## 6. UNFINISHED BUSINESS

**6.1 Action Item** - The following resolution was moved and seconded at the October 29, 2024 Academic Senate meeting. The discussion and voting was postponed due to time constraints.

- Whereas Dr. Shannon, Lisa Bailey, and Alisha Rosas have failed to demonstrate consistency, transparency, and accountability via participatory governance when making major college decisions, including around changes to organizational structures;
- Whereas Dr. Shannon, Lisa Bailey, and Alisha Rosas have failed to demonstrate consistency, transparency, and accountability via participatory governance around employment decisions and practices;
- Whereas Dr. Shannon, Lisa Bailey, and Alisha Rosas have failed to consistently demonstrate genuine support of and empathy towards **all** Chaffey College faculty and staff, and have engaged in practices of denial and legal intimidation when significant concerns have been raised;
- Therefore, be it resolved that the faculty at Chaffey College do not have confidence in the above named executive leadership to lead the college and make sound decisions via participatory governance in a manner that demonstrates respect for the college mission and campus community.
- Senator Polidano asked President DeRose to read the following statement in his absence:
  - Hello fellow senators and Academic Senate guests. Unfortunately I won't be able to make today's meeting as I'm currently driving a group of students to the SEMA show/conference. I wanted to send this message to communicate my support for the current VNC motion that we started discussing in last week's meeting, suggestion #2. Many of you heard my initial concerns that the originally proposed VNC was too broad in subject matter and style, and after speaking with my constituents the sentiment is mostly united that this revised statement aligns more directly without creating opportunities for contention or doubt within the faculty ranks. I apologize for being unable to perform my duties as a senator today, but please know that my vote in this motion would have been a “yes.”
- One senator asked if we will include a request to remove Dr. Shannon in the proposed resolution as was brought up in our last meeting. There was no further discussion on changing/editing the resolution.

- Senators emphasized that the vote on the resolution is a collection of the feedback senators received from their constituents.
- Senator Chamberlain moved to vote by acclamation. Senator Henry seconded the motion. There were no objections so the motion passed by acclamation. 11.5.24

## 6.2 Discussion/Possible Action Item: Revised Sabbatical Proposal for Approval- see attachment titled "Spring 2025 Sabbatical Leave Request (rev. 15 Oct 2024)"

- David Rentz, Music, ACD: Senators Chamberlain, Doget, and Laura Santamaria Brady
  - Senators Chamberlain and Santamaria Brady feel strongly that David's updates were fantastic, thoughtful, and made a lot of sense. They recommend approval of the revisions.
- **Motion for Approval** - Senator Gomez moved to approve the revised sabbatical proposal submitted by David Rentz. Senator Overduin seconded the motion. The motion was approved. 11.5.24, 22Y/0N/0A.

## 7. REPORT(S)

### 7.1 President

- The Academic Senate received seven letters from various administrators stating their position in response to items included in the proposed draft of a vote of no confidence resolution that appeared on the Academic Senate's October 8th and October 15th agendas.
  - There was discussion whether a motion was needed. It was decided to attach the emails to the November 1st minutes.
  - Senator Santamaria Brady motioned to extend the discussion time by 10 min. The motion was seconded by Senator Shelton. There were no objections.
  - Senators expressed that they don't agree or disagree with the content in the emails. The statements in the emails have not been investigated.
- Sabbatical Proposals
  - Senators volunteered to serve on subcommittees to read the following sabbatical proposals:
    - Allison Tripp – Patty Gomez, Tamari Jenkins, Robin Witt
    - Angela Cardinale - Melissa Johannsen, Hannah Carter, Jinny Lee
    - Pamela Valfer - Sean Connelly, Anthony Guaracha, Myra Andrade
    - Robert Ian Jones – Laura Santamaria Brady, Sarah Chamberlain, Steve Shelton
    - Ryan Falconi –Annette Henry, Manar Hijaz, Liz Encarnacion
    - Sheila Malone – Liz Encarnacion, Candice Hines-Tinsley, Louisa Villeneuve
  - One person should volunteer to collect any revisions and then communicate back to the applicant. The Academic Senate must vote on sabbatical proposals by December 3rd.
  - **Motion for Approval** - Senator Chamberlain moved to approve the above sabbatical proposal subcommittees. Senator Jenkins seconded the motion. The motion was approved. 11.5.24, 22Y/0N/0A.
- Report to the Community Event: Thursday 11/7 from 11-1 pm at the Chino Community Center. There are two spaces available, please let Lissa Napoli know if you want to attend.

### 7.2 President-Elect

- Report on two of the Academic Issues Group items from the November 1st meeting:
  1. The Dean of Institutional Effectiveness position description is correct.

2. Student disruptions to prioritize the Black and Brown Minds Mattering (BBMM) Conference was discussed. There were five classes moved. In the future, they plan to hold the conference on a Friday when less classes are held or maybe even a Flex day. The BBMM conference needs to be on a weekday because they partner with the high schools and bring high school students on campus. The old library space could possibly become an event and conference space so classrooms are not interrupted. The messaging about food service on the day of the BBMM conference was not clear. Full service food options were available and were shuttled to the Campus Store and Panther Express.

- Today, November 5th, is a big Election Day. It is important to prioritize sleep and take a mental break from refreshing apps for election updates. We need to be here tomorrow for our students.

**7.3 Secretary/Treasurer** - No report

**7.4 Curriculum Chair** - No report

**7.5 Classified Senate Liaison** - No report

**7.6 Chaffey College Student Government Liaison** - No report

**8. NEW BUSINESS** - None.

**9. GUEST(S)/PRESENTATION(S)** - None.

**10. FLOOR ITEMS** \*10 minutes max (Reserved to raise concerns within the Academic Senate scope. The Senate will hear your concerns/questions, but may not respond. If requested, the concern can be included on a future agenda.)

- Senators discussed procedures when a student has an emergency on campus. Student Health Services will not come to the student. The college can not assess a student where they are located because it could delay necessary care. Instead, please call 911.
- The college should provide students a physical place to get health services on the Fontana and Chino campuses as well. This can be added to the Academic Issues Group agenda.
- Senators discussed developing criteria for the MacKenzie Scott Advisory Committee membership selection. In the meantime, we will request an extension for the initial meeting or if there is a meeting before all members are selected then it should just be an introductory meeting (no important decisions made until the group membership is complete).
