CONFERMENT OF DEGREES

RECESSIONAL

*Graduates should meet their family members and
guests outside on the south side of the
Arena after the Commencement ends.*

WELCOME ADDRESS

Dr. Henry D. Shannon

Superintendent/President

Henry Shannon brings more than four decades of experience as a higher education leader to Chaffey College – a place he has enhanced and transformed into the nationally-recognized center of learning it is today.

Dr. Shannon came to Chaffey College in 2007, delivering mindful and strategic leadership that has generated a stronger sense of community, as well as clear goals and objectives that have helped students thrive.

Since 2012, graduating classes have experienced an upward trajectory thanks to his focus on retention and completion rates. But he didn't get there alone. Campus stakeholders received encouragement and empowerment from Dr. Shannon to seek opportunities for increasing student support. Faculty and staff applied for and obtained millions of dollars in grant funding, implemented accelerated learning opportunities and introduced new student support programs to further help students turn their academic dreams into reality.

Dr. Shannon's dedication to ensuring all students have access to a quality higher education shows in his service on and off campus. He shares his expertise as a board member with the Community College Research Center Advisory Board, the Alliance for Education of San Bernardino County, the San Bernardino County Workforce Development Board, Growing Inland Achievement, California Community Colleges Region 9 CEOs and more. He holds numerous memberships with national organizations such as the American Association of Community Colleges and the American Council on Education. Growing Inland Achievement awarded Dr. Shannon for "Equity-Focused Excellence" during the Toward a Shared Vision Conference in October 2023. In April of that same year, Dr. Shannon received the PROMoter Award by the Community Colleges Public Relations Organization (CCPRO). The San Bernardino County Superintendent of Schools honored Dr. Shannon in 2022 with the "Distinguished Service Award," and the Inland Empire Economic Partnership named Dr. Shannon "Educator of the Year" in 2021 for his commitment to workforce education and partnering with the business community. The Association of Community College Trustees honored Dr. Shannon in 2018 with a regional and national Marie Y. Martin Chief Executive Officer Award for his significant impact on two-year colleges.

Prior to joining Chaffey College, Dr. Shannon served as Chancellor of St. Louis Community College. During his years of service in St. Louis, he was a campus president and the chief student affairs officer. Additionally, Dr. Shannon was a faculty member and administrator at both Harris-Stowe State University and St. Louis University.

Dr. Shannon earned his bachelor's degree at Harris-Stowe State University. He earned both his master's and doctorate degrees from Washington University in St. Louis and a management certificate from Harvard University.

KEYNOTE ADDRESS

Reyna Grande

Bestselling Author

Reyna Grande is the author of the bestselling memoirs, *The Distance Between Us* (Atria, 2012) and *A Dream Called Home* (Atria, 2018), where she writes about her life before and after she arrived in the United States from Mexico as an undocumented child immigrant.

Her other works include the novels, *Across a Hundred Mountains* (Atria, 2006), *Dancing with Butterflies* (Washington Square Press, 2009), and *A Ballad of Love and Glory* (Atria, 2022), a novel set during the Mexican-American War. *The Distance Between Us* is also available as a young reader's edition from Simon & Schuster's Children's Division, Aladdin. She is the co-editor of an anthology by and about undocumented Americans called *Somewhere We Are Human: Authentic Voices on Migration, Survival and New Beginnings* (HarperVia, 2022). Her books have been adopted as the common read selection by schools, colleges and cities across the country.

Reyna has received an American Book Award, the El Premio Aztlán Literary Award and the International Latino Book Award. She was a finalist for the prestigious National Book Critics Circle Awards. She was honored with a Luis Leal Award for Distinction in Chicano/Latino Literature, a Latino Spirit Award, and a Writers for Writers Award from Poets & Writers. The young reader's version of *The Distance Between Us* received an International Literacy Association Children's Book Award.

Writing about immigration, family separation, language trauma, the price of the American Dream, and her writing journey, Reyna's work has appeared in *The New York Times*, the *Dallas Morning News*, CNN, *The Lily* at *The Washington Post*, BuzzFeed, among others. In March 2020, she was a guest on Oprah's Book Club television special. Reyna is a proud member of the Macondo Writer's Workshop founded by Sandra Cisneros, where she has also served as faculty. She has also taught at Bread Loaf Writers Conference, VONA (Voices of Our Nation's Arts), Under the Volcano Writer's Conference, and Grubstreet's The Muse and the Marketplace, among others. Born in Iguala, Guerrero, Mexico, Reyna was 2-years-old when her father left for the U.S. to find work. Her mother followed her father north two years later, leaving Reyna and her siblings behind in Mexico. In 1985, when Reyna was nine, she left Iguala to make her own journey north.

Reyna attended Pasadena City College before transferring to the University of California, Santa Cruz, where she went on to become the first in her family to graduate from university. She holds a BA and a Master of Fine Arts in creative writing.

STUDENT GOVERNMENT

Tamia Newman

*Student Trustee/
CCSG President*

I moved to the United States from Australia when I was 9. Early in my life, I felt disempowered by the K-12 school system, and it was my experience in that system that made me decide not to pursue higher education.

Graduating in 2020, I vowed that college was not for me, so I tried to find a career path through different avenues. After working various food services and retail jobs like Guess, event planning, and even the military, I eventually found my way to Chaffey in the fall of 2022.

As an online student, I began my involvement in the school slowly by joining the student government, which was online. I was tasked as the director of events in a post-pandemic social distancing world, but needless to say, I was inspired to connect with this school and realized its potential for a growth community. I dove headfirst into Chaffey, deciding to work at the library and Center for Cultural and Social Justice, as well as becoming a founding board member for Club Evolve, and the newly-branded Black Student Union.

Throughout my tenure here at Chaffey, I worked on a variety of projects, from providing free sexual health and menstrual hygiene products across campus, to increasing club funding, holding a variety of demonstrations to speak against police brutality, initiating civic engagement initiatives to call for humanitarian aid for Gaza and doubling the amount of student representative leadership positions. I have also begun to represent the Chaffey College student body in a variety of conferences, from presenting my own original research in honors societies and programs, to presenting at national conferences in Washington, DC, and advocating for the LGBTQ+ community.

I am so happy to have been at Chaffey these past two years. Thank you for this opportunity.

CLASS SPEAKER

Alexis Yrigoyen

I was born and raised in San Bernardino with my mom, dad, and older brother. They blessed me with a home that fostered compassion and strength. My loving papá infused our home with creativity and warmth. His passion for painting and music ignited my curiosity and love for self-expression. My tender mamá – First Class Petty Officer in the Navy – embodied fierceness and determination. She taught me discipline and the value of perseverance in adversity. They encouraged me to be an enthusiastic student. I thrived in school, earning top grades and partaking in every extracurricular activity possible.

In high school, bullying impacted my mental health, forcing me to drop out. I was seventeen when I earned my GED to attend college. However, my first five college attempts were unsuccessful. I felt inadequate and doubtful. Was I intelligent or capable enough to achieve my dreams? On my sixth try, hope emerged at Chaffey College. I realized my shortcomings didn't define my worth. Intelligence wasn't a fixed trait but a spectrum encompassing many skills, talents, and abilities. Capability isn't the absence of doubt but the courage to confront and persevere. No matter what, I couldn't fail again. I refused to fail again.

My older brother, Zach, inspired me as a little girl. I adored him and followed in his footsteps, eager to imitate him. When I became an older sister to two little girls, Isabella and Gabriella, my world changed. I strive to be their role model and lead by example, just as my brother once did for me. Their sparkling eyes, full of admiration and love, remind me of my own. I won't fail again. I refuse to fail again.

I rediscovered my potential at Chaffey College and realized my passion for Anthropology through Dr. Marc Meyer. I am grateful to earn my degree in a supportive environment that nurtures curiosity, fosters growth, and encourages exploration. Thank you to my boyfriend, Andrew, who made returning to college possible. With a newfound sense of purpose, the lessons learned here will guide me through the next chapter of academic and personal growth. Thank you, Chaffey College. As a Panther, I will live up to my potential and contribute meaningfully to the world.

ACADEMIC REGALIA

The academic dress associated with college commencement ceremonies has been inherited from the medieval universities of the eleventh and twelfth centuries. Principle features of the academic dress are the following: the gown, hood, and cap.

THE GOWN

While originally worn as protection against the cold of unheated buildings, today it has become symbolic of scholarly attire. The color of the gown varies at the certificate and associate degree level, but it is black for all other degrees. For the bachelor's degree, it has pointed sleeves; for the master's degree, closed sleeves with a slit at the arm or wrist; for the doctorate, full bell double sleeves. The bachelor's and master's degree gown have no trimmings; for the doctorate, the gown is fastened down the front and trimmed with velvet and has three bars of velvet across the sleeves. The fourth velvet bar denotes the school's superintendent president.

THE HOOD

The hood varies in size from the associate of arts degree, which covers the shoulder area, to the doctorate, which is four feet in length. The colors of the silk lining(s) and velvet bands of the hood worn in the academic procession have specific and official significance.

The silk linings of the hood bear the color or colors of the college from which the wearer was graduated. The color of the band around the hood designates the academic major in which the wearer has taken his or her degree. Examples of some of the disciplines are as follows:

Anthropology	Gold	Medicine	Hunter Green
Business .. Administration	Drab	Philosophy	Dark Blue
Journalism	Dark Crimson	Speech	Silver Gray
Law	Purple	Library Science...	Lemon Yellow
Counseling Guidance		Nursing	Apricot
& Education	Light Blue	Public Health	Salmon Pink
Economics	Copper	Science.....	Gold Yellow
Engineering	Orange	English.....	White
History.....	White	Humanties.....	White
Music.....	Pink	Physical Education ...	Sage Green

THE CAP AND SASH

The academic cap establishes freedom of scholarship and the responsibility and dignity with which the scholarship endows the wearer.

The black and red tassel denotes those who are graduating with an associate of arts or an associate of science degree. The white tassel denotes those who have earned a certificate. A gold tassel denotes graduation with honors.

A black and gold sash denotes graduation with honors (degree applicable G.P.A. of 3.50 or greater based on fall semester G.P.A.). The gold sash with blue and gold cords denotes students who have earned membership in Phi Theta Kappa, the international honor society for two-year colleges. The students wearing ethnic sashes represents the diverse student body on campus. The red and white sash represents Chaffey College's pride and can be worn by all graduating students.

CHAFFEY COLLEGE EXTENDS THANKS

to those who helped with this year's
Commencement program:

Office of the Associate Superintendent of
Student Services and Strategic Communications

Office of the Associate Superintendent of
Instruction and Institutional Effectiveness

Admissions & Records

Campus Store

Counseling and Student Success
& Support Programs

Maintenance & Operations

Office of Strategic Communications

Office of Student Affairs

Office of Student Life
