

BP 5010 Admissions and Concurrent Enrollment

The District shall admit students who meet one of the following requirements and who are capable of profiting from the instruction offered:

- Any California resident over the age of 18, and may admit any nonresident, possessing a high school diploma or the equivalent thereof.
- Other persons who are under the age of 18 years and who, in the judgment of the Superintendent/President or their designee, are capable of profiting from the instruction offered. Such persons shall be admitted as provisional students, and thereafter shall be required to comply with the District's rules and regulations regarding scholastic achievement and other standards to be met by provisional or probationary students as a condition to being readmitted in any succeeding semester.
- Persons who are apprentices as defined in Labor Code Section 3077.

The District may deny or place conditions on a student's enrollment upon finding that the applicant has been expelled within the preceding five years or is undergoing expulsion procedures in another California community college district, and that the applicant continues to present a danger to the physical safety of the students and employees of the District.

The District shall in its discretion, or as otherwise federally mandated, evaluate the validity of a student's high school completion. The Superintendent/President shall establish procedures for evaluating the validity of a student's high school completion.

High school and younger students shall be admitted at the discretion of the Superintendent/President or designee. The admittance of special part-time or full-time students shall comply with the requirements of Education Code Section 76001(b) regarding findings and reasons for denying any such request by pupils who are identified as highly gifted.

- **Admission** – Any student enrolled in high school with a minimum GPA of 2.00 is eligible to attend as a special part-time or full-time student for advanced scholastic or career/technical courses. Exceptions may be granted by the Associate Superintendent of Student Services on a case-by-case basis.

Any student in an adult education program administered by a school district or noncredit program administered by a community college district that is pursuing a high school diploma or high school equivalency certificate, and receives the recommendation of the administrator of the student's adult school or noncredit program of attendance, is eligible to attend as a special part-time student.

The Superintendent/President shall establish procedures regarding ability to benefit and admission of high school and younger students.

- **Denial of Requests for Admission** – If the Governing Board denies a request for special full-time or part-time enrollment by a pupil who is identified as highly gifted, the Governing Board will record its findings and the reason for denying the request in writing within 60 days.

The written recommendation and denial shall be issued at the next regularly scheduled board meeting that occurs at least 30 days after the pupil submits the request to the District.

The Superintendent/President shall establish procedures regarding evaluation of requests for special full-time or part-time enrollment by a pupil who is identified as highly gifted.

- **Claims for State Apportionment for Concurrent Enrollment** – Claims for state apportionment submitted by the District based on enrollment of high school pupils shall satisfy the criteria established by statute and any applicable regulations of the Board of Governors.

The Superintendent/President shall establish procedures regarding compliance with statutory and regulatory criteria for concurrent enrollment.

The District shall develop an application for admission to the Chaffey Community College District. The District shall only allow an application for admission and residency determination forms or procedures that meet the law.
