transcripts to the Admissions and Records Office. A Request for Prerequisite/Corequisite Validation form must be completed and submitted to the Counseling Department. The student will be unable to register for specific courses if prerequisites are not met. The student will receive notification by email or mail within a week upon processing.

Students who are enrolled in the prerequisite course at Chaffey at the time of their registration will be permitted to enroll in the subsequent course. Students who do not pass the prerequisite course with at least a grade of C or do not complete the prerequisite course will be dropped prior to the start of classes by the Admissions & Records Office.

Any student planning to clear a math prerequisite for a math course by using their high school transcript must complete a challenge form. See prerequisite/corequisite challenge instructions for more details.

Prerequisite/Corequisite Challenge:

Prerequisites for courses will be enforced according to college policy. Students have the right to challenge prerequisites on the following grounds:

1. A prerequisite for a course necessary for graduation, transfer, or a certificate is not offered and the unavailability of that prerequisite poses a hardship.
2. The prerequisite has not been validated.

3. The student has the knowledge or ability to succeed in the course despite not meeting the prerequisite.
4. The prerequisite is discriminatory or being applied in a discriminatory manner.

The student must provide appropriate documentation when filing a challenge. Documentation may include, but is not limited to, high school or college transcripts, additional test results, work experience, or writing sample. Prior enrollment in the course does not exempt a student from the current prerequisite of that course. Students challenging a prerequisite must submit a Prerequisite/Corequisite Challenge form. The form must be filed in the Counseling Department up to one week prior to the beginning of each term.

Prerequisite/Corequisite Challenge Process:

1. Meet with a counselor in the Counseling Department to assess whether you will benefit from the challenge process. The Counseling Department designee will enter the prerequisite/corequisite course within 48 hours. This will allow you to register in the course.
2. Complete the Prerequisite/Corequisite Challenge form linked below and attach documentation to establish your right to challenge this prerequisite/ corequisite request. Examples of documentation include official high school and/or college transcripts, international transcripts, certificates, test scores, etc. All official transcripts must be on file with Admissions and Records.
   a) Identify the course in which you wish to register and the prerequisite/corequisite you wish to challenge.
   b) If you are attempting to use high school coursework to meet a course prerequisite, submit your high school transcript to Admissions and Records in order to verify the coursework completed.
3. Register during the registration period. (Refer to class schedule for the last day to add.)
4. The Counseling Department staff will submit the Prerequisite/Corequisite Challenge form with documentation to the referral area (school/department indicated on the form).
5. The department coordinator will resolve the challenge within five (5) business days.
6. For approved challenge decisions, you will be notified by email and you will be allowed to remain in the class.
7. For denied challenge decisions, you will be notified by both phone and mail, the Counseling Department designee will remove the prerequisite/corequisite course entered on your record, the Admissions Office will drop you from the class, and the Cashier's Office will process your refund.
8. If you wish to appeal the denied decision, you may do so by contacting the Dean in the school/department for the prerequisite you have challenged.

The Prerequisite/Corequisite Challenge form is available online. Additional information is available through the Counseling Department webpage. Questions should be directed to the Counseling Department at counseling@chaffey.edu or by joining the Counseling Staff Support Lobby online.

Corequisites

When a course has a corequisite, it means that a student is required to take a course at the same time as another course. Knowing the information presented in the corequisite course is considered necessary for a student to be successful in the course. Students wishing to challenge a corequisite should follow the same procedure for challenging a prerequisite.

Limitation on Enrollment

A limitation on enrollment is a non-course requirement for entry into a course or educational program, without which a student will not be permitted to remain in the selected course or program. These requirements are frequently (but not always) driven by health and safety regulations and/or mandates by outside accrediting/licensing agencies.

Advisory

An advisory is a condition of enrollment that a student is advised, but not required, to meet before or in conjunction with enrollment in a course or educational program. Since an advisory is not required, students will not be blocked from enrolling in a class if they do not meet the conditions of the advisory.

STUDENT RIGHTS, RESPONSIBILITIES AND EXEMPTIONS

Student support services at Chaffey College are intended to assist students in establishing appropriate educational goals and to provide support services to help them achieve these goals. Students are provided placement in English and math courses, orientation, counseling, an education plan, and follow-up services. New students should complete the placement process and orientation prior to registering for classes.

Students Rights and Responsibilities

Students are entitled to certain rights under matriculation procedures. These rights include: being informed of any district investigations of complaints challenging matriculation regulations; being provided alternative services according to language or disability needs; and filing a complaint of unlawful discrimination if they feel the placement process, orientation, counseling or any other matriculation procedure is being applied in a discriminatory manner.

Matriculation requirements also include certain student responsibilities. Upon admission to the college, students must express a broad educational goal and provide transcripts from previous college work. They must complete the placement process and orientation prior to registering for classes and must develop a comprehensive Student Education Plan (SEP) with a counselor within their first six months at Chaffey. Students are responsible for attending class, completing their assignments and coursework, and maintaining progress toward their educational goal.

Exemptions and Refusal

Students may be exempt from matriculation services if they:

- Have earned an associate degree or higher (diploma or transcripts required), or
- Have completed certain coursework at another college (transcripts required), or
- Will enroll in one course only, with no intention of earning a degree at Chaffey, or
- Will enroll in performance/activity courses only.

Students have the right to refuse matriculation services and choose not to participate in the placement process, orientation, and/or counseling. A student wishing to be exempt from these services based on one of the above criteria or wishing to decline participation must contact the Counseling Department to complete the necessary documentation. Students concurrently enrolled in high school and participating in High School Dual Enrollment are not eligible for exemptions and cannot refuse matriculation services. Students refusing services and concurrently enrolled high school students are not eligible for priority registration.

PHOTO ID CARDS

All enrolled students are eligible for a Chaffey College photo ID card. Photo ID cards are required for use of labs, library, and other services. Students must be currently enrolled and have paid all outstanding fees in order to receive a Photo ID or reprint. Photo IDs are issued while you wait in the Admissions and Records Offices at the Rancho, Chino, or Fontana campuses.

Photo IDs may now be requested online through the Student ID form on the MyChaffey Portal. Students may upload a personal photo to the order form and request the ID card be picked up or sent by U.S. mail.

Photo ID Re-Print Policy

Re-prints are available at no cost on Thursdays only during regular business hours. There is an $8 rush fee for reprints processed on any day other than Thursday.

In person

- Complete a Photo ID request form.
- Show proof of government-issued photo ID.
- Pay all fees due to the college.

Online

- Pay all fees due to the college.
- Complete the Photo ID request form on the MyChaffey Portal.
- Select Pick Up Mail option, then Submit.
- The photo on file will be used to create the duplicate card. If an alternate photo is submitted it will be used only if Admissions and Records determines there has been a significant change in the student's appearance.

Note: All picture submitted for Photo ID purposes must adhere to the guidelines outlined above. Admissions and Records reserves the right to reject any photo that is inappropriate or does not meet the above standards.

PROXY TRANSACTIONS AND IDENTIFICATION REQUIREMENTS

A student who is unable to initiate a transaction may designate an appointed person to complete the transaction by submitting a Proxy Transaction Form. Proxy forms are available in the Admissions and Records Office.

The Proxy Transaction form must include all of the following: student's full name, Chaffey ID number, and date of birth; name of the appointed person; a description of the transaction needed; signature of the student; and a copy of the student's picture identification with a signature. (Ed Code 76243)

The appointed person will be required to provide photographic identification before the transaction can be completed. With the exception of "rush" transcripts and enrollment verifications, Admissions and Records will mail a copy of the requested transaction directly to the student; a copy will not be released to the appointed person.

RELEASE OF INFORMATION

Students who wish to make their information available to parents or other designated individuals may file a Release of Information Form with the Admissions & Records Office. The authorization is valid until revoked in writing and covers only the educational records specified by the student. This form is for educational records protected under FERPA and is not valid for medical or other records protected under HIPAA or other privacy laws.

REGISTRATION DATE ASSIGNMENT

Registration priority will be assigned in the following order:

1. Students who have completed orientation, the placement process, and an education plan, and are enrolled in and receiving services from an eligible priority group as defined by Education Code 66025 and title 5, section 58108.
2. Students who have completed orientation, the placement process, and an education plan. Continuing and returning students must also be in good academic standing.
3. Students who fail to meet one or more eligibility requirements.
4. Students who have completed more than 100 units.
5. High school students.

COURSE REPETITION

Repetition of courses is allowed in certain circumstances (title 5, 55040-55046, 58161, 58161.7 and Chaffey College Board Policy).

Course Repetition in a Non-Repeatable Course

1. Students who received a satisfactory grade ("A", "B", "C", "CR", or "P") may not normally repeat the course. Exceptions exist for significant lapse of time, extenuating circumstances, and legally-mandated training requirements as a condition of continued paid or volunteer employment (see exceptions below for details). Such exceptions require a petition, available from the Admissions and Records Office.
2. Students who have received an incomplete grade ("I") may not repeat the course. Required coursework must be completed within one year, or the "I" grade will default to an alternate grade indicated by the instructor (usually substandard).
3. Students who have received an In-Progress grade ("IP") must repeat the course by enrolling in it in the subsequent term (excluding summer). Coursework must be completed in that semester or the "IP" grade will default to an alternate grade indicated by the instructor (usually substandard). "IP" grades are issued for open-entry classes that extend past the end of the term or team-sports that have seasons that overlap semesters. The IP grade issued in the first semester will remain on the student's transcript and the course grade will be recorded in the subsequent term.
4. Students who have received an unsatisfactory grade ("D", "F", "FW", "NC", or "NP") or have withdrawn from the course ("W") may repeat the course once. If unsuccessful in the second attempt, the student must file a petition to be considered for a third attempt at the course. Petitions are available in the Admissions and Records Office. The academic dean over the subject area being petitioned evaluates and approves/denies each petition on a case-by-case basis. The Admissions and Records Office reserves the right to deny a petition that does not meet the standards set by title 5 of the California Code of regulations.
5. Students who have withdrawn for verified military service - military withdrawal ("MW"), or petitioned for an excused withdrawal ("EW"), may repeat courses from which they have withdrawn. The MW and EW grades do not affect GPA, nor do they count toward the permitted number of repetitions. The college's course repetition policy concerning military withdrawal may be different from that of the Veterans Administration. Students receiving Veterans' educational benefits should check with the Veterans Certifying Official in the Veteran's Resource Center before repeating any course.

Course Repetition in a Repeatable Course

Only courses involving Intercollegiate Academic or Athletic competition are repeatable (title 5, section 55041). These courses are identified as repeatable in their description and may be taken a maximum of four times (repeated three times).

1. All attempts at a repeatable course count in the limitation on repeats, including any that result in an unsatisfactory grade ("D", "F", "FW", "NC" and "NP") or a withdrawal annotation ("W") on the student's permanent record.

2. When a repeatable course is taken and a substandard grade ("D", "F", "FW", "NC", and "NP") is earned, a student may elect to have the satisfactory grade earned in the first subsequent repeat of the course alleviate the substandard grade. Forms for this election are available in the Admissions and Records Office.

Exceptions to Repetition Restrictions:
Significant Lapse of Time: A student may petition to repeat a course that is not designated as repeatable and in which he or she has received a satisfactory grade ("A", "B", "C", "CR", or "P") when:

1. there has been a significant lapse of time of no less than 36 months since that grade was obtained, **and**
2. the district has properly established a recency prerequisite for a course or program, or another institution of higher education to which the student seeks to transfer has established a recency requirement which the student will not be able to satisfy without the course in question (title 5, section 55043).

Extenuating circumstance: A student may petition to repeat a course in which the previous grade is, at least in part, the result of extenuating circumstances (verified cases of accidents, illness, or other circumstances beyond the control of the student) (title 5, section 55043).

Legally-Mandated Training Requirement: A student may petition to repeat a course in which a satisfactory grade was previously earned and such repetition is necessary due to a change in industry licensure standards such that repetition of the course is necessary for employment or licensure.

RESIDENCY DETERMINATION

Residency status for tuition purposes is determined at the time of application. Students determined to be non-resident at the time of application are notified by email with instructions to complete a Residency Questionnaire (title 5, sections 54012, 54045.5) and contact the Admissions and Records Office.

Resident: A person not precluded from establishing residence in California who has resided in California for at least one year and one day prior to the first day of instruction for the term. Any person who has lived in California for less than two (2) years must clearly demonstrate the following:

- Intent to make California his/her permanent residence (title 5, section 54024)
- Physical presence in California for at least one year and one day immediately prior to the first day of instruction for the term. (title 5, section 54022)

Physical presence within the state solely for educational purposes does not constitute establishing California residence regardless of the length of that presence.

Non-Resident: (a) a citizen or permanent resident of the United States but a resident of California for less than one year on the day before the first day of instruction for the term; (b) a person who is neither a citizen nor permanent resident of the United States.

Persons who are not citizens or permanent residents of the United States who wish to enroll at Chaffey College should contact the Admissions and Records Office for further information.

Reclassification of Residency: Students who have been classified as non-residents are not automatically reclassified as residents. A student seeking reclassification as a resident must meet the requirements for intent, physical presence, and financial independence in accordance with Education Code section 68044. Residency regulations clearly state that the burden of proof of residence rests upon the applicant or student. To verify your residency status, please contact the Admissions and Records Office at (909) 652-6600 or admissions@chaffey.edu.

AB 540 Non-Resident Tuition Exemption Request: A student who qualifies for the Non-Resident Tuition Exemption will not have to pay the non-resident tuition fee. The qualifications for the waiver are stated below.

A student other than a non-immigrant alien within the meaning of paragraph (15) of subsection (a) of Section 1101 of Title 8 of the United States Code, who meets all of the following requirements shall be exempt from paying nonresident tuition at Chaffey College:

Requirement 1: Attendance at California schools.
Two paths (Education Code 68130.5(a)(1)):

1. Total attendance (or attainment of credits earned) in California equivalent to three or more years of full-time attendance at California high schools, California high schools established by the State Board of Education, California adult schools (established by a county office of education, a unified school district or high school district, or the Department of Corrections and Rehabilitation), campuses of the California Community Colleges, or a combination of these; or
2. Three or more years of full-time California high school coursework, and a total of three or more years of attendance in California elementary schools, California secondary schools, or a California elementary and secondary schools.

Full-time attendance at a California community college means either 12 units of credit per semester (or quarter equivalent per year) or a minimum of 420 class hours per years (or semester of quarter equivalent per year) in non-credit courses authorized by Education Code 84757. Attendance in credit courses at a California community college counted towards this requirement shall not exceed a total of two years of full-time attendance (Education Code 68130.5, subds. (a)(1)(C)(i), (a)(1)(C)(ii)). Full-time attendance at a California adult school means a minimum of 420 class hours of attendance for each school year in classes or courses authorized by Education Code 41976, or Penal Codes 2053 or 2054.2 (Education Code 68130.5(a)(1)(C)(i)).

Requirement 2: Completion of a course of study.
This requirement may be met in any of the following ways:

- Graduation from a California high school or equivalent.
- Attainment of an associate degree from a California community college.
- Fulfillment of the minimum transfer requirements established for the University of California or the California State University for students transferring from a California community college (Education Code 68130.5(a)(2)).

Requirement 3: Registration.
Requires registration as an entering student at, or current enrollment at, an accredited institution of higher education in California (Education Code 68130.5(a)(3)).

Requirement 4: Affidavit of student without lawful immigration status.
Students without lawful immigration status must file an affidavit with their college or university stating that the student has either filed an application to legalize his or her immigration status, or will file an application as soon as he or she is eligible to do so (Education Code 68130.5(a)(4)).

A student who meets the qualifications for the Non-Resident Tuition Exemption Request is not a resident of the state of California until he or she meets physical presence and intent requirements as stated in the "Residency Determination" section above. Therefore, students

may not be eligible for any federal or state supported financial aid. There are two types of non-resident students: a non-resident U.S. citizen and a non-resident alien (or non-citizen). Non-resident U.S. citizens may not be eligible for state supported financial aid. A nonresident alien may be eligible for state financial aid. Contact the Financial Aid Office for more information at (909) 652-6199 or financialaid@chaffey.edu .

Special Immigrant Visas: Education Code section 68075.6 grants an immediate nonresident tuition fee exemption to eligible Special Immigrant Visa (SIV) holders and refugee students who settled in California upon entering the United States. This exemption is granted for one year from the date the student settled in California upon entering the United States.

The exemption applies to the following:

- Iraqi citizens or nationals (and their spouses and children) who were employed by or on behalf of the United States Government in Iraq (Pub. L. No. 110-181, section 1244)
- Afghan and Iraqi translators (and their spouses and children) who worked directly with the United States Armed Forces (Pub. L. No. 109-163, section 1059)
- Afghanistan nationals who were employed by or on behalf of the U.S. government or in the International Security Assistance Force (ISAF) in Afghanistan (Pub. L. No. 111-8, section 602)
- Refugee students admitted to the United States under section 1157 of Title 8 of the United States Code

STUDENT SERVICES

ATHLETICS

Chaffey Community College participates in the following sports:

Men: Football, Basketball, Swimming, Baseball, Cross Country, Soccer, and Water Polo

Women: Volleyball, Basketball, Swimming, Softball, Cross Country, Soccer, and Water Polo

Twelve units of course work are required for participation. See the athletic counselor located in the GYM-126 for eligibility requirements.

CalWORKs PROGRAM FOR PARENTS

CalWORKs (California Work Opportunity Responsibility to Kids) Program for Parents is a program that supports students who receive public assistance (cash aid) while attending Chaffey College. Program staff are here to help students succeed in their educational and career goals through services such as: developing a comprehensive educational plan, priority registration, CalWORKs Work Study and job placement, work readiness support, personal and professional development workshops, assistance with completing county documentation related to their education, advocacy for their continued education and success, referrals for additional academic support, and many more services. The office for the CalWORKs Program for Parents is located in the Administration building, Room 190. For more information visit the CalWORKs webpage or call (909) 652-6045.

CAREER CENTER AND STUDENT EMPLOYMENT OFFICE

The Career Center is located on the Rancho Cucamonga campus in MACC-203. Office hours are Monday through Wednesday, 8:00am – 4:30pm, Thursday, 8:00am-6:30pm, and Friday, 8:00am-4:00pm. Career counseling appointments and career assessments are available to assist Chaffey College students and alumni in formulating their career goals. The Career Center also provides workshops on a variety of career-related topics. For more information visit the Career Center webpage, email careercenter@chaffey.edu, or call (909) 652-6511.

The Student Employment Office manages Chaffey's online career services portal and offers a variety of employer services to local organizations including job announcements and on-campus recruiting opportunities. This office also serves as the personnel office for all on-campus student positions and provides assistance with hiring paperwork, employment verifications, and trainings. All new student employees must complete their personnel documents and submit them to this office prior to their first day of work. The Student Employment Office is located within the Career Center, in MACC-203, and can be contacted during normal business hours at (909) 652-6511.

Student Employment Program Eligibility Requirements

Chaffey College is a learning-centered environment where student success is highly valued, supported, and assessed. As such, the Student Employment Office monitors the academic success of current student employees and enforces the following procedures:

To apply for student employee positions, students must be enrolled in at least 6 units for fall and spring semesters or 3 units for summer sessions. Applicants must also have a cumulative GPA of at least 2.0 at the time of application.

While employed, student employees must maintain enrollment in at least 6 units during fall and spring semesters (summer enrollment is not required) and a cumulative GPA of at least 2.0. Failure to maintain the required enrollment and/or GPA requirement will result in termination of the student employee's position.

CENTER FOR CULTURE AND SOCIAL JUSTICE

The Center for Culture and Social Justice (CCSJ) is a culturally conscious safe-haven dedicated to cultivating socially responsive leaders. Unwaveringly committed to fostering solidarity and amplifying the student voice, the CCSJ will evolve with the needs of our student population, always seeking empower, inspire, and encircle the Panther community. You can find our upcoming programs and events on the Center for Culture and Social justice webpage.

COUNSELING DEPARTMENT

Throughout the year, Counselors are available in person and online to assist students in developing an education plan that outlines the courses and services necessary to achieve their goals. Students may meet with a counselor by chat, drop-in, or appointment via the online Counseling webpage. Students who plan to transfer to a four-year college or university are strongly encouraged to consult with a counselor on a regular basis regarding requirements for general education, major preparation, and grade and unit requirements. In addition, students should also connect with the Transfer Center as early as possible for important dates and deadlines.

Course Evaluation of External Transcripts

Students who have completed course work at other institutions and wish to obtain a degree or certificate from Chaffey College or transfer to a CSU or UC must request an official evaluation of their transcript(s) by completing the Request for Course Evaluation of External Transcripts available via the Counseling Department website and the MyChaffey Portal. Requests can be submitted by email to transcript.evaluator@chaffey.edu.

Student Planning

Student Planning is an online tool that will facilitate the way you plan, schedule and register for your classes based on your active Program of Study/Major at Chaffey. With Student Planning, you can review all courses you have completed and that are in-progress at Chaffey, show which requirements (general education, and/or major preparation) you have completed, and indicate which requirements are remaining. This will allow you to plan and register for the correct classes for future terms and get you to your educational goal efficiently. Log in to the MyChaffey Portal to access your education plan.

DISABILITY PROGRAMS AND SERVICES (DPS)

Disability Programs and Services (DPS) is a state funded program designed to assist those students with physical, psychological, or learning disabilities. Services are offered to help students circumvent their functional limitations and become active, productive members of the college community. The program emphasizes independence and self-reliance while providing the support necessary for individuals to achieve their goals. The program is open to any student who has a verifiable physical, psychological, or learning developmental disability, either temporary or permanent, which causes educational limitations.

DPS is located in Campus Center East (CCE), Room 100 on the Rancho Campus. Limited services are available at both the Chino and Fontana Campuses. For more information, please call (909) 652-6379 or visit the DPS webpage.

EOPS, CARE & NEXTUP

Extended Opportunity Programs & Services (EOPS) is a state funded counseling program that offers support services to economically disadvantaged students who have experienced limited success in high school and/or college. The goal of EOPS is to ensure student retention and success through academic support and financial assistance. The ultimate goal is completion of a certificate program, an associate degree and/or transfer to a four-year college.

Cooperative Agencies Resources for Education (CARE) is a program that serves a limited number of EOPS students who are single heads of household with at least one child under the age of 18. The program provides additional support services beyond those which are available through EOPS.

NextUp, also known as CAFYES (Cooperating Agencies Foster Youth Educational Support) provides community college students with educational resources that make a difference. NextUp is a supplemental component of EOPS. The purpose of NextUp is to strengthen and support the higher education success, health, and well-being of current and former foster youth who are enrolled at Chaffey College. The program offers eligible current and former foster youth support and services that may include assistance with books, supplies, transportation, technology and housing referrals.

The EOPS, CARE & NextUp programs are located on the Rancho Campus in MACC-205. Services also available at Chino and Fontana on select days. For more information about these programs, visit the EOPS webpage, email eops@chaffey.edu, or call (909) 652-6349.

FINANCIAL AID

The Financial Aid Office administers a number of programs funded by federal, state and private sources designed to help students with limited resources meet their educational expenses. Awards may come from one or more or any combination of grants, scholarships, or federal work study. All students may be eligible for some form of assistance based on their financial need and may apply for aid by filing a Free Application for Federal Student Aid (FAFSA).

How and When to Apply

Students must apply or reapply every year for financial aid by completing the Free Application for Federal Student Aid (FAFSA) which is available online at www.fafsa.gov. Students who are not eligible for the FAFSA application and meet the AB 540 residency requirements may complete the California Dream Act Application (CADAA) online. Students can apply for financial aid as early as **October 1** for the new academic year. The ideal time to apply is between **October 1** and **March 2** to ensure your application is processed in a timely manner in preparation for summer, fall, and spring terms. The priority deadline to apply is **March 2**; however, you can still apply after this date. Filing after the priority deadline may make students ineligible for certain types of aid. If you are planning on attending Chaffey College, you will need to indicate Chaffey College's school code of **001163** on your FAFSA.

When submitting the Free Application for Federal Student Aid (FAFSA) or the California Dream Act Application (CADAA) for the 2023-2024 Award Year, which includes summer 2023, fall 2023, and spring 2024, students (and parents, if dependent) are able to use prior-prior year income data (2021 tax year).

The 2024-2025 application is available beginning October 1, 2023. Complete the 2024-2025 FAFSA/Dream application by March 2, 2024, to meet the California state grant application deadline. Students (and parents, if dependent) will be able to use prior-prior year income data (2022 tax year).

When completing the FAFSA, use your FSA ID to electronically sign the online FAFSA. Dependent students will have a parent apply for their own FSA ID number. Parents will need to sign the FAFSA until the student is 24 years of age or no longer considered a dependent student. Students that complete a Dream Act application can apply for a PIN number to sign the application through the Dream Act Application website.

Fee Waivers

There are several ways for students to reduce their college fees. Visit the college's Types of Financial Aid webpage for more information.

California College Promise Grant (CCPG) (Formerly BOGFW)

The majority of Chaffey College students are eligible for the CCPG Grant, which is available to California residents and AB 540 students who meet specific income eligibility requirements. The CCPG waives mandatory enrollment cost per unit. There are no minimum or maximum unit requirements. If you qualify for the Promise Grant your per-unit enrollment fees are waived and you will be responsible for a portion of the Student Health fees, all other fees, and any materials fees which apply. The CCPG is valid for the entire academic year beginning with the summer term and ending with the following spring semester. The best way to determine your eligibility for the Promise Grant is to complete the FAFSA or California Dream Application (only for AB 540 students).

New California College Promise Grant (Formerly BOGFW) Policy

Under the new State regulations, once you have qualified for the CCPG, it is important to ensure that you meet the academic and progress standards to avoid losing the fee waiver. Students must:

- Maintain a cumulative GPA of 2.0
- Successfully complete at least 50% of all units attempted

Students will lose eligibility for the CCPG if they are on academic probation for two consecutive primary terms (fall and spring semesters are primary terms). Loss of eligibility will become effective at the first registration opportunity after such determination is made. Students with extenuating circumstances will have the opportunity to appeal the loss of the CCPG.

Students will lose eligibility for the California Promise Grant if they are on academic probation for two consecutive primary terms (fall and spring semesters are primary terms). Loss of eligibility will become effective at the first registration opportunity after such determination is made.

Students with extenuating circumstances will have the opportunity to appeal the loss of the California Promise Grant (Formerly BOGFW).

Federal Pell Grants

Federal Pell Grants are need-based and awarded to every undergraduate student who qualifies. In most cases, these grants DO NOT need to be paid back. These grants may be used for tuition, fees,

books, transportation, and living expenses. Initial awards are estimated based on the results of the FAFSA. Estimates will change if any criteria used to determine your eligibility, such as major, degree status, satisfactory academic progress, income or family information changes. Actual payment will not be determined until your file is completed and enrollment status is verified. The amount of the Pell Grant disbursed is based on your Expected Family Contribution and enrollment status. You may even receive a Pell Grant if you attend school less than half-time provided you are otherwise eligible.

Students are only eligible to receive a Pell Grant for 6 years (12 fulltime semesters). This includes all semesters the Pell Grant has been received during a student's educational lifetime. Students can view their current Pell Grant usage online at the U.S. Department of Education's Federal Student Aid website using the FSA ID to access grant history.

Federal Supplemental Educational Opportunity Grant (FSEOG)
The Federal Supplemental Educational Opportunity Grant is a need-based federal grant available to undergraduate students with the highest need. Priority is given to Pell Grant recipients with a zero Expected Family Contribution (EFC) who meet the priority filing deadline (March 2).

Federal Work Study (FWS)
Federal Work Study is a need-based federally funded part-time employment program, which allows eligible students to earn money to help pay for educational expenses. Students may work up to 20 hours per week and earn a monthly paycheck. Federal Work Study awards are determined by financial need and are available to students enrolled in six (6) units or more per semester. FWS job listings are posted in the Student Employment Office for eligible FWS students and are filled on a first-come, first-serve basis.

Cal Grants
Cal Grants are state funds awarded in addition to the Federal Pell Grant. Cal Grant recipients are selected by the California Student Aid Commission (CSAC). To apply for the Cal Grant program, you must meet the requirements for the federal Pell Grants, submit the FAFSA and a Cal Grant GPA Verification form to CSAC by March 2nd (priority deadline). If you do not meet the March 2nd priority filing deadline, you may have a second chance to compete for a Cal Grant by filing the FAFSA and GPA Verification form by September 2nd.

Cal Grant B provides low-income students with a living allowance and assistance with tuition and fees.

Cal Grant C assists students with tuition and training costs for technical, occupational, vocational or career training programs. Funding is available for up to two years, depending upon the length of the program. To qualify, you must enroll in an occupational, technical or vocational program that is at least four months long at a California Community College. To find out more information visit the California Student Aid Commission website.

Panther Promise
Chaffey College's Panther Promise provides the first two years of **FREE** tuition to all first-time full-time (enrolled in 12 units) college students. For eligibility requirements and to apply visit the Panther Promise webpage.

Chafee Grant
The California Chafee Grant Program awards up to $5,000 annually to eligible foster youth and former foster youth between the ages of 16 and 22 years to use for college courses or vocational school training. The Financial Aid Office disburses Chafee Grant in accordance with the regulatory statutes of this program. For more information visit the Chafee Grant website.

Student Success Completion Grant (SSCG)
The Student Success Completion Grant is a new California Community College financial aid program for students who receive a Cal Grant B or Cal Grant C and who are enrolled at least full time (12+ units). The SSCG provides additional financial assistance to students attending at least 12 to 15 units per semester (24 to 30 plus units per academic year). Students will be automatically reviewed for eligibility for the SSCG. Students can receive $1,298 annually ($649 per semester) for eligible students who enroll and attend 12 through 14.99 units per term and a maximum of $4,000 annually ($2,000 per semester) for eligible students who enroll and attend 15 units or more per term. Eligibility criteria includes:

- Must be a Cal Grant B or C recipient that received a full-time Cal Grant payment
- Must be enrolled full-time (12 units or more)
- Must be meeting Federal Satisfactory Academic Progress (SAP) standards
- Must have unmet need to receive the SSCG

Student with Dependent Children Grant
Students attending a UC, CSU, or CCC who have dependent children, receiving more than half of their support from you and who are under the age of 18, may be eligible to receive an access award of up to $6,000 for eligible Cal Grant B or up to $4,000 for eligible Cal Grant C recipients. The award amounts will be prorated to be consistent with the students' enrollment status: full-time, three-quarter-time, half-time.

Scholarships
Scholarships are usually, but not always, based on a combination of need and merit. Some scholarships are based on your major, community service, educational goals, or other criteria. It is free money that does not need to be paid back. Scholarship applications are available at the Chaffey College Foundation Office and through the Office of Student Life.

Important Facts
In the event that a financial aid applicant at Chaffey College enrolls in coursework and then completely withdraws from all coursework may be subject to repayment of Federal Financial Aid funds. In this case, a student will be billed for the amount of aid that must be repaid, and holds will be placed on your record until the overpayment is resolved. If you have a reduction in units after receiving a disbursement, you may enter into an over award status which will result in financial assistance funds having to be repaid.

FOUNDATION

Each year the Chaffey College Foundation awards scholarships to deserving students. The Chaffey College Foundation facilitates a variety of scholarship awards including merit-based, discipline/major, academic, co-curricular activities and community service; for which students are able to apply during the first two weeks of the fall and spring semesters. For more information and to access the scholarship application visit the Foundation webpage, email foundation@chaffey.edu, or call (909) 652-6545.

GPS (GUIDING PANTHERS TO SUCCESS) CENTERS

The GPS Centers support student planning and achievement by providing new and returning students with registration assistance, development of an Educational Plan, unit load planning, navigation, and utilization of MyChaffey Portal, progress checks, campus resources, and many other services. The Centers are staffed by Counseling faculty and Success Guides. Virtual walk-in services are available Monday-Friday and can be accessed online through the Counseling Support Staff Lobby.

INDEPENDENT SCHOLARS PROGRAM

Independent Scholars Program is a Counseling support program aimed at providing unique and personalized educational services to current and former Foster Youth (this includes Chaffey College students who are currently in Foster Care as well as those who are emancipated Foster Youth and who are 24 years of age or younger). Program participants are eligible to receive priority registration, assistance in purchasing books and supplies, individual counseling support, mentoring, referrals to community and campus resources, and much more. Students may visit the Independent Scholars webpage or email ischolar@chaffey.edu for further information.

INTERNATIONAL STUDENT CENTER

An international student (F-1 visa) is defined as a student who has entered the United States temporarily and solely for the purpose of study and has a permanent residence in another country that he or she has no intention of abandoning. Individuals on a B-1/B-2 Visitor's Visa may not enroll in classes at Chaffey College. In addition, prospective students holding visas such as J-1, H-4, or F-2 may obtain information from the International Student Center. A variety of services are provided to international students, including academic guidance, F-1 Visa/Immigration information, career development, housing homestay referrals, and other services to meet the unique needs of international students in adjusting to college life in the United States.

The International Student Center staff warmly welcomes high school, transfer and new international students from all over the globe. For office hours and more information visit the International Student Center webpage, email international@chaffey.edu, or call (909) 652-6195.

LEARNING AND EDUCATIONAL DEVELOPMENT

The Learning and Educational Development (LED) program is a state-funded initiative with the goal of assisting non-credit students transitioning into credit courses. The purpose of this academic support is to encourage students to complete a certificate program, an associate degree, and/or transfer to a four-year university. LED is a student support service working in conjunction with the Chaffey College Success Centers. For more information, location, hours of operation, and appointments call (909) 652-7460.

LIBRARY

The Chaffey College Library has branches at the Chino, Fontana, and Rancho Cucamonga campuses. Visit the Library website for current hours. The Library provides access to over two dozen databases that include magazine, newspaper, journal and encyclopedias in full-text format. These are available 24/7 via the Chaffey College Library homepage to current students, staff, and faculty at Chaffey College. A valid Chaffey ID in good condition is required to check-out items, including reserve materials. Please consult our website or contact us for more information regarding our services and resources.

PLACEMENT

California Assembly Bill (AB) 705 gives students the opportunity to enroll directly in transfer-level math and English courses. We are confident that our students can succeed in these courses, and additional support is provided to assist with completion through our Success Centers.

The placement process is a free, computerized placement tool that uses multiple measures, such as high school performance information, to place a student in math and English courses. Effective January 11, 2021, the English and math placement process will be combined with the New Student Orientation and students will be immediately directed into placement once they complete orientation. Students who completed orientation prior to January 11, 2021, who wish to complete placement may visit here. Language prerequisite challenge exams are administered after the student has met with a counselor to determine if the student will benefit from the challenge process. For guidance in choosing an ESL course, students should visit a counselor or the ESL webpage for information about each level. Further information about the placement process can be found on the Placement webpage.

STUDENT LIFE

The Office of Student Life is the place students go to get help and to get involved. We are committed to complementing the academic curriculum in the development of the whole student within a diverse campus community by offering opportunities and services to support, engage, and empower our students to get the most out of their time at Chaffey. We are always happy to help in any way we can!

The Office of Student Life is located in Campus Center East (CCE-124) on the Rancho Campus. The office publishes the annual student handbook in the fall term and oversees student elections. The office supports student government and all other student organizations and oversees a student lounge. Students interested in getting involved on campus are invited to visit the office or study and relax between classes in the lounge.

Chaffey College Student Government (CCSG)

Chaffey College Student Government is the college student government. CCSG is supported by students and is for the benefit of students. The College Services Fee of $8.00 per semester ($5.00 for summer session) funds CCSG sponsored programs and activities, including scholarships (please check your Chaffey College issued Panther email for information; scholarships are awarded in the spring term), annual book grants, lectures, cultural events, service projects for students and community, giveaways, the textbook rental program that is administered in the Chaffey College Campus Store, and more. The College Services Fee is an optional fee endorsed by CCSG annually and is approved by the college Governing Board. Individuals who wish to learn more about the College Services Fee, including its benefits to students and service to the community may contact CCSG for more information. Students who wish to be exempt from paying the College Services Fee may contact the Cashier's Office at cashier.staff@chaffey.edu on or before the appropriate refund deadline for the current term. If you would like more information about CCSG, visit the Student Government webpage.

STUDENT HEALTH SERVICES

Student Health Services is dedicated to assisting students achieve and maintain optimal physical, mental, and emotional health, by providing quality healthcare at a reasonable cost. The Health Fee charged each semester entitles all currently enrolled students to be seen by a doctor, nurse practitioner, nurse, or psychological counselor, free of charge. A variety of services are available to students; some services may require a fee. A nurse is on staff at the Rancho Campus Monday through Friday to answer questions.

Student Health Service clinics are located at the Rancho and Chino campuses. The Student Health Services clinic on the Rancho Campus is located in MACC-202; call (909) 652-6331 for appointments. The Student Health Services clinic on the Chino Campus is located in CHMB-105; call (909) 652-8190 for appointments. For information about the Student Health Services clinic on the Chino Campus, call (909) 652-6331.

TRANSFER CENTER

The Transfer Center provides information and resources to help students continue their education after Chaffey College. The center maintains a library of college catalogs and reference materials, provides access to the internet and specialized software programs for college research and applications, hosts college representatives for individual

appointments with students, sponsors transfer-related workshops, and schedules campus visits and college fairs. All services are free and available to any Chaffey student. The Transfer Center welcomes the opportunity to assist students considering transfer to four-year colleges. The center is located in SSA-120 on the Rancho Campus. For more information and office hours, visit the Transfer Center webpage.

UMOJA

Umoja is a community and critical resource dedicated to enhancing the cultural and educational experiences of African American and other students. Participants have the opportunity to enroll in Umoja Learning Community courses, in addition to receiving a variety of tools and resources that will assist them in navigating the Chaffey College campus and completing their goals. Through Leadership development, mentoring, counseling, and Umoja Practices, students are connected to strategies and activities that promote achievement, self-esteem and cultural understanding. The Umoja Program promotes student success for all students through a curriculum that is responsive to the legacy of the African and African American diasporas. The Umoja Program promotes student success for all students through a curriculum that is responsive to the legacy of the African and African American diasporas. For more information visit the Umoja webpage or email brent.mclaren@chaffey.edu.

COLLEGE POLICIES

ACADEMIC FREEDOM

The District is committed to academic freedom, but recognizes that academic freedom does not allow sexual harassment or any other form of unlawful harassment or discrimination. The lecture, content, and discourse that are an intrinsic part of the course content shall, in no event, constitute sexual harassment or other form of unlawful harassment or discrimination. It is recognized that an essential function of education is a probing of received opinions and an exploration of ideas that may cause some students discomfort. It is further recognized that academic freedom ensures the faculty's right to teach and the student's right to learn. Finally, nothing in this policy shall be interpreted to prohibit bona fide academic requirements for a specific program, course or activity.

ACADEMIC INTEGRITY (CHEATING)

Integrity is an essential component of the student academic experience. The academic evaluation a student receives for a course becomes a permanent college record and it is critical that such records be accurate and consistent. The integrity students learn and exhibit at the college will be a model for the professional integrity they practice when they complete the college work. Accordingly, Chaffey College has classified academic dishonesty into the following categories:

- Cheating
- Unauthorized Collaboration
- Facilitating Academic Dishonesty
- Interference or Sabotage
- Plagiarism
- Fabrication
- Retaliation

The entire policy is written in the Student Handbook and available at the Office of Student Life or online.

AMERICANS WITH DISABILITIES ACT OF 1990

The Americans with Disabilities Act (ADA) of 1990 prohibits discrimination against people with disabilities in employment, public services including public and private transportation, public accommodations, and telecommunications services. Support services for students with disabilities are provided through Disability Programs and Services (DPS). Anyone needing information about services for students with disabilities should contact Disability Programs and Services at (909) 652-6379; if in need of TDD/TTY please contact (909) 652-6393, or email dps.staff@chaffey.edu. The toll-free numbers for the California Relay Service are 1-800-735-2929 or 1-877-735-2929 for TDD/TTY users. Employees (faculty, non-faculty, or student worker) requiring accommodations should contact Susan Hardie, Executive Director, Human Resources, by phone at (909) 652-6531 or by email at susan.hardie@chaffey.edu.

BEHAVIOR CODE

All members of the Chaffey College community are expected to behave in an ethical and moral fashion, respecting the human dignity of all members of our community and resisting behavior that may cause danger or harm to others which shall include, but not limited to, violence, theft, or bigotry. All members of the Chaffey College community are expected to observe established standards of scholarship and academic freedom by respecting the intellectual property of others and by honoring the right of all students to pursue their education in an environment free from harassment and intimidation. The entire policy is written in the Student Handbook and available at the Office of Student Life or online.

COMMITMENT TO STUDENT EQUITY

The Governing Board has taken action to actively pursue equity for all students. This means that our programs and services strive to provide access, opportunity, and fairness to all students, of all ages, disabilities, diverse cultures, and alternative lifestyles. It means being sensitive to the personal and professional needs of its diverse populations and cultures. Expect to find an expression of the commitment to equity in our curriculum and student programs and services. The governing board, administration, faculty, and staff want you to learn in a respectful and supportive climate. It is our commitment to you.

COMPLIANCE

Students are responsible for compliance with the regulations published in the college catalog, the schedule of classes, course syllabi, and in department rules and regulations.

COMPUTER USE AND INTERNET ACCESS

Chaffey College owns and operates a network and a variety of computer systems for use by its faculty, students, and staff. Chaffey College encourages the use of its network and computer systems for education, academic development, and other approved purposes. When using the Chaffey College network and computer systems, all users are required to abide by the Policy for District Network and Computer Use established by the Governing Board and the associated procedures and to use the system in an ethical and lawful manner. The Policy for District Network and Computer Use is published in the Student Handbook.

DISCIPLINARY AND GRIEVANCE APPEAL PROCEDURES

Procedures for grievance appeal hearings are written in the Student Handbook and available at the Office of Student Life or online.

INSTITUTIONAL LEARNING OUTCOMES

Chaffey College strives to develop lifelong learners who exhibit the following:

Communication

Students will practice effective communication and comprehension skills and strategies. Examples will include, but are not limited to, the following:

- Comprehend, analyze, and respond appropriately to oral, written, and visual information.
- Effectively communicate/express both qualitative and quantitative information through oral, written, visual, and other appropriate modes of communication/expression.
- Ask questions and utilize appropriate resources to continually expand comprehension and oral, written, and visual communication skills.

Critical Thinking and Information Competency
Students will demonstrate critical thinking skills in problem solving across the disciplines and in daily life. Examples will include, but are not limited to, the following:

- Identify vital questions, problems, or issues and evaluate the plausibility of a solution. Compute and analyze multiple representations of quantitative information, including graphical, formulaic, numerical, verbal, and visual.
- Apply scientific processes to solve problems and measure and observe natural phenomena.
- Select sources of information based on analysis and evaluation of accuracy, credibility, relevance, and reasonableness of information.
- Analyze and assess assumptions, biases, and multiple perspectives to develop a well-informed, valid argument.

Personal, Academic, and Career Development
Students will assess their own knowledge, skills and abilities; set challenging and appropriate personal, educational, and career goals and persist in pursuing these goals; develop effective strategies for both individual and group work; and choose pathways that develop personal, academic, social, and financial responsibility. Examples will include, but are not limited to, the following:

- Demonstrate professional and ethical responsibilities of the individual in society.
- Demonstrate the ability to use technology to assess, evaluate, and present information.
- Set short and long-term goals, seeking and utilizing various personal, academic, psychological, and social services in pursuit of these goals.
- Seek and utilize feedback to assess learning and progress toward goals.
- Demonstrate resilience by viewing challenges and obstacles as opportunities for growth.

Community/Global Awareness and Responsibility
Students will demonstrate knowledge of and strategies to consider significant social, cultural, environmental and aesthetic perspectives. Examples will include, but are not limited to, the following:

- Identify and apply the social and ethical responsibilities of the individual in society.
- Demonstrate social and ethical responsibility within a community.
- Demonstrate commitment to active citizenship by recognizing and evaluating important social, ecological, economical, and political issues.
- Demonstrate an understanding and appreciation for individual, social, and cultural diversity.

OPEN COURSES

It is the policy of the district that, unless specifically exempted by statute or regulation, every course, course section, or class, reported for state aid, wherever offered and maintained by the district, shall be fully open to enrollment and participation by any person who has been admitted to the College and who meets such prerequisites as may be established pursuant to regulations contained in sections 55003 and 58106 of division 6 of title 5 of the California Code of Regulations.

PROBATION

A student who has **attempted** at least twelve semester units at Chaffey College will be subject to:

Academic Probation – If earned cumulative grade point average is below 2.00.

A student who has **enrolled** in a total of at least twelve semester units at Chaffey College will be subject to:

Progress Probation – When the percentage of W, I, and/or NC grades reaches or exceeds 50% of all units in which the student has enrolled.

Students placed on either academic or progress probation may be subject to a block from registration.

Dismissal
A student who is on academic probation shall be subject to **academic dismissal** if the student earns a cumulative grade point average of less than 2.00 in all units attempted in each of three consecutive semesters, excluding summer session.

A student who has been placed on progress probation shall be subject to **probation dismissal** upon receipt of recorded grades of W, I, and NC in 50% or more of all enrolled units during three consecutive semesters, excluding summer session.

Students receiving notice of dismissal as a result of fall grades will be dismissed the following fall semester, and for spring grades, will be dismissed the following spring semester.

If the grade point average of a student who is receiving Veterans educational benefits remains below the graduation requirement of 2.0 for more than three consecutive terms, the student will not be certified for VA educational benefits until his/her academic status is restored to good standing.

Reinstatement
A student who has been dismissed may apply for readmission after one semester following the date of dismissal. Contact the Opening Doors to Excellence (ODE) office for more assistance at openingdoors.staff@chaffey.edu. A student may appeal a dismissal or apply for readmission by filing a petition for readmission. This petition will be reviewed by a scholastic standards committee.

A student readmitted after academic dismissal will remain on that status until the student's GPA reaches 2.00, or the percentage of units for which grades of W, I, or NC drops below 50%.

For the purpose of this section on academic dismissal, semesters are considered consecutive on the basis of student enrollment.

RIGHTS AND PRIVACY (FERPA)

The Family Educational Rights and Privacy Act (FERPA) affords eligible students certain rights with respect to their education records. These rights include:

- The right to inspect and review the student's education records within 15 days after the date Chaffey College receives a written request for access.
- The right to request amendment of education records that the student believes are inaccurate, misleading, or otherwise in violation of the student's privacy rights under FERPA.
- The right to direct the college to withhold release of directory information to persons not employed by or an agent of the Chaffey College District. Directory Information **may** include, but is not limited to: student's name, address, phone number, dates of attendance, major field of study, awards and degrees received, most recent institutions attended, participation in official college activities and sports, weight and height (for members of athletic teams), and part-time and/or full-time enrollment status. Directory information does not include your Social Security Number.

Contact the Admissions and Records Office at (909) 652-6600 or admissions@chaffey.edu for more information.

SECTION 504 - REHABILITATION ACT

In accordance with Section 504 of the Rehabilitation Act, Chaffey College abides by the regulation that "no otherwise handicapped individual" shall be excluded from participation in programs and services offered by the College "solely by reason of the handicap." Amy Nevarez serves as the 504/508/ADA Coordinator and may provide information and answer questions regarding access for students with disabilities. Send correspondence to Chaffey College, 5885 Haven Avenue, Rancho Cucamonga, CA 91737-3002; or contact Amy Nevarez by phone at (909) 652-6020 or by email to amy.nevarez@chaffey.edu.

SECTION 504/508 COMPLAINT PROCEDURE

If a student has a complaint under the provisions of Section 504 of the Rehabilitation Act, the complaining party should first discuss the complaint with the individual(s) involved or with the Chaffey College 504/508 and/or the ADA Coordinator. The 504/508/ADA Coordinator will contact all parties concerned, if appropriate, and attempt to reach resolution. Contact: (909) 652-6379, or dps.staff@chaffey.edu. If the complaint cannot be resolved within ten working days, the complainant may then proceed to file a formal complaint with the Office of Human Resources, Susan Hardie, Executive Director, Human Resources, at (909) 652-6531, or email susan.hardie@chaffey.edu.

SEXUAL HARASSMENT

It is the policy of the Chaffey Community College District to provide for all students and employees, an educational, employment, and business environment free of all forms of harassment, exploitation, intimidation, or unwelcome sexual advances, requests for sexual favors, and other verbal, visual, or physical conduct or communications of a sexual nature as defined and otherwise prohibited by the California Fair Employment and Housing Act, California Education Code, and State and Federal rules, regulations, statutes and laws prohibiting sexual harassment and retaliation.

The District is strongly opposed to sexual harassment and expressly forbids sexual harassment of its students and employees by faculty, managers, staff, students or members of the general public. The College will take whatever appropriate action to prevent, correct, and, if necessary, discipline inappropriate behavior.

Sexual harassment shall be immediately reported to the District's Compliance Officer, Susan Hardie, Executive Director, Human Resources, Chaffey College, 5885 Haven Avenue, Rancho Cucamonga, CA 91737, telephone (909) 652-6531, email susan.hardie@chaffey.edu or to any dean, director, or manager for immediate reporting to the District's Compliance Officer, or designee. Every effort will be made to ensure that confidentiality is maintained.

SMOKING

Smoking of any form of tobacco or non-tobacco products is prohibited inside of any building, including restrooms and corridors; within 20 feet of a main exit, entrance, or operable window of any college-owned, leased, or operated buildings; and in any college-owned, leased, or operated vehicles.

STATEMENT OF EQUAL OPPORTUNITY/NON-DISCRIMINATION AND PROHIBITION OF HARASSMENT

The Chaffey Community College District is committed to providing equal educational and employment opportunity. The District affirms its commitment with policies that include fair and equitable treatment of students and employees, and prohibits discrimination in its admission, access, and treatment in College programs and activities, and application for and treatment in College employment on the basis of race, religion, color, sex (including gender, gender identity, gender expression, pregnancy, and breastfeeding), sexual orientation, national origin, ancestry, marital status, age, medical condition, genetic characteristics or information, military and veteran status, physical or mental disability or the perception that a person has one or more of these perceived characteristics, or based on association with a person or group with one or more of these actual or perceived characteristics.

In accordance with Title IX regulations, the District offers equal academic, occupational, and extracurricular opportunities regardless of the sex/gender of the individual. The Title IX Compliance Officer, Susan Hardie, Executive Director of Human Resources, may be contacted at (909) 652-6531 or email to susan.hardie@chaffey.edu, or at 5885 Haven Avenue, Rancho Cucamonga 91737. The District, authorized under federal law to enroll non-immigrant and alien students, and, in accordance with title 5 regulations, affirms that the lack of English language skills will not be a barrier to admission and participation in the District's programs.

Persons who seek information and/or resolution of alleged acts of unlawful discrimination, retaliation, or harassment are directed to contact the District's Compliance Officer, Susan Hardie, Executive Director, Human Resources, Chaffey College, 5885 Haven Avenue, Rancho Cucamonga, CA 91737-3002; telephone (909) 652-6531 or email susan.hardie@chaffey.edu.

STUDENT RIGHT-TO-KNOW

In accordance with the Code of Federal Regulations, Title 34, Part 668, Sections 668.41 through 668.46 (the "Student Right to Know" Act), institutions participating in any Title IV, HEA program shall make available to current and prospective students and high school counselors the completion and transfer-out rates of first-time, fulltime, degree seeking students who entered the institution on or after July 1, 1996. This information is posted in all Student Service Offices, and is currently available online at the Student Right-To-Know Disclosure website.

HOW TO READ THE SCHEDULE OF CLASSES

COURSE NUMBERING

1-99: Lower-division transfer and baccalaureate degree level courses. These courses are comparable to those offered in the first two years of a four-year college or university. Courses transferable to the California State University are marked **Transfer: CSU**; courses also transferable to the University of California are marked **Transfer: CSU; UC**. Some transferable courses have credit limitations at either CSU or UC (or both); students should consult a counselor for details on these limitations.

400-499: Associate degree level courses may be applied to the Associate in Arts and Associate in Science degrees, as well as to certificates.

500-599: Non degree applicable foundational and college preparatory courses are not part of the associate degrees nor certificates, although they may be prerequisites to required courses. College credit is assigned and courses may be included in the student educational plan. These courses may be letter grade or pass/no-pass. If graded, the grades are not included in students' degree applicable grade point average computation.

600-699: Non-credit courses provide foundational, developmental, occupational, and general education opportunities. They do not earn unit credit, are not considered part of collegiate-level study, and are either not graded or have a pass/no-pass grading schema.

LIMITATIONS ON ENROLLMENT

Some courses have limitations on enrollment. These limitations may require corequisites (concurrent enrollment in other courses), prerequisites (successful completion of other courses or specified placement for English, math, and/or English as a second language), performance criteria, health and safety conditions, or prior acceptance into specified programs. Students not meeting the conditions imposed by these requirements may be unable to register for or may be dropped from any class for which requirements have not been met. See the "Limitations on Enrollment" section elsewhere in this Schedule of Classes for more information. Advisories are recommendations for courses or competencies that students are encouraged – but not required – to meet before or in conjunction with the course to which they are attached.

COURSE IDENTIFICATION NUMBER (C-ID)

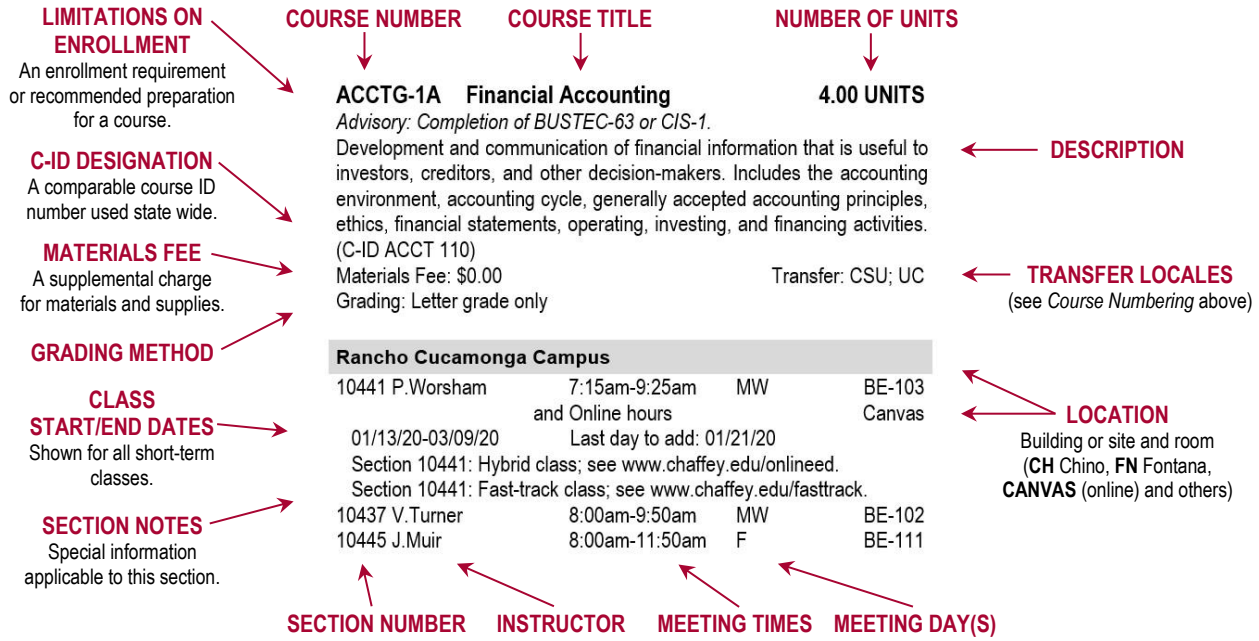
The C-ID Numbering System is a statewide common number identifying specific courses that participating California colleges and universities have determined are comparable in scope and content to courses offered by other California community colleges, regardless of each college's unique numbering system. Because courses may be modified and qualified for or deleted from the C-ID database throughout the year, students should consult www.assist.org and an academic counselor to confirm how C-ID qualified courses apply to the four-year college or university to which they plan to transfer.

INSTRUCTION METHODS: A key to understanding how classes are taught

On campus: The course always meets on one of our three campuses with required meeting times, as displayed in the course schedule; Canvas (the college's online course management system) may be used as a resource for grades, handouts, submitting assignments, etc.

Online: The course takes place completely online in Canvas and all work is completed and submitted online. Some online courses have required live meeting times, as displayed in the course schedule. Online courses without required live meeting times will have weekly work and deadlines.

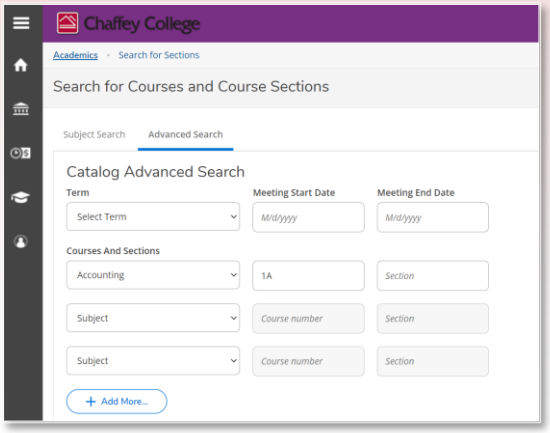
Hybrid: The course takes place partially online and meets partially on campus; attendance and participation in both are required. The on-campus portion will have required meeting times, as displayed in the course schedule.



CHAFFEY COLLEGE SCHEDULE

FALL 2023 CLASSES

Search for classes online and find the most up-to-date and complete class details by accessing the **Self-Service (Registration)** link through **MyChaffey**. Using the Advanced Search feature you can explore classes in real time in a number of quick and convenient ways.



Search and filter classes by:

- Course and section number
- Start and end dates
- Time of day
- Session type (full-term, short-term)
- Location (online, hybrid, or in-person)
- Textbook cost (zero, low-cost, or traditional)

MyChaffey

TRY IT OUT **HERE**

Beginning and ending dates are listed for all short-term classes.
Class offerings, particularly instructor assignment and location, are subject to change without notice.

Zero Textbook Cost (ZTC): Course uses materials (textbooks, workbooks, articles, library resources, software/hardware, supplies, etc.) that are free to students. Total material costs for the course are $0.
ZTC classes are indicated throughout this schedule by the ZTC logo and the following note: Zero Textbook Cost ($0).

Low-Cost Textbook (LCT): Course uses materials where the combined total cost of all required materials (textbooks, workbooks, articles, library resources, software/hardware, supplies, etc.) is $50 or less.
LCT classes are indicated throughout this schedule by the LCT logo and the following note: Low-Cost Textbooks (below $50).

ANTHRO-3 Introduction to Social and Cultural Anthropology — 3.00 UNITS

Placement Level: Eligibility for ENGL-1A as determined by the Chaffey College placement process.

This course explores how anthropologists study and compare human culture. Cultural anthropologists seek to understand the broad arc of human experience focusing on a set of central issues: how people around the world make their living (subsistence patterns); how they organize themselves socially, politically and economically; how they communicate; how they relate to each other through family and kinship ties; what they believe about the world (belief systems); how they express themselves creatively (expressive culture); how they make distinctions among themselves such as through applying gender, racial and ethnic identity labels; how they have shaped and been shaped by social inequalities such as colonialism; and how they navigate culture change and processes of globalization that affect us all. Ethnographic case studies highlight these similarities and differences, and introduce students to how anthropologists do their work, employ professional anthropological research ethics and apply their perspectives and skills to understand humans around the globe. May be offered as an Honors course. (C-ID ANTH 120)

ANTHRO-5 Introduction to Linguistic Anthropology — 3.00 UNITS

This introductory course serves as a foundation for understanding language from an anthropological perspective, addressing such core questions as how, what, when, where, why and with whom we communicate. This course surveys three core areas in linguistic anthropology--structural linguistics: phonetics, phonology, morphology and syntax, as well as the biocultural basis of language; historical linguistics: origins and evolution/change, dialects, and language families; and sociocultural linguistics: language acquisition in cultural context, emphasizing the relationship between language and culture, and issues of language conservation and loss.

30517 B.Albert 9:30am-12:20pm F CAC-105
and 12:30pm-3:20pm F CAC-105

Section 30517: Zero Textbook Costs ($0).

ART-63 Introduction to Graphic Design 4.00 UNITS

An introduction to visual communications in the field of graphic design. The course includes: concept development, the creative design process, production, and presentation techniques through the development of design projects on various media using Adobe Photoshop and Illustrator. The course covers design and production skills including beginning computer software skills.

Students develop conceptual and technical abilities to amplify content through composition, image, typography, symbolism and experimentation. Emphasis will be placed on the application of basic design principles to graphic design problems in visual communications. Design solutions will explore the potential of strategy, concept, and design utilizing composition, layout, illustration, photography, typography, and symbology. Exercises emphasize the different aspects of analytical and creative design through typical media, for example: a brochure, poster, or advertising billboard.

Topics include: Fundamental studies in the history, theories, techniques, and practices of professional graphic design, and developing graphic design projects for traditional and emerging technologies. (C-ID ARTS 250)

Transfer: CSU; UC Grading: Letter grade only

ART-73 Typography and Layout 4.00 UNITS

Prerequisite: ART-63.

An Introduction to typography for visual communications in the graphic design industries. The class emphasizes the use of typography in the design process, including aspects of analytical and creative design through typical media, for example: a brochure, poster, or magazine ad. Considering typographic graphic design projects for traditional and emerging technologies. Students explore the evolution and classification of letterforms from ancient to contemporary, and feature the investigation of structure, format, legibility, and expression. Exercises include both hand and digital skills, with an emphasis on the application of typography.

Transfer: CSU; UC Grading: Letter grade only

Astronomy (ASTRON)

ASTRON-26 Stars and Galaxies 3.00 UNITS

Overview of the universe beyond our solar system. Understand progressively larger structures in Astronomy, such as stars, galaxies, and extra-galactic structures by understanding the processes that shape them. Use observations (from telescopes, spacecraft, neutrino and gravity wave detectors, etc.) the scientific method, and basic physical concepts. Briefly consider relativity, black holes, spacetime, and the history and fate of the universe.

Aviation Maintenance Technology (AMT)

AMT-15A Introduction to Aviation Maintenance for Airframe and Powerplant 9.00 UNITS

Introduction to Aviation Maintenance Technology (AMT). Subjects covered under the Federal Aviation Administration (FAA) Airman Certification Standards (ACS) for the certification of Airframe & Powerplant Technicians include: fundamentals of electricity and electronics, aircraft drawings and blueprints, weight and balance, hydraulics and pneumatics, aircraft materials, hardware, and processes, ground operations and servicing, cleaning and corrosion control, mathematics, regulations, maintenance forms, records, and publications, physics for aviation, inspection concepts and techniques, and human factors.

Transfer: CSU Grading: Letter grade only

Rancho Cucamonga Campus

32548 C.Byars 8:30am-11:20am TWTH AERO-1L

Section 32548: Low-Cost Textbooks (below $50).

AMT-15B Introduction to Aviation Maintenance for Airframe and Powerplant Laboratory 5.00 UNITS

Corequisite: AMT-15A (may be taken previously).

Aerospace materials, hardware, manufacturing practices and safety, blueprint reading, inspection techniques, aircraft servicing, cleaning and corrosion control and FAA regulations as required for an FAA Airframe and/or Powerplant Technician's License. Includes aircraft mathematics, physics, aerodynamics and flight controls, weight and balance calculations and basic AC and DC electricity required for an FAA Airframe and/or Powerplant Technician's License. General Aeronautics laboratory hours are included to fulfill FAA practical aeronautical applications in aerodynamics, physics, weight and balance, FAA and manufacturers' publications, aircraft materials and processes, blueprint reading, aircraft servicing, electricity and mathematics.

BIOL-20 Human Anatomy 4.00 UNITS

Prerequisite: Eligibility for ENGL-1A as determined by the Chaffey College placement process.
A systematic study of the microscopic and macroscopic structures of the human body, from cellular to organ system levels of organization. Emphasis on cell structures, integumentary, skeletal, muscular, respiratory, cardiovascular, nervous, sensory, digestive, urinary, endocrine, and reproductive systems. Includes considerations of pathologies and disorders of these systems. This course is a CalState/UC transferable course which is intended for biology, general education, kinesiology and health related majors. (C-ID BIOL 110B)

BIOL-22 Human Physiology 4.00 UNITS

Prerequisite: BIOL-20, and CHEM-9, CHEM-10, or one year of high school chemistry.

The dynamic nature of life processes in the human body, including the physiology of the cell and the functions and interrelations of the organ systems. The course includes the study of the physiological principles, function, integration and homeostasis of the human body at the cellular, tissue, organ, organ system, and organism level. The Lab emphasizes experimentation and scientific reasoning. (C-ID BIOL 120B)

Transfer: CSU; UC Grading: Letter grade only

BIOL-40 Introduction to Cell and Molecular Biology 4.00 UNITS

Prerequisite: CHEM-10 or 1 year high school chemistry.

Advisory: Completion of ENGL-1A.

Placement Level: Eligibility for MATH-25 as determined by the Chaffey College placement process.

An intensive course designed to prepare students for upper division courses in cell and molecular biology. This course covers the principles and applications of prokaryotic and eukaryotic cell structure and function, biological molecules, homeostasis, cell reproduction and its controls, molecular genetics, classical/Mendelian genetics, cell metabolism including photosynthesis and respiration, and cellular communication. The philosophy of science, methods of scientific inquiry and experimental design are foundational to the course. Laboratory includes experimental design, a variety of techniques (e.g. microscopy, spectrophotometry, electrophoresis), and data analysis. (C-ID BIOL 190, and 135 S when combined with BIOL-62)

Transfer: CSU; UC Grading: Letter grade only

BIOL-62 Biology of Organisms 5.00 UNITS

Prerequisite: BIOL-40.

An introduction to the origin and evolution of life on earth, emphasizing systematics, anatomy, physiology, development, and ecology. Lab includes an evolutionary survey of prokaryotes, protists, fungi, plants and animals. (C-ID BIOL 140, & 130 S when combined with BIOL-63, and 135 S when combined with BIOL-40)

Transfer: CSU; UC Grading: Letter grade only

Rancho Cucamonga Campus

SECTION INSTRUCTOR HOURS DAYS ROOM/LOCATION

BIOL-424L Anatomy and Physiology Laboratory 1.00 UNIT

Corequisite: BIOL-424 (may be taken previously).
Advisory: Completion of HS-30.
Laboratory investigation of anatomy and physiology of organ systems, from cell through system levels. Course is primarily intended for students entering related vocational programs.
Grading: Letter grade only

Rancho Cucamonga Campus

31270 S.Collins	2:00pm-4:50pm	T	BL-110

Fontana Campus

31271 S.Dunagan	9:30am-12:20pm	W	FNAC-201

Broadcasting (BRDCAST)

BRDCAST-3 Introduction to Electronic Media 3.00 UNITS

This course introduces the history, structure, function, economics, content and evolution of radio, television, film, the Internet, and new media, including traditional and mature formats. The social, political, regulatory, ethical and occupational impact of the electronic media are also studied.
Transfer: CSU Grading: Letter grade only

Online Class www.chaffey.edu/programsacademics/online-education.php

30311 J.Berry	Online hours	Canvas
08/14/23-11/17/23	Last day to add: 08/18/23	

Section 30311: Low-Cost Textbooks (below $50).

30312 J.Berry	Online hours	Canvas
08/14/23-11/17/23	Last day to add: 08/18/23	

Section 30312: Low-Cost Textbooks (below $50).

BRDCAST-60 Beginning Single Camera Production 3.00 UNITS

Advisory: Knowledge of Macintosh computer keyboarding is recommended.
The course provides an introduction to the theory, terminology, and operation of high definition single camera video production, including composition and editing techniques, camera operation, portable lighting, video recorder operation, audio control and basic editing. This course focuses on the aesthetics and fundamentals of scripting, producing, directing on location, postproduction, and exhibition/distribution. Overview of crew positions and production protocols for Electronic Field Production (EFP), Electronic News Gathering (ENG), commercial, public service announcement, and short dramatic stories. (C-ID FTVE 130)
Transfer: CSU Grading: Letter grade only

Rancho Cucamonga Campus

30766 D.Jacobo	2:00pm-2:50pm	TTH	CAA-251
	and 3:00pm-4:15pm	TTH	CAA-251

Section 30766: Low-Cost Textbooks (below $50).

SECTION INSTRUCTOR HOURS DAYS ROOM/LOCATION

BRDCAST-62 Beginning TV Studio Production 3.00 UNITS

Advisory: Possession of basic computer skills.
This course introduces theory, terminology and operation of a simulated and virtual multi-camera television studio and control room. Topics include studio signal flow, directing, theory and simulated operation of virtual camera and audio equipment, including switcher operation, fundamentals of lighting, graphics, video control and video recording and virtual video production. Additional topics may include: simulated lighting board operation, video signal engineering, multi-camera line switching techniques for live broadcasts. Students coordinate cameras and on-screen performers, and collaborate with production crew members and master control-room personnel, to produce, direct, and edit virtual multi-camera studio productions. (C-ID FTVE 135)
Transfer: CSU Grading: Letter grade only

Rancho Cucamonga Campus

31998 A.Day	10:00am-11:50am	F	VSS-113
	and 1:00pm-3:50pm	F	VSS-113

Section 31998: Low-Cost Textbooks (below $50).

BRDCAST-67 Beginning Radio Production 3.00 UNITS

Introductory course in theory and application of audio production techniques for radio. Students will gain a basic understanding of audio equipment in both live and pre-recorded broadcasting. This includes recording equipment, mixers, digital audio production, radio program formats, broadcast writing and announcing skills. Production of various live radio broadcasts on Chaffey College radio, and automated media programming. Application of radio production techniques in audio board operation, production of Internet audio/radio streaming audio, digital multi-track recording, mixing and editing. Study of current FCC rules and regulations. Students examine and explore radio programming concepts, focusing on aesthetics, creating content and announcing, and they learn how to produce weekly radio broadcasts. (C-ID FTVE 125)
Transfer: CSU Grading: Letter grade only

Rancho Cucamonga Campus

30767 D.Jacobo	10:00am-10:50am	MW	CAA-251
	and 11:00am-12:15pm	MW	CAA-251

Section 30767: Low-Cost Textbooks (below $50).

BRDCAST-70 Postproduction for Broadcasting & Cinema 3.00 UNITS

Students assemble and create a broadcasting and/or cinematic story. Broadcasting and cinema editing assignments may also include some of the following: commercial/psa, music video, documentary and dramatic student projects. Other post production topics include editing workflows, audio sweetening, title sequences, keying, color grading, picture lock and mastering processes. Students from the photography, graphic arts, digital media, music, and theatre disciplines are encouraged to enroll and contribute to individual productions.
Transfer: CSU Grading: Letter grade only

Rancho Cucamonga Campus

30768 D.Jacobo	10:00am-10:50am	TTH	CAA-251
	and 11:00am-12:15pm	TTH	CAA-251

Section 30768: Low-Cost Textbooks (below $50).

Business (BUS)

BUS-10 Introduction to Business 3.00 UNITS

A survey in business providing a multidisciplinary examination of how culture, society, economic systems, legal, international, political, financial institutions, and human behavior interact to affect a business organization's policy and practices in the U.S. and within a global society. Demonstrates how the following influences impact a business' ability to achieve its organizational goals: organizational structure and design, leadership, human resource management, organized labor practices, marketing, organizational communication, technology, entrepreneurship, legal, accounting, financial practices, the stock and securities market. (C-ID BUS 110)

Transfer: CSU; UC Grading: Letter grade only

SECTION INSTRUCTOR HOURS DAYS ROOM/LOCATION

ENGL-1A Composition 3.00 UNITS

Careful study and practice of narrative, explanatory, argumentative, research and/or other kinds of writing and reading. Incorporates texts that celebrate diverse identities, communities, and experiences, and that engage with difference, with the ultimate goal of preparing students to succeed in college and careers, and to participate in broader societal discourse. A minimum of 5,000 written words is required over the term. Three hours for supplemental learning through a Success Center that supports this course are required. May be offered as an Honors course.
Transfer: CSU; UC Grading: Letter grade only

California Institution for Women

30761 M.Mermilliod 5:00pm-7:50pm F CIW
Section 30761: Zero Textbook Costs ($0).
Section 30761: Enrollment limited to students enrolled through the California Institution for Women (CIW).

GEOG-6 Environmental Geography 3.00 UNITS

Global perspectives on environmental geography. Geographical approach to the biosphere: environmental principles, economics and environment, human impact, extinction and biodiversity, food/population crises, the social environment, global tampering, global climate change, and contemporary values in global environmental issues.
Transfer: CSU; UC Grading: Letter grade only

California Institution for Women

30626 L.Pitts 5:00pm-7:50pm T CIW
Section 30626: Enrollment limited to students enrolled through the California Institution for Women (CIW).

PHOTO-1 History of Photography 3.00 UNITS

History and appreciation of photography as a medium of artistic and social communication. May be offered as an Honors course.
Transfer: CSU; UC Grading: Letter grade only

California Institution for Women

30788 M.Yaniv 5:00pm-7:50pm T CIW
Section 30788: Zero Textbook Costs ($0).
Section 30788: Enrollment limited to students enrolled through the California Institution for Women (CIW).

PSYCH-1 Introduction to Psychology 3.00 UNITS

Advisory: Completion of GUID-2.
Psychology is the scientific study of behavior and mental processes. This introductory survey course explores major psychological theories and concepts, core empirical findings, and the methods used in psychological science. Topics include biological basis of behavior, perception, cognition and consciousness, learning, memory, emotion, motivation, developmental psychology, personality, social behavior, lifespan development, psychological disorders and their treatment, and applied psychology. May be offered as an Honors course. (C-ID PSY 110)
Transfer: CSU; UC Grading: Letter grade only

California Institution for Women

25450 A.Sadowski 5:00pm-7:50pm M CIW
Section 25450: Enrollment limited to students enrolled through the California Institution for Women (CIW).

SECTION INSTRUCTOR HOURS DAYS ROOM/LOCATION

SOC-10 Introduction to Sociology 3.00 UNITS

Placement Level: Eligibility for ENGL-1A as determined by the Chaffey College placement process.
Advisory: Completion of ESL-475.
This class introduces students to basic concepts, theoretical approaches and methods employed in Sociology. This class will examine, analyze and explain social structure, group membership and dynamics, socialization and the self, social stratification, culture and diversity, social change and globalization. Students should be able to apply the sociological framework to everyday life upon taking this course. (C-ID SOCI-110)
Transfer: CSU; UC Grading: Letter grade only

California Institution for Women

25674 J.Moronez 5:00pm-7:50pm T CIW
Section 25674: Enrollment limited to students enrolled through the California Institution for Women (CIW).

SOC-70 Social Problems 3.00 UNITS

Advisory: Completion of SOC-10.
An examination of contemporary social problems with emphasis on how issues come to be defined as social problems, the causes and consequences of social problems, as well as an evaluation of solutions. (C-ID SOCI 115)
Transfer: CSU; UC Grading: Letter grade only

California Institution for Women

31049 P.Snyder 5:00pm-7:50pm T CIW
Section 31049: Enrollment limited to students enrolled through the California Institution for Women (CIW).

SPAN-13 Survey of Mexican Literature 3.00 UNITS

Advisory: Completion of ENGL-1A.
A course exploring Mexican cultural identity through the reading and discussion of major works in Mexican literature in translation from different historical periods. Close reading will guide the reader toward greater understanding and appreciation of the culture and history of Mexico. Selected readings from important authors such as Mariano Azuela, Juan Rulfo, Rosario Castellanos, Carlos Fuentes and Octavio Paz among others.
Transfer: CSU; UC Grading: Letter grade only

California Institution for Women

31422 A.Corona 5:00pm-7:50pm TH CIW
Section 31422: Enrollment limited to students enrolled through the California Institution for Women (CIW).

Chemistry (CHEM)

If you are taking a chemistry lecture and/or lab course in person, you must attend the first class meeting on campus or you will be dropped. All chemistry lab students must purchase a lab manual or lab manual access, approved safety goggles, and a protective lab coat (available at the campus bookstores), and bring them to the second lab meeting.

CHEM-9 Health Science Chemistry 5.00 UNITS

Prerequisite: MATH-542 or higher level math course, or eligibility for MATH-25 as determined by the Chaffey College placement process.
Advisory: Completion of MATH-25.
This course is for students completing a certificate program or associate degree in a health science such as Vocational Nursing, Radiological Technology, and Associate Degree Nursing. The course is an introduction to the principles of chemistry including inorganic chemistry, organic chemistry, and biochemistry. Topics covered include measurements, properties and classification of matter, atomic structure, bonding and nomenclature, chemical equations, stoichiometry, gas laws, solutions,

SECTION	INSTRUCTOR	HOURS	DAYS	ROOM/LOCATION

acids, bases and pH, equilibrium, nuclear chemistry, and organic and biochemical structure and reactions. Laboratory work will provide hands-on activities to teach laboratory skills and support the concepts presented in the lecture. This course is not intended for science majors.
Transfer: CSU; UC credit limitations Grading: Letter grade only

SECTION	INSTRUCTOR	HOURS	DAYS	ROOM/LOCATION

CHEM-12 Elementary Organic and Biochemistry 4.00 UNITS

Prerequisite: CHEM-10.

This course is primarily intended for transfer students pursing degrees in health science areas such as bachelor degrees in Nursing, Dental Hygiene, Dietitian, and other health science related degrees. The course is a survey of organic chemistry and biochemistry with a focus on biological applications and an emphasis on cellular and organism chemistry. Topics covered include organic functional groups, nomenclature, structure and reactions of organic compounds, structure and biological importance of carbohydrates, lipids, amino acids, proteins, nucleic acids, DNA, and RNA. Laboratory work will provide hands-on activities to teach laboratory skills and support the concepts presented in the lecture. This course is not intended for science majors. (C-ID CHEM 102)

Transfer: CSU; UC credit limitations Grading: Letter grade only

CHEM-24A General Chemistry I 5.00 UNITS

Prerequisite: CHEM-10 or completion of one year of high school chemistry. Prerequisite: MATH-542 (previously MATH-420) or higher level math course, or eligibility for MATH-25 as determined by the Chaffey College placement process.

Advisory: Completion of, or concurrent enrollment in, MATH-25.

First semester General Chemistry for Science and Engineering students. Topics include: atomic structure and periodic properties; types and structure of matter; thermochemistry; chemical reactions; stoichiometry; nomenclature; bonding models and theories; gas, liquid, solid, and solution properties. Laboratory with hands-on activities to reinforce lecture concepts, develop chemical laboratory techniques, and use the scientific methods of inquiry. (C-ID CHEM 110 and 120S when combined with CHEM-24B)

Transfer: CSU; UC Grading: Letter grade only

CHEM-24B General Chemistry II 5.00 UNITS

Prerequisite: CHEM-24A.

Advisory: Completion of, or concurrent enrollment in, MATH-25.

Second semester General Chemistry for Science and Engineering students. Topics include kinetics, equilibrium, acid/base/buffers, thermodynamics, electrochemistry, nuclear chemistry, descriptive chemistry, and organic chemistry. Laboratory provides hands-on activities to reinforce lecture concepts, develop chemical laboratory techniques, and use of the scientific method of inquiry. (C-ID CHEM 120S when combined with CHEM-24A)

CHEM-76A Organic Chemistry I 4.00 UNITS

Prerequisite: CHEM-24B.

This is the first semester in a year-long course in organic chemistry designed for students majoring in science and engineering. Topics cover major classes of organic compounds: aliphatic hydrocarbons; alkyl halides; alcohols; and ethers. This includes nomenclature, structure and stereochemistry, properties, reactions, mechanisms, and spectroscopy. Laboratory provides hands-on activities on the basic techniques of organic chemistry including synthesis, separation, purification, and analysis by using various spectroscopic methods. (C-ID CHEM 150, and 160S when combined with CHEM-76B)

Transfer: CSU; UC Grading: Letter grade only

Rancho Cucamonga Campus

	and 9:30am-12:20pm	TH	CHEM-103

CHEM-76B Organic Chemistry II 4.00 UNITS

Prerequisite: CHEM-76A.

This course is a continuation of CHEM-76A expanding the study of organic chemistry to include aromatic compounds, introduction to organometallic compounds, aldehydes and ketones, carboxylic acids and their derivatives, enolates, amines, and introduction to biochemistry. Topics include nomenclature, structure and stereochemistry, properties, reactions, and mechanisms. Laboratory work emphasizes the techniques of organic synthesis, purification, qualitative analysis, and analysis by using various spectroscopic methods. (C-ID CHEM 160S when combined with CHEM-76A)

Child Development and Education (CDE)

CDE-1 Principles & Practices in Early Childhood Education 3.00 UNITS

Other: Proof of a negative tuberculosis test within the past 12 months may be required for some site visits.

Developmentally appropriate practices applied to programs and environments, emphasizing the key role of relationships, constructive adult-child interactions, and teaching strategies in supporting physical, social, creative, and intellectual development for all children. This course includes a review of the historical roots of early childhood programs and the evolution of the professional practices promoting advocacy, ethics, and professional identity. (C-ID ECE 120)

Transfer: CSU Grading: Letter grade only

CDE-2 Child Growth and Development 3.00 UNITS

Other: Proof of negative tuberculosis test within the past 12 months may be required for some site visits.

This introductory course examines the major physical, psychosocial, and cognitive/language developmental milestones for children, both typical and atypical, from conception through adolescence. There will be an emphasis on interactions between maturational processes and environmental factors. While studying developmental theory and investigative research methodologies, students will observe children, evaluate individual differences and analyze characteristics of development of various stages. CIS-15 Introduction to Database & Database Management Systems 3.00 UNITS

Prerequisite: CIS-1.
This course provides the students with an introduction to the core concepts in data and information management with a focus on modern database technologies and techniques. It is centered around the core skills of identifying organizational information requirements, modeling them using conceptual data modeling techniques, converting the conceptual data models into relational data models and verifying its structural characteristics with normalization techniques, and implementing and utilizing a relational database using an industrial-strength database management system and language. The course will also include coverage of basic database administration tasks and key concepts of data quality and data security. In addition to developing database applications, the course helps the students understand how large-scale packaged systems are highly dependent on the use of Database Management Systems (DBMSs). Building on the transactional database understanding, the course provides an introduction to data and information management technologies that provide decision support capabilities under the broad business intelligence umbrella.

CIS-50 Introduction to Computer Networks 3.00 UNITS

Prerequisite: CIS-1 or COMPSCI-1.
This course introduces the architecture, structure, functions, components, and models of the Internet and other computer networks. The principles and structure of IP (Internet Protocol) addressing and the fundamentals of Ethernet concepts, media, and operations are introduced to provide a foundation for further study of computer networks. It uses the OSI (Open Systems Interconnection) and TCP (Transmission Control Protocol) layered models to examine the nature and roles of protocols and services at the application, network, data link, and physical layers. Preparation for the CompTIA Network+ certification exam.

CIS: Hardware and Support (CISHDSP)

CISHDSP-40 Microcomputer Hardware 3.00 UNITS

Prerequisite: CIS-1
This course provides an introduction to the computer hardware and software skills needed to help meet the growing demand for entry-level ICT professionals. The fundamentals of computer hardware and software as well as advanced concepts such as security, networking, and the responsibilities of an ICT professional will be introduced. Provides current and relevant computer technical skills required for entry level PC Technician positions and/or preparation for computer industry certification. Topics include basic analysis of microcomputers and related equipment including computer hardware installations, configuring (upgrading) computers, troubleshooting techniques and the interaction between computer hardware and software. Preparation for the CompTIA A+ certification exams.

CISNTWK-70 Virtualization, Cloud Essentials and Amazon Web Services (AWS) 4.00 UNITS

Prerequisite: CIS-4 and CIS-50.

Using lecture and hands-on labs, this course introduces students to the various cloud models and technologies used in public, private and hybrid clouds. Topics include cloud deployment methods, service models, cloud infrastructure, and key considerations in migrating to cloud computing. Amazon AWS will be the focus for the public cloud model as AWS has revolutionized IT infrastructure and students will be able to spin up actual AWS resources. For the private cloud and hybrid cloud portions of the course, students will setup hardware, networking, hypervisors and virtual machines. This course will cover various cloud technologies and essential domains including compute, storage, networking, security, applications, databases, Infrastructure as a Service, Platform as a Service, and Software as a Service. This course prepares students for multiple certifications including the AWS Academy Cloud Foundations and the CompTIA Cloud+ exams.

CISNTWK-80 Microsoft Azure Fundamentals 3.00 UNITS

Prerequisite: CIS-4 and CIS-50.

This course is intended for students who are just beginning to work with cloud-based solutions and services that are new to Azure. Microsoft Azure is Microsoft's cloud computing platform, providing a wide variety of services students can use without purchasing and provisioning their own hardware. This course will provide students with the foundational knowledge of cloud services and how those services are provided with Microsoft Azure. Azure Fundamentals provides the learner with the skills needed to describe the following concepts: cloud concepts; core Azure services; core solutions and management tools on Azure; general security and network security features; identity, governance, privacy, and compliance features; and Azure cost management and Service Level Agreements. Azure enables the rapid development of solutions and provides the resources to accomplish tasks that may not be feasible in an on-premises environment. Students will be provided with the content needed to prepare them for the certification exam.

Criminal Justice (CJ)

CJ-1 Introduction to the Criminal Justice System 3.00 UNITS

This course introduces students to the characteristics of the criminal justice system in the United States. Focus is placed on examining crime measurement, theoretical explanations of crime, responses to crime, components of the system, and current challenges to the system. The course examines the evolution of the principles and approaches utilized by the justice system and the evolving forces which have shaped those principles and approaches. Although justice structure and process is examined in a cross cultural context, emphasis is placed on the US justice system, particularly the structure and function of US police, courts, and corrections. Students are introduced to the origins and development of criminal law, legal process, and sentencing and incarceration policies. (C-ID AJ 110)

DANCE-7A Ballet IA 1.00 UNIT

Skill acquisition and practice of fundamental classical ballet barre and center technique at the beginning level. Study of ballet theory, history, and vocabulary.

Transfer: CSU; UC Grading: Letter grade only

Rancho Cucamonga Campus

30525 STAFF 8:00am-9:15am TTH CAA-206
Section 30525: Zero Textbook Costs ($0).

DANCE-7B Ballet IB 1.00 UNIT

Skill improvement in fundamental classical ballet barre and center technique at the advanced beginning level. Continued study of ballet theory, history, and vocabulary.

Transfer: CSU; UC Grading: Letter grade only

Rancho Cucamonga Campus

30528 STAFF 8:00am-9:15am TTH CAA-206
Section 30528: Zero Textbook Costs ($0).

DANCE-8A Ballet IIA 1.00 UNIT

Skill improvement and added complexity in classical ballet barre and center technique. Development and practice of intermediate skill level combinations with modifications and complications. Continued study of ballet theory, history, and vocabulary.

Transfer: CSU; UC Grading: Letter grade only

Rancho Cucamonga Campus

30531 STAFF 8:00am-9:15am TTH CAA-206
Section 30531: Zero Textbook Costs ($0).

DANCE-10A Jazz Dance IA 1.00 UNIT
Introduction of basic jazz dance skills and vocabulary emphasizing technique and style through warm-ups; center-floor strength, flexibility, body control techniques; and travelling techniques progressing to choreographed combinations.
Transfer: CSU; UC Grading: Letter grade only

Rancho Cucamonga Campus
30523 D.Bonds 5:00pm-6:15pm MW CAA-206
Section 30523: Zero Textbook Costs ($0).

DANCE-10B Jazz Dance IB 1.00 UNIT
Limitation on Enrollment: Level placement pending instructor approval.
Advisory: Completion of DANCE-10A.
Further development of jazz dance skills and vocabulary at the advanced beginning level emphasizing technique and style adding more complexity to warm-ups; center-floor strength, flexibility, body control techniques; travelling techniques; and choreographed combinations.
Transfer: CSU; UC Grading: Letter grade only

Rancho Cucamonga Campus
30526 D.Bonds 5:00pm-6:15pm MW CAA-206
Section 30526: Zero Textbook Costs ($0).

DANCE-12 Introduction to Dance 3.00 UNITS
This course introduces students to dance as a performance art through lecture and activity including fundamental movement techniques in ballet, modern dance and jazz/vernacular dance forms, historical study of these dance genres, basic composition, and appreciation for dance as a performing art through film and attendance of live dance production.
Transfer: CSU; UC Grading: Letter grade only

Dental Assisting (DENTAL)

DENTAL-405 Basic Dental Sciences 3.00 UNITS
Limitation on Enrollment: Enrollment in the Dental Assisting program.
Corequisite: DENTAL-415, DENTAL-415L, DENTAL-425, DENTAL-425L, DENTAL-435, DENTAL-435L, DENTAL-445, and DENTAL-445L.
Introduction to basic dental sciences and terminology to include the oral cavity, landmarks of the face, tooth morphology, general and oral anatomy, body structures and physiology, fundamentals of preventive dentistry and plaque control, nutrition, history of dentistry, the dental health team, and the state dental practice act.
Grading: Letter grade only

Rancho Cucamonga Campus
32478 STAFF 9:00am-12:20pm M HS-103
Section 32478: Instructor consent required.
Section 32478: There will be no class meeting on Monday, 11/27.

DENTAL-415 Dental Chairside Skills I 2.50 UNITS
Corequisite: DENTAL-405, DENTAL-425, DENTAL-425L, DENTAL-435, DENTAL-435L, DENTAL-445, and DENTAL-445L.
This lecture course provides instruction in four-handed dentistry techniques and prepares the student to assist a dentist at chairside. Content includes: identification and management of medical emergencies, principles and procedures of four handed dentistry, oral evacuation, charting, preparation of anesthetic syringe, rotary and hand instruments, tray setups, placement of dental dam, tofflemire matrix, health history and vital signs.
Grading: Letter grade only

Rancho Cucamonga Campus

ECON-2 Principles of Macroeconomics 3.00 UNITS

Placement Level: Eligibility for MATH-542 or higher-level math course as determined by the Chaffey College placement process.
An introductory course focusing on aggregate economic analysis. Topics include: market systems, aggregate measures of economic activity, macroeconomic equilibrium, money and financial institutions, monetary and fiscal policy, international economics, and economic growth.

U.S. economic systems and institutions and their origins will be examined including: theories and policies concerning economic growth and development, business cycles, unemployment, full employment, inflation, taxation, deficits, the national debt, public choice, money, banking, interest rates, international trade and finance, and competing economic views (e.g. Classical, New Classical, Keynesian, Monetarism, Sustainable Growth Theories, and Human Scale Economics). Education (ED)

ED-10 Elementary Classroom Fieldwork 3.00 UNITS

Limitation on Enrollment: Proof of a negative TB test within past 12 months and legal fingerprint clearance through the Chaffey College Human Resources Department are required for fieldwork placement.

Prerequisite: ED-400.

Placement Level: Eligibility for ENGL-1A as determined by the Chaffey College placement process.

Course explores concepts and issues related to teaching diverse learners in today's schools, Kindergarten through grade twelve (K-12). Topics include teaching as a profession, historical and philosophical foundations of the United States education system, contemporary educational issues, and California's standards for both student curriculum and teacher performance. In addition to a weekly lecture, the course requires 45 hours of structured fieldwork with a certificated teacher in a diverse public elementary classroom. Fieldwork placement will be carefully selected by the course instructor at schools within the district boundaries of the Chaffey College Rancho campus. (C-ID EDUC 200)

Transfer: CSU; UC Grading: Letter grade only

30675	M.Alexander	9:30am-10:45am	MW	CD-124A

Emergency Medical Technician (EMT)

EMT-11 Emergency Medical Technician 7.00 UNITS

Limitation on Enrollment: Student must be 18 years or older at the start of the course, and possess a current American Heart Association Health Care Provider CPR card.

Prerequisite: EMT-405.

Other: Students should possess good dexterity and have good physical condition with the ability to lift 150 pounds and work in confined areas and in different positions (e.g. on the ground or floor).

This course will provide EMT students with training to recognize the signs and symptoms of illness and traumatic injuries, as well as instruction on how to perform life-saving skills.

This course meets requirements as defined in the California Code of Regulations (CCR) Title 22, and is approved by the State of California EMS Authority, and local EMSA Inland Counties EMS Agency (ICEMA). This course includes lecture and laboratory experiences. Students must be a minimum of 18 years of age prior to beginning field experience. A minimum of 24 hours of field experience is included in the course, which consists of clinical rotation at Hospital, and/or ambulance ride along as required in CCR Title 22.

Upon successful completion of the course, students are eligible to register for the National Registry licensing examination which is taken off campus at an approved testing site.

Students upon successful completion of EMT 405 and EMT 11 may pursue the Emergency Medical Provider Certificate of Achievement. This Certificate prepares students for future entrance into a Paramedic Program.

EMT-405 Emergency Medical Technician Preparation Services 3.00 UNITS

Other: Students should possess good dexterity and physical condition, have the ability to lift and carry up to 150 pounds, and be able to work in confined spaces and different positions (e.g. on the ground or floor).

This course provides students with a foundation in CPR, medical terminology, anatomy, physiology, legal issues, pharmacology, and patient assessment. This course is a prerequisite for EMT 11 - Emergency Medical Technician course, which fulfills California Code of Regulations Title 22 requirements. Emergency care knowledge and skills are required for Emergency Medical Technicians, Professional and Volunteer Firefighters, and Peace Officers. Course meets the American Heart Association CPR prerequisite and recommended preparation for admission to the EMT program, and is approved by the Inland County Emergency Medical Agency (ICEMA).

Engineering (ENGIN)

ENGIN-11 Introduction to Engineering 2.00 UNITS

Introduction to the engineering profession. Exploration of the educational requirements for engineers and engineering programs available at four-year schools. Students examine the various engineering fields, along with the design standards, creativity, and professional ethics unique to the profession. Guest speakers and industry exposure provide first-hand accounts of the profession's scope and responsibilities.

ENGIN-26 Engineering Graphics and CAD 3.00 UNITS

Prerequisite: MATH-31.

Placement Level: Eligibility for MATH-61 as determined by the Chaffey College placement process.

This course covers the principles of engineering drawings in visually communicating engineering designs and an introduction to computer-aided design (CAD). Topics include the development of visualization skills, orthographic projections, mechanical dimensioning and tolerancing practices, and the engineering design process. Assignments develop sketching and 2-D and 3-D CAD skills. The use of CAD software is an integral part of the course.

Engineering Technology (EGTECH)

EGTECH-10 Introduction to Engineering Design/Graphics 4.00 UNITS

Survey of engineering graphics and the design process as applied to engineering and related fields. Emphasis is on use of 3-D Feature-Based, Parametric Solid modeling as the foundation of that process. Coursework is done using SolidWorks software. Additional topics include: interpreting ANSI standard engineering drawings, visualization, sketching, geometric relations, assembly modeling, and creating ANSI standard part and assembly drawings. Special emphasis is placed on understanding and developing sound Modeling Strategies/Plans based on 'best practices.' Students also are introduced to 3D-Printing technology and produce physical models from their own CAD models.

EGTECH-30 Introduction to Additive Manufacturing - 3D Printing 4.00 UNITS

Corequisite: EGTECH-10 (may be taken previously).

Introduction to Additive Manufacturing (AM) with an emphasis on 3D printing. Students learn about the evolution of rapid prototyping to desktop 3D printing to Additive Manufacturing and beyond. Current AM technologies, capabilities, materials and applications are investigated by completing a number of hands-on projects by applying Design for Additive Manufacturing (DFAM) principles, creating CAD models, selecting materials, determining optimum build parameters, running parts on 3D printers, and measuring and performing other necessary operations.

SECTION INSTRUCTOR HOURS DAYS ROOM/LOCATION

ENGL-1B Advanced Composition and Critical Thinking 3.00 UNITS

Prerequisite: ENGL-1A.
Using primarily non-fiction reading models, students emulate and incorporate various rhetorical strategies in the development of written analysis and researched argumentation. Focus on logical analysis (e.g., inductive and deductive reasoning) and effective reasoning, establishing credibility, and emotional appeals to develop persuasive arguments. Course is writing intensive with a minimum production requirement of 6,000 words. May be offered as an Honor course. (C-ID ENGL 105)
Transfer: CSU; UC Grading: Letter grade only

SECTION INSTRUCTOR HOURS DAYS ROOM/LOCATION

ENGL-1C Introduction to Literature 3.00 UNITS

Prerequisite: ENGL-1A.

This course introduces representative works from major genres, develops students' close reading and analytical writing skills, and promotes appreciation and critical understanding of the cultural, historical, and aesthetic qualities of literature. Introduces the central literary genres: novel, short story, poem, and play. Close reading of the literature guides inexperienced readers toward greater understanding and appreciation of imaginative literature, and provides more experienced readers with new perspectives through the analysis of the techniques and purposes of specific writers. Students are taught how to organize and compose the literary essay. May be offered as an Honors course. (C-ID ENGL 120)

Transfer: CSU; UC Grading: Letter grade only

Online Class www.chaffey.edu/programsacademics/online-education.php

ESL-612 English as a Second Language I 0.00 UNITS

Placement Level: Eligibility for ESL-612 as determined by the optional Chaffey College ESL placement process and/or guided self placement.

This is the first multi-skills core course in the study of English with reading, writing, listening and speaking designed for students whose first language is not English. The course includes reading and writing the English alphabet, producing the sound system, as well as practicing simple grammar, reading, and writing. Students also learn basic classroom rules and communication necessary for success at school. Ten hours of supplemental learning in a Success Center that supports this course is required. May be taken twice.

Non-credit Grading: Pass/No Pass

Geography (GEOG)

GEOG-1 World Regional Geography 3.00 UNITS

Survey of the world's culture regions and nations as interpreted by geographers, including physical, cultural, and economic features. Emphasis on spatial and historical influences on population growth, transportation networks, and natural environments. Identification and importance of the significant features of regions. Use of maps and regional analysis to interpret world patterns of demography, economies, resources, religions, and languages in relation to landforms and climate. Current world events discussed in an international framework. (C-ID GEOG 125)

GEOG-2 Global Climate Change: An Introduction to Weather and Climate 3.00 UNITS

This course provides a survey of the scientific and societal issues associated with weather and climate variability and change. The course will examine physical phenomena observed in the Earth's weather and climate. Topics include atmospheric structure and composition, solar radiation and energy balances, temperature, seasonal changes, atmospheric moisture, clouds and fog, precipitation, air pressure, winds, air masses and fronts, cyclones, weather forecasting, climate and climate change. The course will also review the current debate on climate change from a scientific point of view, with a focus on those aspects that have the largest potential impact on global society. GEOG-5 Physical Geography Laboratory 1.00 UNIT

Corequisite: GEOG-4 (may be taken previously).
This course is designed to provide supplemental exercises in topics covered in Physical Geography lecture. Lab experience will include map analysis and interpretation, weather prognostication, landform processes and evolution, tectonics, biogeography, and habitat analysis. Field observation and analysis of physical environments to accompany Geography 4. Laboratory is held in the field for on-site interpretation of climate, soils, landforms, plant, and animal distribution.

GUID-507 Opening Doors to Student Effectiveness 3.00 UNITS

Designed for returning and continuing students to address the academic and personal challenges of student effectiveness. Various assessment tools are employed to identify and evaluate student preparation and attitude for a successful college experience. Positive growth and self-motivation strategies are explored, with a special focus on developing an educational plan and life goals. Students address previously employed learning skills and methods to evaluate their effectiveness. New and improved methods of study, time management, and the utilization of college support programs are mastered and applied. This course is designed for students in the Opening Doors to Excellence program. Two (2) arranged hours of supplemental learning in a Success Center that supports this course is required. Instructor signature required.

GUIDANCE 650

This course provides tutoring assistance to students currently enrolled in another Chaffey College credit or non-credit course. Enrollment in GUID-650 may be accomplished during registration or at any time during the term in any Success Center. A current Chaffey student ID is required to access this service.

GUID-650 Supervised Tutoring 0.00 UNITS

Limitation on Enrollment: Referral by course instructor or academic counselor is required. Student must be enrolled in another Chaffey College course.

Open-entry/open-exit supervised tutoring course that provides students assistance in understanding college course assignments. Individualized/small group tutoring and Supplemental Instruction (SI) sessions are conducted outside of class time in a learning assistance center, and are structured to help students achieve specific course objectives or improve learning and study skills in specific subject matter. The content of this course varies according to the course for which tutoring is sought. May be repeated.

SECTION INSTRUCTOR HOURS DAYS ROOM/LOCATION

IET-403A Electrical Motors and Controls I 2.50 UNITS

Advisory: Completion of IET-401A, or one year or more of field related work experience.

Principles of motor controls. Topics include: direct current motors, basic trigonometry, alternating current, inductance in alternating current circuits, resistive-inductive series circuits, capacitors, and resistive-inductive-capacitive parallel circuits.

Grading: Letter grade only

Chino Campus and Online Class

32743 V.Gosai 6:00pm-9:05pm T CHTC-200
and Online hours Canvas
08/14/23-10/03/23 Last day to add: 08/21/23
Section 32743: Hybrid class; see
www.chaffey.edu/programsacademics/online-education.php

IET-403B Electrical Motors and Controls II 2.50 UNITS

Advisory: Completion of IET-403A, or one year or more of field related work experience.

Applications of motor controls. Topics include: resistive-inductive parallel circuits, resistive-inductive-capacitive parallel circuits, three-phase circuits, single- and three-phase transformers, single- and three-phase motors, and three-phase alternators.

Grading: Letter grade only

Chino Campus and Online Class

32745 V.Gosai 6:00pm-9:05pm T CHTC-200
and Online hours Canvas
10/17/23-12/05/23 Last day to add: 10/23/23
Section 32745: Hybrid class; see
www.chaffey.edu/programsacademics/online-education.php

IET-405 National Electric Code 3.00 UNITS

Advisory: Completion of IET-401B, or two years or more of field related work experience.

Interpretation and application of the National Electric Code (NEC) with emphasis on wire size, conduit, motor load protection, classified areas, grounding, and latest NEC updates.

Grading: Letter grade only

Online Class www.chaffey.edu/programsacademics/online-education.php

32748 B.Glenn Online hours Canvas
09/05/23-12/08/23 Last day to add: 09/11/23

IET-407 Electrical Blueprints 3.00 UNITS

Advisory: Completion of IET-401B, or one year or more of field related work experience.

Interpretation of basic ladder diagrams, one line diagrams, electrical symbols, schematics, hydraulic symbols and diagrams including pictorials.

Grading: Letter grade only

Online Class www.chaffey.edu/programsacademics/online-education.php

32749 M.Romero Online hours Canvas
09/05/23-12/08/23 Last day to add: 09/11/23

SECTION INSTRUCTOR HOURS DAYS ROOM/LOCATION

IET-415 Advanced Electricity Laboratory 2.00 UNITS

Prerequisites: IET-405 and IET-407.
Corequisite: IET-411 (may be taken previously).
Advisory: Two or more years of field related experience including PLCs and blueprint.

Application and integration of concepts and skills within the industrial automation and electrical field. Topics include: designing motor control systems, applying NEC code, translating information from blueprint to ladder diagrams and employing it into the PLC program, and applying assignments into a hardwire system.

Grading: Letter grade only

Chino Campus

32765 W.O'Neil 6:00pm-9:55pm MW CHTC-300
10/16/23-12/06/23 Last day to add: 10/22/23
Section 32765: Zero Textbook Costs ($0).

IET-417 Electrical Troubleshooting 3.00 UNITS

Advisory: Completion of IET-403A, IET-407, and IET-411, or two or more years of field related experience that includes static devices.

Application of knowledge of industrial controls, motor controls, and blueprint reading to the development of troubleshooting skills. Analysis of circuits and investigation of problems associated with electrical controls. This course provides skills in building and analyzing industrial electrical control/power circuits to identify faults, and troubleshooting electro-mechanical problems using electrical prints, and a wide range of test equipment as they analyze the systems.

Grading: Letter grade only

Chino Campus

32753 W.O'Neil 6:00pm-9:50pm MW CHTC-300
08/14/23-10/09/23 Last day to add: 08/20/23
Section 32753: Low-Cost Textbooks (below $50).

IET-420 Fundamentals of Control Systems Technology 4.00 UNITS

Advisory: Completion of IET-403A or two or more years of field related experience that includes knowledge of static devices.

This course covers the fundamental knowledge and practical skills necessary to install and maintain standard measurement and control instrumentation. Includes instruction on the following concepts of process control: calibration, maintenance, repair, & troubleshooting, piping and instrumentation diagram (P&ID) basics, project start-up, commissioning, loop checking, project organization, & planning, evaluation of loop performance, P&IDs and ISA Standards, documentation, installation practices, hazardous area classification, intrinsic safety, logical analysis, common problems, types and uses of loop diagrams, basics of Smart Devices and Digital Controllers, calculating and configuring Smart Transmitters.

Grading: Letter grade only

IET-484A Industrial Electricity Internship 1.00 UNIT
Limitation on Enrollment: Currently employed by industry that can supervise internship candidate whether it is a private or public sector employer. Placement is arranged by/approved by the instructor. Participation requirements may vary with the job setting.
Prerequisite: IET-401A, IET-405, or IET-407.
Supervised industry internship in cooperation with private or public sector employers. Provides students expanded, hands-on learning opportunities to apply knowledge and learn new skills directly related to their industrial electricity, electrical systems, or maintenance programs of study, outside of the classroom environment. Placement is arranged by/approved by the instructor. Participation requirements may vary with the job setting.
Note: One course unit will equal 60 hours of volunteer/unpaid work OR one unit will equal 75 hours of paid work. Students may earn up to a total of 16 semester credit hours.
Grading: Letter grade with option for Pass/No Pass grade

Online Class www.chaffey.edu/programsacademics/online-education.php

IET: Mechatronics (IETMECH)

IETMECH-400 Introduction to Mechatronics 4.00 UNITS
Prerequisite: IET-401A and IET-401B.
Advisory: Completion of IETELMT-430 or general knowledge of electro-mechanical equipment such as hydraulic or pneumatic, as well as PLC programming.
Introduction to Mechatronics provides a wide range of manufacturing topics including safety, rigging systems, basic measurements and adjustments, the fundamentals of mechanical drives, fluid power, and electrical concepts. Students will develop a comprehensive understanding of machine functions, of electrical, mechanical, and fluid power and how they are used in real-world applications.
Grading: Letter grade only

InTech Center 9400 Cherry Ave, Fontana, CA 92336

ID-14 Fundamentals of Design for Interiors 3.00 UNITS

Exploration of the fundamental design elements and principles as they relate to interior spaces. Topics are presented in a systematic approach to the creative process of solving interior design problems. Formal visual properties of line, shape, form, pattern, texture and color are studied in their relationship to the organizational systems and unifying principles that create balanced designs. Emphasis will be focused on the use of color and modern day color theories as they relate to historic, cultural and aesthetic use in successful interior design solutions. Students will complete beginning level studio design projects consisting of 2D drawings and 3D model building.
Transfer: CSU Grading: Letter grade only

Chino Campus

31516 STAFF	6:00pm-6:50pm	MW	CHCM-201

SECTION INSTRUCTOR HOURS DAYS ROOM/LOCATION

ID-15 Architectural Drafting for Interior Designers 3.00 UNITS

A beginning course focusing on 2D drafting methods used in architecture and interior design including manual drafting and 2D AutoCAD. Emphasis is placed on line quality, lettering, proper drafting techniques and methods. Students will learn to identify building systems in drawings and learn basic requirements for creating floor plans, furniture plans, elevations, sections, detailing, dimensions, schedules, lighting plans, electrical layouts, and reflected ceiling plans. Students will complete a set of interior working drawings manually and in AutoCAD.
Transfer: CSU Grading: Letter grade only

Chino Campus

	and 7:00pm-8:20pm	TTH	CHCM-201

ID-16 Quick Sketching for Interior Designers 2.50 UNITS

Manual and computer sketching techniques for illustrating interiors. Includes one and two point perspective drawing creation, color rendering, shading, textures, and use of a variety of presentation techniques and medium. Emphasis on quick presentation of ideas for the designer and client. Completed projects become part of a student portfolio.
Transfer: CSU Grading: Letter grade only

Online Class www.chaffey.edu/programsacademics/online-education.php

31653 STAFF	Online hours	Canvas

ID-17 Lighting for Architecture and Interior Design 3.00 UNITS

Basic principles of lighting and their application in terms of visual perception, properties of light and color, light sources, luminaires, lighting design process, lighting techniques, elementary calculations, specifications, and documentation for construction. Students learn how to integrate energy-efficient lighting practices and applicable lighting codes. Written and graphic design documents will be produced.
Transfer: CSU Grading: Letter grade only

Chino Campus

31500 K.Galipeau	9:30am-12:35pm	TTH	CHCM-201

ID-21 Space Planning 3.00 UNITS

Advisory: Completion of ID-10, ID-14, and ID-15.
Other: Familiarity with AutoCAD or other computer drafting programs, interior floor plans, and design fundamentals.
This course provides fundamental skill development in space planning for interiors. Students will investigate the design process, human factors, accessibility, universal design, spatial relationships, and aesthetic considerations for interior layouts. Students will practice the programming of spaces using adjacency studies and diagramming of factors such as circulation, light, and air to meet user needs. The preliminary design of space layouts will be examined for various projects in residential and non-residential interiors including kitchen and bath layouts.
Transfer: CSU Grading: Letter grade only

SECTION INSTRUCTOR HOURS DAYS ROOM/LOCATION

ID-22 Interior Design Materials 3.00 UNITS

Advisory: Completion of ID-10.

Materials and treatments used in interior design for commercial and residential installations, including "green" resources. This course is a study of the technical specification of finishes, furnishings, and equipment needed to complete a variety of interior environments. Emphasis is placed on sustainability. Product knowledge, available resources, industry procedures, and terminology are incorporated. Liabilities and regulations as they pertain to the professional interior designer are covered. Finishes, furnishings, and equipment are estimated and specified, and are graphically designated on drafted plans and elevations. This course is designed for students majoring interior design.

Transfer: CSU Grading: Letter grade only

Chino Campus

31503 STAFF 9:00am-11:50am F CHCM-201

Section 31503: Zero Textbook Costs ($0).

ID-27 Computer Drafting & Design for Interior 3.00 UNITS

Advisory: Completion of ID-15 or ID-21.

Other: Student should possess beginning level knowledge of 2D drafting methods and familiarity with the typical drawings used to present Interior Design, Architecture, or Engineering projects.

Computer-aided drafting & design using professional software, such as AutoCAD, Revit, SketchUp, 2020 Design, ArchiCAD or other 3D software programs typically used in the Interior Design industry. This course will focus on basic skills needed for 3D modeling, and production of 2D floor plans, furniture layouts, elevations, lighting plans, 3D perspectives, and photo-realistic renderings. Use of various rendering software, scanners, printers, and plotters will be covered.

ID-45 Codes and Building Systems 3.00 UNITS

This course examines building codes and building systems relative to interior design and architecture. Special emphasis is placed on international, California, and local code requirements in relation to interior design projects. This course also explores sustainability and universal design aspects of building systems and materials in relation to codes by providing an overview of CalGreen code, ADA law, and California Title 24. This course is designed for students who are majoring in interior design, professional designers who seek to update their knowledge and those who plan to become Certified Interior Designers. This course may also be offered online.

Journalism (JOUR)

JOUR-10 Newswriting 3.00 UNITS

Placement Level: Eligibility for ENGL-1A as determined by the Chaffey College placement process.

This course will provide an introduction to multimedia storytelling with a journalism emphasis. Techniques that will be explored include use of video, photos, audio, animation, and text to convey interactive news and feature stories through the Internet and other electronic media. It also will include techniques in digital research, critical thinking, and synthesis. Principles of writing news stories with emphasis on selecting and organizing information in a clear, accurate, coherent, and concise manner. Fundamentals of correct grammar and spelling are stressed, as well as news copy preparation and format. Examination of the legal and ethical issues facing journalists. Students will report and write based on their original interviews and research to produce news content. Experiences may include covering speeches, meetings and other events, writing under deadline and use of AP Style. (C-ID JOUR 110)

Kinesiology: Activity (KINACT)

Consent for Physical Fitness Program
General Statement of Program Objective and Procedures

I understand that this physical fitness program may include exercise to build cardio-respiratory system (heart and lungs), the musculoskeletal system (muscle endurance and strength, and flexibility), and to improve body, composition (decrease of body fat in individuals needing to lose fat, with an increase in weight of muscle and bone). Exercises may include aerobic activities (treadmill walking/running, bicycle riding, rowing machine exercise, group aerobic activity, swimming, and other such activities), calisthenics, and weight lifting may also improve muscular strength and endurance, and flexibility exercises to improve joint range of motion.

KINACT-1 Beginning Tennis 1.00 UNIT

Emphasis on court etiquette, history, and fundamental skills for tennis including singles and doubles play, so that students may participate in a lifetime activity. Fundamental instruction includes serving, forehand, backhand, volley shots, and game strategy.

Transfer: CSU; UC credit limitations Grading: Letter grade only

Kinesiology: Lecture (KINLEC)

Consent for Physical Fitness Program
General Statement of Program Objective and Procedures

I understand that this physical fitness program may include exercise to build cardio-respiratory system (heart and lungs), the musculoskeletal system (muscle endurance and strength, and flexibility), and to improve body, composition (decrease of body fat in individuals needing to lose fat, with an increase in weight of muscle and bone). Exercises may include aerobic activities (treadmill walking/running, bicycle riding, rowing machine exercise, group aerobic activity, swimming, and other such activities), calisthenics, and weight lifting may also improve muscular strength and endurance, and flexibility exercises to improve joint range of motion.

KINLEC-2 Introduction to Athletic Training 3.00 UNITS

This course will cover concepts of prevention, recognition, emergency care, evaluation, management, treatment and rehabilitation and reconditioning resulting from physical activity and athletics. Legal and ethical issues, professionalism, organization and administration of a sports medicine facility. This course is focused on preparing those interested in becoming Athletic Trainers and Coaches.

Section 32416: To be arranged lab hours will be held on the Rancho Campus. 48-54 lab hours per term to be fulfilled by lab assignments, activities and other methods at the instructor's discretion.

KINLEC-22 Practical Applications in Athletic Training III 2.50 UNITS

Prerequisite: KINLEC-21.
This is the third course in the Practical Applications in Athletic Training series. Course provides students with the opportunity to observe and learn the advanced principles and protocols of athletic training during day-to-day sports activities in a supervised lab setting. Advanced athletic training room and event observation with an emphasis on prevention, care, evaluation, treatment, and rehabilitation for the upper and lower extremity. Helps prepare students for transfer to a Commission on Accreditation of Athletic Training Education (CAATE) accredited athletic training program. This course is a continuation of KINLEC-21.
Transfer: CSU Grading: Letter grade only

Kinesiology: Team (KINTM)

Consent for Physical Fitness Program
General Statement of Program Objective and Procedures

I understand that this physical fitness program may include exercise to build cardio-respiratory system (heart and lungs), the musculoskeletal system (muscle endurance and strength, and flexibility), and to improve body, composition (decrease of body fat in individuals needing to lose fat, with an increase in weight of muscle and bone). Exercises may include aerobic activities (treadmill walking/running, bicycle riding, rowing machine exercise, group aerobic activity, swimming, and other such activities), calisthenics, and weight lifting may also improve muscular strength and endurance, and flexibility exercises to improve joint range of motion.

KINTM-3B Basketball Team Activity, Women 1.00 UNIT

Limitation on Enrollment: Enrollment based on a successful tryout.
Other: Competitive basketball background is recommended.
Focus on history, conditioning, rules, and fundamental skills needed for competitive women's basketball. Instructor consent required for enrollment. May be taken 4 times.
Transfer: CSU Grading: Letter grade only

MATH-4 Mathematical Concepts for Elementary School Teachers 4.00 UNITS

Prerequisite: MATH-542 or higher-level math course, or eligibility for MATH-4 as determined by the Chaffey College placement process as of March 2019, which will result in more students being able to enroll directly in MATH-4.

Study of mathematical concepts, targeted primarily to students preparing to teach elementary school mathematics. For such students, this course fulfills the same transfer requirement as Math-25 College Algebra. Topics include: real number systems and sub-systems, patterns and sequences, basic set theory, logic, and mathematical induction. Emphasis is on comprehension of concepts and application of logical reasoning and critical analysis in problem-solving. (C-ID MATH 120)

Transfer: CSU; UC Grading: Letter grade only

MATH-25 College Algebra 4.00 UNITS

Prerequisite: MATH-542, or eligibility for MATH-25 as determined by the Chaffey College placement process as of March 2019, which will result in more students being able to enroll directly in MATH-25.
Advisory: Concurrent enrollment in MATH-652.

Coordinate geometry and graphing techniques; conic sections; solutions to higher degree polynomial equations; functions; polynomial, rational, inverse, exponential and logarithmic functions; systems of nonlinear equations and inequalities; matrices and determinants; sequences and series; binomial expansion; mathematical induction; introduction to mathematical proof. The Math Department strongly recommends that any student wanting or needing extra support for this course to consider enrolling in MATH-652 concurrently with MATH-25. There is a 1 hour supplemental learning requirement that can be satisfied through the success centers.

SECTION INSTRUCTOR HOURS DAYS ROOM/LOCATION

MATH-60 Calculus for Business 4.00 UNITS

Prerequisite: MATH-25, or eligibility for MATH-60 as determined by the Chaffey College placement process.
Advisory: Concurrent enrollment in MATH-560.
Techniques of calculus as applied to problem solving in business and economics. Topics include: limits, continuity, differentiation and integration in one and several dimensions,
optimization, and transcendental functions. (C-ID MATH 140)
Transfer: CSU; UC credit limitations Grading: Letter grade only

Section 31216: Zero Textbook Costs ($0).

MATH-81 Linear Algebra 4.00 UNITS

Prerequisite: MATH-75.
This course develops the techniques and theory needed to solve and classify systems of linear equations. Solution techniques include row operations, Gaussian elimination, and matrix algebra. Investigates the properties of vectors in two and three dimensions, leading to the notion of an abstract vector space. Vector space and matrix theory are presented including topics such as inner products, norms, orthogonality, eigenvalues, eigenspaces, and linear transformations. Selected applications of linear algebra are included. (C-ID MATH 250)
Transfer: CSU; UC Grading: Letter grade only

Rancho Cucamonga Campus

31218 M.Tavakoli 10:00am-11:50am MW PS-121

SECTION INSTRUCTOR HOURS DAYS ROOM/LOCATION

MATH-85 Differential Equations 4.00 UNITS

Prerequisite: MATH-75.

Other: Prior experience with a graphing utility is needed.

Methods and theory of solving ordinary differential equations; including existence of solutions, series solutions, and singular points. Laplace transforms and linear systems. Applications primarily in the physical sciences. Students may be required to obtain a graphing utility for the course. (C-ID MATH 240)

Transfer: CSU; UC Grading: Letter grade only

Rancho Cucamonga Campus

31221 L.Crow 2:00pm-3:50pm MW PS-125

MATH-401 Mathematics for Health Science 1.00 UNIT

Course is targeted to students applying for the Nursing A.D.N. program. Topics include: metric, apothecary, and household systems of measurement; system conversions; adult and child dosages; and calculations involving oral, intravenous, and intramuscular medication administrations.

Grading: Letter grade only

MATH-545 Concurrent Support: Explorations in Quantitative Reasoning 2.00 UNITS

Corequisite: MATH-45.

This course is designed to be taken concurrently with Math 45: Explorations in Quantitative Reasoning. The focus of this course is to review core prerequisite skills and concepts for quantitative reasoning with an emphasis on critical thinking and problem solving to increase likelihood of success in Math 45. This course builds quantitative literacy, connecting learning strategies and mathematical knowledge necessary for successful completion of Math 45.

Not degree applicable Grading: Pass/No Pass only

MUSIC-5 Music Theory and Musicianship I 4.00 UNITS

Advisory: Concurrent enrollment in MUSIC-35.
This course, through guided composition, analysis, and cultural inquiry, incorporates the following concepts: rhythm and meter; basic properties of sound; intervals; diatonic scales and triads; diatonic chords; basic cadential formulas and phrase structure; dominant seventh; figured bass symbols; and non-harmonic tones; music as science, mathematics, and philosophy in Ancient Greek culture; musical form in the context of poetic, artistic and architectural form. Students explore the history and evolution of music notation in the context of the growth of European vernacular literacy, and development of skills in handwritten notation is expected. In addition, the musicianship component of this course applies and develops the rhythmic, melodic, and harmonic materials of the first semester of Music Theory through ear training, sight singing, analysis, and dictation, drawing from and examining musicals sources from European art music, traditional/folk music from American, European, and non-European cultures, and American popular music. (C-ID MUS 120 and MUS 125)
Transfer: CSU; UC Grading: Letter grade only

Online Class www.chaffey.edu/programsacademics/online-education.php

30533 P.Aranda Online hours Canvas

MUSIC-6 Music Theory and Musicianship II 4.00 UNITS

Prerequisite: MUSIC-5.

Advisory: Concurrent enrollment in MUSIC-36.

This course incorporates the concepts from Music Theory and Musicianship I. In addition, through guided composition and analysis, the course will include: an introduction to two-part counterpoint; voice leading involving four-part chorale writing; diatonic harmony; and an introduction to secondary/applied chords and modulation. Applies and develops the rhythmic, melodic, and harmonic materials of the second semester of Music Theory through ear training, sight singing, analysis, and dictation. Students continue to explore the history and evolution of music notation and theory, as well as cultural influences thereon, through examination and analysis of historically and geographically diverse musical examples. (C-ID MUS 130 and MUS-135)

Transfer: CSU; UC Grading: Letter grade only

NURADN-28 Nursing Process 2 7.50 UNITS

Prerequisite: NURADN-15, or NURADN-3 and NURADN-3L

This course focuses on the care of adult and older adult patients with health alterations that require medical and/or surgical intervention. Emphasis is placed on the care of patients with alterations in selected body functions. Concepts of patient-care, cultural sensitivity, informatics, safe practice, and professionalism are integrated throughout the course. Clinical experiences provide the student an opportunity to apply theoretical concepts and implement safe patient care to adults and older adults in a variety of settings.

NURADN-29 Maternal-Newborn Nursing 2.00 UNITS

Prerequisite: NURADN-15.

This course provides an integrative, family-centered approach to the care of mothers and newborns. Emphasis is placed on normal and high-risk pregnancies, family dynamics and the promotion of healthy behaviors in patients. Clinical experiences provide the student an opportunity to apply theoretical concepts and implement safe patient care to mothers and newborns in selected settings.

SECTION	INSTRUCTOR	HOURS	DAYS	ROOM/LOCATION

NURADN-35 Nursing Process 3 7.50 UNITS

Prerequisite: NURADN-28, or NURADN-3 and NURADN-3L.

This course focuses on the care of adult and older adult patients with medical and/or surgical health alterations. Emphasis is placed on the care of patients with alterations in selected body functions. Concepts of health promotion, health education, evidence-based practice, and interdisciplinary collaboration will be integrated throughout the course. Clinical experiences provide the student an opportunity to apply theoretical concepts and implement safe care to patients and selected groups in a variety of settings.

NURADN-47 Nursing Process 4 7.50 UNITS

Prerequisite: NURADN-35.

This course focuses on advanced concepts of nursing care as they relate to adult and older adult patients with complex, multisystem alterations in health. Emphasis is placed on implementing time management and organizational skills while managing the care of patients with multiple needs and collaborating with the interdisciplinary team. Complex clinical skills, as well as priority setting, clinical judgment, and principles of legal and ethical practice, are integrated throughout the course. Clinical experiences provide the student with an opportunity to apply theoretical concepts and implement safe care to patients and selected groups in a variety of settings.

NURADN-49 Mental Health Nursing 2.00 UNITS

Prerequisite: NURADN-35.

Other: Course may be taken anytime it is offered in the 4th semester of the program either before or after NURADN-47.

This course focuses on the care of patients across the lifespan experiencing cognitive, mental, and behavioral disorders. Emphasis is placed on management of patients facing emotional and psychological stressors as well as promoting and maintaining the mental health of individuals and families. Concepts of crisis intervention, therapeutic communication, and coping skills are integrated throughout the course. Clinical experiences provide the student an opportunity to apply theoretical concepts and implement safe patient care to patients in selected mental health settings.

NURADN-482 Cooperative Education: Nursing A.D.N. 1.00 UNIT

Prerequisite: NURADN-15.
Work experience in cooperation with clinical agencies. Provides expanded learning opportunities directly related to the student's clinical experience. One course unit will equal 60 hours of volunteer/unpaid work OR one unit will equal 75 hours of paid work. Students may earn up to a total of 16 semester credit hours. Student repetition is allowed per Title 5 section 55253.
Grading: Pass/No Pass only

Location(s) to be Determined

33277 T.DePonte	60-75 hours arranged work experience		TBD
Section 33277: Instructor consent required.			

Nursing: Vocational (NURVN)

NURVN-403 Fundamentals of Nursing 3.00 UNITS

Limitation on Enrollment: Acceptance into the Vocational Nursing Program.
Corequisite: NURVN-403L.
Fundamental principles and techniques necessary for the beginning vocational nursing student to provide basic nursing care to patients. Leadership focus on the VN role, responsibilities, and skills in extended-care clinical and home settings. Students select and use appropriate components of the nursing process and Maslow's Hierarchy of Needs to promote health, hygiene, nutrition, rest/sleep, safety, relief of pain, and meet the mobility, bowel/bladder, respiratory, sexual, spiritual, psychosocial, and self-esteem needs of adult and geriatric patients. Study of loss/grief concepts, health and disease, stress adaptation, and therapeutic communication styles is included. Includes 12 hours of related pharmacology content. Instructor signature required.
Note: Students must achieve a minimum grade of C in NURVN-403 and pass NURVN-403L to meet course and program requirements.
Materials Fee: $3.00
Grading: Letter grade only

PHOTO-10 Beginning Darkroom Photography 4.00 UNITS

Introduction to the principles of photography. Emphasis on issues in photography in the context of art, mass media, and media history, using camera. Topics include the development of technical and aesthetic skills, elements of design and composition, camera technology, materials and equipment, and contemporary trends in photography. Instruction in the basic principles of black-and-white photography with darkroom or equivalent experience.

Note: Students must Provide an adjustable non-digital film camera.

Transfer: CSU; UC Grading: Letter grade only

SECTION INSTRUCTOR HOURS DAYS ROOM/LOCATION

PHOTO-12 Studio Lighting 4.00 UNITS

Prerequisite: PHOTO-7 or PHOTO-10.

Introduction to the use of studio equipment and lighting techniques. Throughout the semester emphasis will also be on composition, aesthetic judgment and visual communication. Understanding lighting is critical to photography. Topics include portrait, still life, advertising, and art photography. Students must furnish an adjustable camera.

Transfer: CSU Grading: Letter grade only

Rancho Cucamonga Campus

30791 A.Sanchez 9:30am-10:45am MW CAA-137
and 11:00am-12:15pm MW CAA-137
Section 30791: Zero Textbook Costs ($0).

PHOTO-13 Fine Art Photography 4.00 UNITS

Prerequisite: PHOTO-7 or PHOTO-10.

Explores photography as an art form. Concerned with contemporary issues in art photography.

Transfer: CSU; UC Grading: Letter grade only

Rancho Cucamonga Campus

30793 B.Bischoff 12:30pm-1:45pm MW CAA-123
and 2:00pm-3:15pm MW CAA-123
Section 30793: Zero Textbook Costs ($0).

PHOTO-429 Wedding, Quinceanera, and Event Photography 4.00 UNITS

Prerequisite: PHOTO-7.

Photographic techniques used by contemporary Wedding/ Quinceanera/Events photographers. Subjects covered include: composition, subject posing, selection and use of cameras, lenses, filters, set-ups, lighting, special effects, basic digital workflow, as well as business presentations and sales strategies. Students will produce a web portfolio of projects and student must furnish an adjustable digital camera.

Transfer: CSU Grading: Letter grade only

Physical Science (PHSCI)

PHSCI-10 Survey of Chemistry and Physics 4.00 UNITS

Placement Level: Eligibility for MATH-542 or higher-level Math course as determined by the Chaffey College placement process.

Introduction to the principles of physics and chemistry. Topics include: motion, forms of energy, electricity, magnetism, waves, electromagnetic radiation, atomic structure, bonding, phases of matter, pH and nuclear chemistry, acids and bases, and solutions. Course is recommended for liberal studies majors and future teachers.(C-ID CHEM 140 and PHYS 140)

Transfer: CSU; UC Grading: Letter grade only

Physical Therapy (PTA)

PTA-1 Introduction to Physical Therapy 3.00 UNITS

This lecture-only course introduces the history, organizational structure, and principles (moral, legal, ethical) of evidence-based physical therapy practice in a multicultural society. Students will learn the knowledge, skills, behaviors, and competencies, along with the personal and professional characteristics needed by a physical therapist assistant to be a safe, effective, and efficient healthcare team member.

PHYS-20A Algebra/Trigonometry College Physics I 4.00 UNITS

Placement Level: Eligibility for MATH-61 or higher level math as determined by the Chaffey College placement process.

Prerequisite: MATH-31, and PHYS-5 or one year of high school physics.

Course is designed for students majoring in a life or medical science, or engineering technology, whose university major does not require calculus-based physics. Position, velocity, and acceleration of objects are described using vectors. The concepts of mass, force, Newton's Laws of Motion, momentum, impulse, work, energy, and power are used to describe straight-line motion, projectile motion, circular motion, collisions, explosions, and vibration. Rotational motion includes torque, moment of inertia, angular momentum, and static equilibrium. (C-ID PHYS 105, and 100 S when combined with PHYS-20B)

Transfer: CSU; UC credit limitations Grading: Letter grade only

SECTION INSTRUCTOR HOURS DAYS ROOM/LOCATION

PHYS-30A Physics for the Medical and Life Sciences I 4.00 UNITS

Prerequisite: MATH-61, PHYS-5, PHYS-44, or one year of high-school physics.

Corequisite: MATH-65A (may be taken previously).

Course is designed for students majoring in a life or medical science, or engineering technology, whose university major requires calculus-based physics. Position, velocity, and acceleration of objects are described using vectors. The concepts of mass, force, Newton's Laws of Motion, momentum, impulse, work, energy, and power are used to describe straight line motion, projectile motion, circular motion, collisions, and explosions. Rotational motion includes torque, moment of inertia, angular momentum, and static equilibrium. Differential calculus is used to describe velocity and acceleration, and in presenting the laws of conservation of momentum and conservation of angular momentum. (C-ID PHYS 105, and 100 S when combined with PHYS-30B)

Transfer: CSU; UC credit limitations Grading: Letter grade only

and 11:00am-12:15pm MW HS-143

PHYS-30B Physics for the Medical and Life Sciences II 4.00 UNITS

Prerequisite: MATH-65A and PHYS-30A.

Course is designed for students majoring in a life or medical science whose university major requires calculus-based physics. Electricity and magnetism, including electric force and field, electric potential energy, potential, capacitance, resistance, electromotive force, magnetic force and field, and Faraday's Law. Inductors, with induced electromotive force presented as a derivative of flux. Power, intensity, and loudness of sound waves. Interference, diffraction, and geometrical optics of light waves. (C-ID PHYS 110, and 100 S when combined with PHYS-30A)

Transfer: CSU; UC credit limitations Grading: Letter grade only

PHYS-44 Introduction to Motion 4.00 UNITS

Placement Level: Eligibility for MATH-65A or higher as determined by the Chaffey College placement process.

Prerequisite: MATH-61.

Introduction to mechanics for students majoring in a physical science or engineering. Position, velocity, and acceleration of objects are described using vectors. Concepts of mass, force, Newton's Laws of Motion, momentum, and impulse are used to describe straight line motion, projectile motion, circular motion, collisions, and explosions. In the laboratory, microcomputers with motion detectors and force probes are used to study the concepts of velocity and acceleration, and Newton's Laws of Motion. Graphical representations of motion - velocity-time graphs, acceleration-time graphs, and force-time graphs - are emphasized.

Transfer: CSU; UC credit limitations Grading: Letter grade only

Radiologic Technology (RADTEC)

RADTEC-10 Anatomy and Radiographic Positioning I 3.00 UNITS

Limitation on Enrollment: Admission to the Radiologic Technology Program.
Corequisite: RADTEC-10L.
This course provides a comprehensive study of radiographic positioning of the upper extremity, shoulder, lower extremity, pelvic girdle, bony thorax, respiratory system, and abdomen. There will be an emphasis on associated anatomy, radiographic image evaluation, communication, patient care, and safety. Consideration is given to radiation protection and safety practices, and the production of images of optimal diagnostic quality. Laboratory experience complements the didactic portion. This course provides the knowledge base and cognitive skills necessary to perform standard and special radiographic procedures, with both cultural and physical conditions addressed. Instructor signature required.

RADTEC-16 Patient Care for Radiologic Technologists 3.00 UNITS

Limitation on Enrollment: Admission to the Radiologic Technology Program.
Corequisite: RADTEC-16L.
This course provides a comprehensive study of the role of the Radiologic Technologist in the health care team and the health care delivery system including history, ethics, appropriate terminology, effective communication and interactions, scope of practice, patient evaluation, infection control, and radiation safety practices. Special considerations for the following populations will be addressed: neonatal, pediatric, geriatric, and trauma. Emphasis will be placed on ethics, communication and patient education, the Radiologic Technologist's role and scope, and use of contrast agents in radiology. This course will provide education and skills required for use of and care for various medical devices and supplies including venipuncture materials, various tubes, lines and catheters, isolation, vital signs, enema administration, and patient transfer. Safety, including both patient and radiographer safety, will be addressed throughout. Laboratory experience complements the didactic portion. Instructor signature required.
Materials Fee: $7.00

RADTEC-16L Laboratory for Patient Care for Radiologic Technologists 1.00 UNIT

Limitation on Enrollment: Admission to the Radiologic Technology Program.
Corequisite: RADTEC-16.
This course provides a comprehensive study of the applications of the Radiologic Technologist's role in the health care team and the health care delivery system. It will include discussion, application, role-play, and timed simulated evaluations of the medical procedures and techniques commonly used in radiology departments, including pediatric, geriatric, and trauma patients. Demonstration and application of drug administration, enema administration, acquisition of vital signs, patient transfer and movement, medical and surgical aseptic techniques, and infection control measures will be performed, with emphasis on safety, patient care, communication, and the importance of documentation. Medical and surgical aseptic technique will be studied in depth. Cultural and physical conditions will also be addressed. Instructor signature required.

SECTION INSTRUCTOR HOURS DAYS ROOM/LOCATION

RADTEC-20 Radiologic Science and Protection 3.00 UNITS

Limitation on Enrollment: Admission to the Radiologic Technology Program.
Corequisite: RADTEC-20L.
This course establishes a basic knowledge of the fundamental properties of radiation, x-ray production, and interaction of photons with matter. The operation of radiographic equipment and digital imaging systems is covered. Appropriate radiographic exposure factors required to produce quality radiographic images is introduced, including their influence on the production and recording of images. Computed radiography and direct capture image receptors are compared for methods of image acquisition, processing, delivery, storage, display, archiving, and retrieval is introduced. An introduction to radiobiology and the effects of radiation on living systems including response is included. Emphasis is placed on basic radiation measurement, attenuation and absorption of radiation within the human body, and the associated health effects. Principles of radiation protection and safety for patients and staff are introduced and correlated to state and federal radiation control legislation. The use of radiographic equipment and accessories is explored; laboratory experiments complement didactic instruction. Instructor signature required.

RADTEC-20L Laboratory for Radiologic Science and Protection 1.00 UNIT

Limitation on Enrollment: Admission to the Radiologic Technology Program.
Corequisite: RADTEC-20.
This course establishes a basic knowledge of the applications of fundamental properties of radiation, x-ray production, and interaction of photons with matter. Theoretical and applied concepts are correlated with laboratory results in a series of experiments conducted in on-campus live radiography laboratory. Through a process of discussion, demonstration, return demonstration, group sharing, and demonstration evaluation, students correlate concepts with production of radiographic images. Experiments demonstrate applications of production of x-rays, facilitating student acquisition of competency and skill in the use of radiographic equipment and accessories. Calculation and implementation of appropriate exposure factors is employed for digital imaging systems, including both computed radiography and direct-capture radiography systems. Emphasis is placed on equipment manipulation (including mobile and stationary units), image receptors, ionization and exposure, beam intensity, and radiation protection. Radiographic image evaluation and critiques are performed to assist students in utilizing digital imaging systems. Instructor signature required.

SECTION INSTRUCTOR HOURS DAYS ROOM/LOCATION

RADTEC-31 Radiographic Clinical Education I 2.00 UNITS

Limitation on Enrollment: Admission to the Radiologic Technology Program.

This course provides an introduction to content and clinical practice experiences for sequential development, application, critical analysis, and integration of the concepts and theories in the performance of radiologic procedures, in conjunction with topics presented in the on-campus Radiologic Technology courses. Using competency-based assignments, the student first observes and then assists with (under direct supervision) patient care and radiographic procedures. Emphasis will be on familiarizing the student with the clinical education setting, patient-centered clinical practice, professional development and working relationships with other health care professionals. Competency and outcome measurement ensure the well-being of the patient prior to, during and following procedures. Students follow all policies and procedures outlined in the current Radiologic Technology Student Handbook. Instructor signature required.

Materials Fee: $26.00

Transfer: CSU Grading: Letter grade only

RADTEC-61 Radiographic Clinical Education IV 8.00 UNITS

Limitation on Enrollment: Must be a 2nd year Radiologic Technology student in good standing.

Prerequisite: RADTEC-51.

This course provides continued content and clinical practice experiences designed for sequential development, application, critical analysis, integration, synthesis, and evaluation of concepts and theories in the performance of radiologic procedures. Using structured, sequential, competency-based clinical assignments, concepts of team practice, patient-centered clinical practice and professional development are discussed, examined and evaluated. Emphasis is on patient care and assessment, competent performance of radiologic imaging and total quality management. Students will focus on the well-being of the patient prior to, during and following radiologic procedures. Students perform under direct and indirect supervision as appropriate, adhering to all policies and procedures in the Radiologic Technology Student Handbook. Instructor signature required.

SECTION INSTRUCTOR HOURS DAYS ROOM/LOCATION

RADTEC-67 Anatomy and Radiographic Positioning III 2.50 UNITS

Limitation on Enrollment: Must be a 2nd year student in the Radiologic Technology Program and in good standing.

Prerequisite: RADTEC-25.

Corequisite: RADTEC-67L.

This course provides a comprehensive study of radiographic procedures and positioning of the skull, facial bones, nasal bones, orbits/optic foramina, zygomatic arches, mandible, temporomandibular articulations (TMJ), and paranasal sinuses to perform standard imaging procedures, including trauma and pediatric considerations. An introduction to interventional radiology and computed tomography (CT) is included, with a prominence on cross-sectional anatomy of the skull. There will be an emphasis on associated anatomy, radiation protection, patient communication, effective patient interaction, and radiographic image evaluation. Cultural and physical conditions will also be addressed. Laboratory experience complements the didactic portion. Instructor signature required.

Materials Fee: $4.00

RADTEC-67L Laboratory for Anatomy and Radiographic Positioning III 0.75 UNITS

Prerequisite: RADTEC-25L.

Corequisite: RADTEC-67.

This course provides a comprehensive study of applications of radiographic positioning of the skull, facial bones, nasal bones, orbits/optic foramina, zygomatic arches, mandible, temporomandibular articulations, and paranasal sinuses to perform standard imaging procedures, including trauma and pediatric considerations. Cultural and physical conditions will also be addressed. There will be an emphasis on associated anatomy, radiation protection, appropriate communication, effective patient interaction, and radiographic image evaluation. Positioning skills will include skull lines, skull landmarks, tube angle, entrance or exit, patient position, and patient care. Identification of radiographic quality will be assessed and evaluated. This course includes simulated patient positioning and exposure of radiographic phantoms. Instructor signature required.

RADTEC-472 Pharmacology and Venipuncture for Imaging Professionals 1.50 UNITS

Limitation on Enrollment: Must be a 2nd year student in the Radiologic Technology Program and in good standing.
Prerequisite: RADTEC-16.
Corequisite: RADTEC-472L.
The course provides a comprehensive study of pharmacology and venipuncture associated with medical imaging, with focus on radiographic contrast media. A review of infection control and professional ethics is included, with an emphasis on application to venipuncture and pharmacology. There will be an emphasis on appropriate delivery of patient care and documentation. Didactic introduction to appropriate and effective venipuncture technique is complemented by laboratory applications and practice. Instructor signature required.
Materials Fee: $4.00

RADTEC-472L Lab for Pharmacology and Venipuncture for Imaging Professionals 0.50 UNITS

Limitation on Enrollment: Must be a 2nd year Radiologic Technology student in good standing.
Corequisite: RADTEC-472.
The course provides a comprehensive study of the applications of pharmacology and venipuncture associated with medical imaging, with focus on venipuncture techniques. Application of skills, skills-building, and reinforcement of theory is included. There will be demonstration of the anatomy and physiology of venipuncture sites, instrumentation, saline intravenous solutions, and proper use of associated equipment. Students will first execute simulated demonstrations, then perform a minimum of ten successful venipuncture sticks on simulated patients (mannequin arms). Patient care aspects of venipuncture are emphasized, with extensive skills-building in effective communication and proper documentation. Instructor signature required.

Social Science (SCSCI)

SCSCI-10 Statistics for Social Science 4.00 UNITS

Placement Level: Eligibility for MATH-25 as determined by the Chaffey College placement process.

Survey of methods used to analyze and interpret data generated by scientific investigation. Purpose and application of statistics, frequency distributions and graphing, central tendency, variability, percentiles, standard scores, the normal distribution, regression, correlation, probability, hypothesis testing, simple and two-factor analysis of variance, and non-parametric techniques. The use of probability techniques, hypothesis testing, and predictive techniques to facilitate decision-making. Topics include descriptive statistics; probability and sampling distributions; statistical inference; correlation and linear regression; analysis of variance, chi-square and t-tests; and application of technology for statistical analysis, including the interpretation of the relevance of the statistical findings. Applications using data from disciplines including business, social sciences, psychology, life science, health science, and education. Use of computerized statistical packages (e.g. SPSS). (C-ID SOCI 125 and MATH 110)

SECTION INSTRUCTOR HOURS DAYS ROOM/LOCATION

SPAN-3 Intermediate Spanish I 4.00 UNITS

Prerequisite: SPAN-2 or two years of high school Spanish.

This course teaches culture and facilitates language acquisition through listening, speaking, reading and writing. Students will continue to interact with authentic language in context. Content is expanded beyond "survival" needs of the immediate environment in order to express personal meaning and to apply different strategies and techniques to go beyond casual conversation and express opinions, make suggestions on familiar topics, as well as some abstract issues and plans. Students demonstrate an increased awareness of cultural norms, values, and culturally relevant appropriate customs and events. Accuracy becomes quite high for high frequency structures and vocabulary but more complex discourse is still developing and requires a somewhat sympathetic listener or reader. Students will demonstrate the ability to think critically by analyzing linguistic structures and reflecting on and making cross-cultural comparisons. This course is taught primarily in Spanish. This course may also require completion of supplemental assignments. (C-ID SPAN 200)

SPAN-3SS Spanish for Heritage Speakers I 4.00 UNITS

Prerequisite: SPAN-2 or department-determined equivalency (visit https://www.chaffey.edu/acc/acd/acd-academic/spanish-3ss.php to provide evidence to challenge this prerequisite).

This course is designed for heritage speakers of Spanish or other linguistically qualified students. It provides instruction that builds upon the existing reading, writing, speaking, and listening skills and the cultural heritage and knowledge of these students. The course will increase awareness of linguistic registers and correct diacritical marks and their correct uses. This course introduces the student to the geography, history, and culture of the Spanish-speaking world and encourages students to analyze and appreciate the important literary, philosophical, and historical texts to build global cultural competence. This course is conducted entirely in Spanish. (C-ID SPAN 220)

SPAN-9 Cultural Awareness through Conversation 3.00 UNITS

Prerequisite: SPAN-2 or department-determined equivalency. Spanish 9 survey found here: https://www.chaffey.edu/acc/acd/acd-academic/spanish-9.php

This course is designed to improve Spanish conversational skills and enhance cultural awareness for those students who have a degree of proficiency in Spanish or are heritage speakers. The course promotes a greater awareness of the nuances of the Spanish language through discussions and debates centering on the history, politics, society and culture of the Spanish speaking world. The course prepares students to be global citizens through self-reflection and thoughtful exploration of Hispanic cultures and communities in the U.S. and abroad. The course will be conducted in Spanish.

Statistics (STAT) *Also see Mathematics*

STAT-10 Elementary Statistics 4.00 UNITS

Placement Level: Eligibility for STAT-10 as determined by the Chaffey College placement process as of March 2019, which will result in more students being able to enroll directly in STAT-10, or completion of MATH-542.

Advisory: Concurrent enrollment in STAT-510.

The use of probability techniques, hypothesis testing, and predictive techniques to facilitate decision-making. Introduction to descriptive and inferential statistics. Topics include: frequency distribution, measures of variation and central tendency, discrete and continuous random variables and probability distributions, sampling distributions, interval estimations of population parameters, hypothesis testing, analysis of variance, chi square and t-test analysis, and linear regression and correlation. Application of technology for statistical analysis including the interpretation of the relevance of statistical findings. Applications using data from various disciplines such as: business, physical sciences, social sciences, psychology, life science, health science, and education. A specific statistical graphing & computing utility is required. See instructor before acquiring. May be offered as an Honors course. The Math department strongly recommends that any student wanting or needing extra support for this course to consider enrolling in STAT-610 to be taken concurrently with STAT-10. There is a 1 hour supplemental learning requirement that can be satisfied through the success centers. (C-ID MATH 110)

STAT-510 Concurrent Support: Elementary Statistics — 2.00 UNITS

Corequisite: STAT-10.

This course is designed to be taken concurrently with Stat 10: Elementary Statistics. The focus of this course is to review core prerequisite skills and concepts for statistical reasoning with an emphasis on critical thinking and problem solving to increase likelihood of success in Stat 10. This course builds quantitative literacy, connecting learning strategies and statistical knowledge necessary for successful completion of Stat 10.

Not degree applicable — Grading: Pass/No Pass only

HYBRID AND ONLINE DISTANCE EDUCATION

Canvas is the course management system used by faculty at Chaffey College for the delivery of both hybrid and online classes.

BE TECH READY

- Frequent and extended access to either a desktop or laptop computer, or a tablet that is equipped to support varied usage of software is ideal.
- Reliable and extended access to the internet is necessary to complete course work.
- The latest versions of Google Chrome, Mozilla Firefox, and Safari are all compatible with Canvas.

GET FAMILIAR WITH CANVAS

- Students have access to the Student Support Hub, where they can connect with Student Support Services, and access a Canvas self-paced course. This course contains tutorials and instructions to help prepare students on how to use Canvas at Chaffey College. Visit the course at the link below.

STUDENT SUPPORT HUB

ACCESS YOUR HYBRID OR ONLINE COURSE

- Students enrolled in a hybrid or online class will be granted immediate access to Canvas.
- Students will have access to their class(es) in Canvas on the first day of instruction.

DOWNLOAD THE CANVAS STUDENT APP!

The Canvas Student App allows students to access their courses and groups using a mobile device. Students can submit assignments, participate in discussions, view grades and course materials. The app also provides access to course calendars, To Do items, notifications, and Conversations messages. You can download the app from the Apple App Store or Google Play Store. Search for Canvas Student.

Online education offers a flexible learning environment with on-demand embedded support. Learn more here: https://www.chaffey.edu/programsacademics/online-education.php

THE HONORS PROGRAM

WHAT ARE THE BENEFITS TO JOINING THE HONORS PROGRAM?

- Challenging curriculum and small classes
- Priority access to designated Honors courses
- Preferred registration
- Participation in local, state, and national research conferences
- Access to university libraries and invitations to special events
- Transcript annotation indicating honors credit and grade
- Increased probability of transfer (twice the average) coupled with Honors transfer agreements with designated universities guaranteeing priority consideration/acceptance

Download the Honors Program application from the Chaffey website at https://www.chaffey.edu/programsacademics/honors.php or pick up a copy in the Honors Office or the Counseling Center.

Contact us with questions at honors.program@chaffey.edu.

WHO MAY ENROLL IN AN HONORS COURSE?

- A student who is a member of the Chaffey College Honors Program,
- **or**, a student who has obtained special permission from the Director of the Honors Program, the Dean of Social & Behavioral Sciences, or the instructor of the course.

HONORS PROGRAM OFFICE

Dr. Julie Song, Honors Director
Helen Leung, Honors Counselor
Dotty Nevarez, Administrative Assistant II

PHONE:
(909) 652-6263 or (909) 652-6478

HOURS:
Monday-Thursday 7:30am-2:00pm
Friday 10:00am-1:00pm

THERE ARE 2 WAYS TO ACHIEVE HONORS CREDIT FOR A COURSE

1. **Take an Honors course section**

CAMPUS	COURSE	SECTION	START - END DATE	FACULTY	HOURS	DAYS	LOCATION
RANCHO	ENGL-1B	30686	8/14/23 - 12/15/23	H. Leonor	9:30AM - 10:45AM	MW	LA-100
RANCHO	ENGL-1B	30699	8/14/23 - 12/15/23	H. Leonor	8:00AM - 9:15AM	TTH	LA-106
ONLINE	ENGL-1B	30709	8/14/23 - 12/15/23	V. Abundis	Online hours		Canvas
ONLINE	ENGL-1B	30710	8/14/23 - 12/15/23	V. Abundis	Online hours		Canvas
RANCHO	PH-20	25696	9/5/23 - 12/8/23	S. Davila	9:00AM - 12:25PM	W	TBD
RANCHO	SOC-70	31083	9/5/23 - 12/7/23	J. Song	11:00AM - 12:50PM	TTH	SS-105

2. **Do an Honors Program Contract after meeting with the counselor and mapping out your plan**
   All transfer-level courses may earn Honors credit through an Honors contract, contingent upon agreement by the individual instructor. Students must be accepted into the Honors Program to be eligible for Honors contracts.

NOTES FOR FULL-TERM CLASSES:

- Lab-only classes do not require scheduled finals.
- Lecture/Lab combination classes generally hold finals based on when the lecture portion is scheduled.
- Classes that meet 2 hours per week or less (including hybrids and 1-2 unit courses) hold their final either during the last regular class meeting, or online as appropriate; please consult your instructor.
- If your class regularly meets 3 or more days per week, has TBA or arranged hours, is not listed above and the notes above do not apply, OR you have a conflict, please confirm the exam time with your instructor.
- If you have any questions regarding the time of your final exam, please consult your instructor. Modifications to the final exam schedule are subject to approval by the appropriate Dean.

NOTES FOR SHORT-TERM CLASSES:

- All classes scheduled less than full term (including Fast Track and 14-week) hold finals during the last regular class meeting.

NOTES FOR FULLY ONLINE CLASSES:

- Fully online classes may have different timeframes for final exams. Please consult with your instructor for more information.
